SECTION 1. Representations and Warranties of the Depositor. The Depositor represents and warrants to, and agrees with the Underwriters that as of the date hereof and as of the Closing Date:

Copies of such Registration Statement have been delivered by the Depositor to the Underwriters. As used in this Agreement, "Effective Time" means the date and the time as of which such Registration Statement, or the most recent post-effective amendment thereto, if any, was declared effective by the Commission; "Effective Date" means the date of the Effective Time; "Registration Statement" means such registration statement, at the Effective Time, including any documents incorporated by reference therein at such time; "Base Prospectus" means such final prospectus dated February 28, 2007 and "Prospectus Supplement" means the final prospectus supplement dated the date of this Agreement relating to the Underwritten Certificates, to be filed with the Commission pursuant to paragraphs (2), (3) or (5) of Rule 424(b) of the Rules and Regulations. "Prospectus" means the Base Prospectus together with the Prospectus Supplement. The Depositor further proposes to prepare, after the final terms of all classes of the Underwritten Certificates are established, a Free Writing Prospectus that contains substantially all information that will appear in the Prospectus Supplement, to the extent that such information is known at that time (such Free Writing Prospectus, together with the Base Prospectus, the "Preliminary Prospectus"). Reference made herein to the Prospectus shall be deemed to refer to and include any documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act, as of the date of the Prospectus and any reference to any amendment or supplement to the Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any document filed under the Securities Exchange Act of 1934 (the "Exchange Act") after the date of the Preliminary Prospectus or the Prospectus, as applicable, and incorporated by reference in the Preliminary Prospectus or the Prospectus, as applicable, and any reference to any amendment to the Registration Statement shall be deemed to include any report of the Depositor filed with the Commission pursuant to Section 13(a) or 15(d) of the Exchange Act after the Effective Time that is incorporated by reference in the Registration Statement.

The Commission has not issued any order preventing or suspending the use of the Prospectus or the Preliminary Prospectus or the effectiveness of the Registration Statement and no proceedings for such purpose are pending or, to the Depositor's knowledge, threatened by the Commission. There are no contracts or documents of the Depositor which are required to be filed as exhibits to the Registration Statement pursuant to the Securities Act or the Rules and Regulations which have not been so filed or incorporated by reference therein on or prior to the Effective Date of the Registration Statement other than

such documents or materials, if any, as any Underwriter delivers to the Depositor pursuant to Section 5(b) hereof for filing on Form 8-K. The conditions for use of Form S-3, as set forth in the General Instructions thereto, have been satisfied.

(b) The Registration Statement, the Preliminary Prospectus and the Prospectus conform, and any further amendments or supplements to the Registration Statement, the Preliminary Prospectus or the Prospectus will conform, when they become effective, are filed with the Commission or as of the date of the Contract of Sale, as the case may be, in all respects to the requirements of the Securities Act and the Rules and Regulations. The Registration Statement, as of the Effective Date thereof and of any amendment thereto, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. The Preliminary Prospectus, as amended or supplemented as of its date or as of the date of the Contract of Sale, and the Prospectus as of its date, and as amended or supplemented as of the Closing Date does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that no representation or warranty is made as to information contained in or omitted from the Registration Statement, the Preliminary Prospectus or the Prospectus in reliance upon and in conformity with written information furnished to the Depositor in writing by the Underwriters expressly for use therein which shall be limited to the highlighted information set forth on Exhibit A hereto (the "Underwriters' Information") or any Derived Information.

(c) The documents incorporated by reference in the Preliminary Prospectus or the Prospectus, as applicable, when they became effective, were filed with the Commission or as of the date of the Contract of Sale, as the case may be, conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder; and any further documents so filed and incorporated by reference in the Prospectus, when such documents become effective, are filed with the Commission or as of the date of the Contract of Sale, as the case may be, will conform in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder.

(d) The Depositor has been duly incorporated and is validly existing as a corporation in good standing under the laws of its jurisdiction of incorporation and is in good standing as a foreign corporation in each jurisdiction in which its ownership or lease of property or the conduct of its business so requires such standing. The Depositor has all power and authority necessary to own or hold its properties, to conduct the business in which it is engaged and to enter into and perform its obligations under this Agreement, the Mortgage Loan Purchase Agreement and the Pooling and Servicing Agreement (the "Agreements") and to cause the Certificates to be issued.

(e) Except as disclosed in the Preliminary Prospectus and the Prospectus, there are no actions, proceedings or investigations pending with respect to which the Depositor has received service of process before or, to the best of the Depositor's knowledge, threatened by any court, administrative agency or other tribunal to which the Depositor is a party or of which any of its properties is the subject (a) which if determined adversely to the Depositor would have a material adverse effect on the business or financial condition of the Depositor, (b) asserting the invalidity of any of the Agreements or the Certificates, (c) seeking to prevent the issuance of the Certificates or the consummation by the Depositor of any of the transactions contemplated by any of the Agreements or (d) which might materially and adversely affect the performance by the Depositor of its obligations under, or the validity or enforceability of any of the Agreements or the Certificates.

(f) This Agreement has been, and the other Agreements when executed and delivered as contemplated hereby and thereby will have been, duly authorized, executed and delivered by the Depositor, and this Agreement constitutes, and the other Agreements when executed and delivered as contemplated herein will constitute, legal, valid and binding instruments enforceable against the Depositor in accordance with their respective terms, subject as to enforceability to (x) applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting creditors' rights generally, (y) general principles of

equity (regardless of whether enforcement is sought in a proceeding in equity or at law), and (z) with respect to rights of indemnity under any of the Agreements, limitations of public policy under applicable securities laws.

(g) The execution, delivery and performance of the Agreements by the Depositor and the consummation of the transactions contemplated hereby and thereby, and the issuance and delivery of the Certificates do not and will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Depositor is a party, by which the Depositor is bound or to which any of the properties or assets of the Depositor or any of its subsidiaries is subject, which breach or violation would have a material adverse effect on the business, operations or financial condition of the Depositor or its ability to perform its obligations under any of the Agreements, nor will such actions result in any violation of the provisions of the articles of incorporation or by-laws of the Depositor or any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Depositor or any of its properties or assets, which breach or violation would have a material adverse effect on the business, operations or financial condition of the Depositor or its ability to perform its obligations under any of the Agreements.

(h) The direction by the Depositor to the Trustee to execute, authenticate, issue and deliver the Certificates has been duly authorized by the Depositor, and, assuming the Trustee has been duly authorized to undertake such actions, when executed, authenticated, issued and delivered by the Trustee, in accordance with the Pooling and Servicing Agreement, the Certificates will be validly issued and outstanding and the holders of the Certificates will be entitled to the rights and benefits of the Certificates as provided by the Pooling and Servicing Agreement.

(i) No consent, approval, authorization, order, registration or qualification of or with any court or governmental agency or body of the United States is required for the issuance of the Certificates and the sale of the Underwritten Certificates to the Underwriters, or the consummation by the Depositor of the other transactions contemplated by the Agreements except such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Underwritten Certificates by the Underwriters or as have been obtained.

(j) At the time of the execution and delivery of the Pooling and Servicing Agreement, the Depositor will: (i) have equitable title to the interest in the Mortgage Loans conveyed by the Sellers, free and clear of any lien, mortgage, pledge, charge, encumbrance, adverse claim or other security interest (collectively, "Liens"); (ii) not have assigned to any person (other than the Trustee) any of its right, title or interest in the Mortgage Loans and (iii) have the power and authority to sell its interest in the Mortgage Loans to the Trustee and to sell the Underwritten Certificates to the Underwriters. Upon execution and delivery of the Pooling and Servicing Agreement by the Trustee, the Trustee will have acquired beneficial ownership of all of the Depositor's right, title and interest in and to the Mortgage Loans. Upon delivery to the Underwriters of the Underwritten Certificates, the Underwriters will have good title to the Underwritten Certificates free of any Liens.

(k) As of the Cut-off Date each of the Mortgage Loans will meet the eligibility criteria described in the Preliminary Prospectus and the Prospectus and will conform to the descriptions thereof contained in the Preliminary Prospectus and the Prospectus.

(l) Neither the Depositor nor the Trust is an "investment company" within the meaning of such term under the Investment Company Act of 1940, as amended (the "1940 Act") and the rules and regulations of the Commission thereunder.

(m) At the Closing Date, the Underwritten Certificates and the Pooling and Servicing Agreement will conform in all material respects to the descriptions thereof contained in the Preliminary Prospectus and the Prospectus.

(n) Any taxes, fees and other governmental charges in connection with the execution, delivery and issuance of the Agreements and the Certificates have been paid or will be paid at or prior to the Closing Date.

(o) Since the respective dates as of which information is given in the Preliminary Prospectus and the Prospectus, there has not been any material adverse change in the general affairs, management, financial condition, or results of operations of the Depositor or the Originator, otherwise than as set forth or contemplated in the Prospectus as supplemented or amended as of the Closing Date.

(p) As of the Effective Date and as of the date of the Contract of Sale, the Depositor is not and will not be as of the Closing Date, an "ineligible issuer" as defined in Rule 405 under the Securities Act.

(q) Any certificate signed by an officer of the Depositor and delivered to the Underwriters or counsel for the Underwriters in connection with an offering of the Underwritten Certificates shall be deemed, and shall state that it is, a representation and warranty as to the matters covered thereby to each person to whom the representations and warranties in this Section 1 are made.

(r) As of the date of the Contract of Sale, each Issuer Free Writing Prospectus and the Preliminary Prospectus, considered together, did not include any untrue statement of a material fact or omission of any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

SECTION 2. Purchase and Sale. The several commitments of the Underwriters to purchase the Underwritten Certificates pursuant to this Agreement shall be deemed to have been made on the basis of the representations and warranties herein contained and shall be subject to the terms and conditions herein set forth. The Depositor agrees to instruct the Trustee to issue the Certificates and agrees to sell to each Underwriter, and each Underwriter agrees (except as provided in Sections 10 and 11 hereof) severally and not jointly to purchase from the Depositor, the aggregate initial principal amounts or percentage interests of the Underwritten Certificates of each Class, as set forth opposite such Underwriter's name on Schedule A, at the purchase price or prices set forth on Schedule A.

SECTION 3. Delivery and Payment. Payment shall be made to the Depositor by wire transfer of same day funds payable to the account of the Depositor. Delivery of the Underwritten Certificates shall be made to the Underwriters against payment of the purchase price thereof. The Underwritten Certificates so delivered will be initially represented by one or more certificates registered in the name of Cede & Co., the nominee of The Depository Trust Company ("DTC"). The interests of the beneficial owners of the Underwritten Certificates will be represented by book entries on the records of DTC and participating members thereof. Definitive Certificates will be available only under the limited circumstances specified in the Pooling and Servicing Agreement.

SECTION 4. Offering by the Underwriters. It is understood that, subject to the terms and conditions hereof, the several Underwriters propose to offer the Underwritten Certificates for sale to the public as set forth in the Prospectus.

SECTION 5. Agreements.

(a) The Depositor agrees as follows:

(i) To prepare the Preliminary Prospectus and the Prospectus in a form approved by the Underwriters and to file such Preliminary Prospectus pursuant to Rule 433(d) under the Securities Act and to file such Prospectus pursuant to Rule 424(b) under the Securities Act not later than the Commission's close of business on the same day on which the Preliminary Prospectus was made available to the Underwriters and not later than the close of business on the second Business Day following the availability of the Prospectus, to the Underwriters, as applicable; to make no further amendment or any supplement to the Registration Statement, to the Preliminary Prospectus or the Prospectus prior to the Closing Date except as permitted herein; to advise the Underwriters, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes effective prior to the termination of the offering of the Underwritten Certificates or any supplement to the Prospectus or any amended Prospectus has been filed and to furnish the Underwriters or their counsel with copies thereof without charge; to file promptly all reports and any definitive proxy or information statements required to be filed by the Depositor with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus and, for so long as the delivery of a prospectus is required in connection with the offering or sale of the Underwritten Certificates; to promptly advise the Underwriters of their receipt of notice of the issuance by the Commission of any stop order or the institution of or, to the knowledge of the Depositor, the threatening of any proceeding for such purpose, or of: (i) any order preventing or suspending the use of the Preliminary Prospectus or the Prospectus; (ii) the suspension of the qualification of the Underwritten Certificates for offering or sale in any jurisdiction; (iii) the initiation of or threat of any proceeding for any such purpose or (iv) any request by the Commission for the amending or supplementing of the Registration Statement, the Preliminary Prospectus or the Prospectus or for additional information. In the event of the issuance of any stop order or of any order preventing or suspending the use of the Preliminary Prospectus or the Prospectus or suspending any such qualification, the Depositor promptly shall use its best efforts to obtain the withdrawal of such order by the Commission.

(ii) To furnish promptly to the Underwriters and to counsel for the Underwriters a signed copy of the Registration Statement as originally filed with the Commission, and of each amendment thereto filed with the Commission, including all consents and exhibits filed therewith.

(iii) To deliver promptly to the Underwriters without charge such number of the following documents as the Underwriters shall reasonably request: (i) conformed copies of the Registration Statement as originally filed with the Commission and each amendment thereto (in each case including exhibits); (ii) the Preliminary Prospectus, the Prospectus and any amended or supplemented Preliminary Prospectus or Prospectus and (iii) any document incorporated by reference in the Preliminary Prospectus or the Prospectus (including exhibits thereto). If the delivery of a prospectus is required at any time prior to the expiration of nine months after the Closing Date in connection with the offering or sale of the Underwritten Certificates, and if at such time any events shall have occurred as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Securities Act or the Exchange Act, the Depositor shall notify the Underwriters and, upon any Underwriters' request, shall file such document and prepare and furnish without charge to the Underwriters and to any dealer in securities as many copies as the Underwriters may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus which corrects such statement or omission or effects such compliance, and in case the Underwriters are required to deliver a Prospectus in connection with sales of any of the Underwritten Certificates at any time nine months or more after the Effective Time, upon the request of the Underwriters but at their expense, the Depositor shall prepare and

deliver to the Underwriters as many copies as the Underwriters may reasonably request of an amended or supplemented Prospectus complying with Section 10(a)(3) of the Securities Act.

(iv) To file promptly with the Commission any amendment to the Registration Statement, the Preliminary Prospectus or the Prospectus or any supplement to the Prospectus that may, in the judgment of the Depositor or the Underwriters, be required by the Securities Act or requested by the Commission. Neither the Underwriters' consent to nor their distribution of any amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 6.

(v) To furnish the Underwriters and counsel for the Underwriters, prior to filing with the Commission, and to obtain the consent of the Underwriters for the filing of the following documents relating to the Certificates: (i) any Post-Effective Amendment to the Registration Statement or supplement to the Prospectus, or document incorporated by reference in the Prospectus or (ii) the Preliminary Prospectus and the Prospectus pursuant to Rule 424 of the Rules and Regulations.

(vi) To use commercially reasonable efforts, in cooperation with the Underwriters, to qualify the Underwritten Certificates for offering and sale under the applicable securities laws of such states and other jurisdictions of the United States or elsewhere as the Underwriters may reasonably designate, and maintain or cause to be maintained such qualifications in effect for as long as may be required for the distribution of the Underwritten Certificates. The Depositor will file or cause the filing of such statements and reports as may be required by the laws of each jurisdiction in which the Underwritten Certificates have been so qualified; provided, however, that the Depositor shall not be required to qualify to do business in any jurisdiction where it is not now so qualified or to take any action which would subject it to general or unlimited service of process in any jurisdiction where it is now so subject.

(vii) Unless the Underwriters shall otherwise have given their written consent, no collateralized mortgage obligations or other similar securities representing interests in or secured by other mortgage-related assets originated or owned by the Originator or the Seller shall be publicly offered or sold, nor shall the Originator or the Seller enter into any contractual arrangements that contemplate the public offering or sale of such securities, until the earlier to occur of the termination of the syndicate or the Closing Date.

(viii) So long as the Underwritten Certificates shall be outstanding the Depositor shall cause the Trustee, pursuant to the Pooling and Servicing Agreement, to deliver to the Underwriters as soon as such statements are furnished to the Trustee: (i) the annual statement as to compliance delivered to the Trustee pursuant to Section 3.20 of the Pooling and Servicing Agreement; (ii) the Assessment of Compliance and Attestation Report furnished to the Trustee pursuant to Section 3.21 of the Pooling and Servicing Agreement; (iii) the monthly servicing report furnished to the Trustee and (iv) the monthly reports to the Certificateholders pursuant to Section 4.03 of the Pooling and Servicing Agreement.

(ix) In connection with any transaction by this Agreement, the Depositor and each of its affiliates maintain customary arm's-length business relationships with the Underwriters and each of their respective affiliates, and no fiduciary duty on the part of the Underwriters or any of their respective affiliates is thereby or hereby intended or created, and the express disclaimer of any such fiduciary relationship on the part of the Underwriters and each of their respective affiliates is hereby acknowledged and accepted by the Depositor and each of its affiliates.

(x) The Depositor will approve and file or cause to be filed with the Commission such Free Writing Prospectus that is either a Preliminary Prospectus, an Issuer Free Writing Prospectus (as defined in Section 5(c) hereof) or contains Issuer Information as soon as reasonably practicable after the date of this Agreement, but in any event, not later than required pursuant to Rules 426 or 433, respectively, of the Securities Act.

(xi) The Depositor shall not be required to file (A) any Free Writing Prospectus, if the information included therein is included or incorporated by reference in a prospectus or Free Writing Prospectus previously filed with the Commission that relates to the offering of the Certificates, or (B) any Free Writing Prospectus or portion thereof that contains a description of the Certificates or the offering of the Certificates which does not reflect the final terms thereof (so long as such information does not contain any Issuer Information).

(b) Each Underwriter severally represents, warrants, covenants and agrees with the Depositor as to itself that:

(i) Prior to entering into any Contract of Sale, the Underwriter shall convey the Preliminary Prospectus to each prospective investor. The Underwriter shall keep sufficient records to document its conveyance of the Preliminary Prospectus to each potential investor prior to the related Contract of Sale.

(ii) Unless preceded or accompanied by a prospectus satisfying the requirements of Section 10(a) of the Securities Act, the Underwriter shall not convey or deliver any written communication to any person in connection with the initial offering of the Certificates, unless such written communication (1) is made in reliance on Rule 134 under the Securities Act, (2) constitutes a prospectus satisfying the requirements of Rule 430B under the Securities Act or (3) is a Free Writing Prospectus.

(iii) An Underwriter may convey a Preliminary Term Sheet to a potential investor prior to entering into a Contract of Sale with such investor; provided, however, that (x) such Underwriter shall not enter into a Contract of Sale with such investor unless the Underwriter has complied with paragraph (i) above prior to such Contract of Sale, (y) such Underwriter shall deliver a copy of the proposed Preliminary Term Sheet to the Depositor and its counsel prior to the anticipated first use and shall not convey any such Preliminary Term Sheet to which the Depositor or its counsel reasonably objects.

(iv) An Underwriter may convey Computational Materials (x) to a potential investor prior to entering into a Contract of Sale with such investor; provided, however, that (A) such Underwriter shall not enter into a Contract of Sale with such investor unless the Underwriter has complied with paragraph (i) above prior to such Contract of Sale and (B) such Computational Materials shall not be disseminated in a manner reasonably designed to lead to their broad unrestricted dissemination; provided, however, that if such Computational Materials are disseminated in a manner reasonably designed to lead to its broad unrestricted dissemination, such Underwriter shall file with the Commission such Computational Materials, and (y) to an investor after a Contract of Sale, provided that the Underwriter has complied with paragraph (i) above in connection with such Contract of Sale. The Underwriter shall keep sufficient records of any conveyance of Computational Materials to potential or actual investors and shall maintain such records as required by the Rules and Regulations.

(v) If an Underwriter does not furnish a Free Writing Prospectus to the Depositor's counsel prior to the scheduled print date of the Prospectus Supplement, such Underwriter will be deemed to have represented that it did not convey any Free Writing Prospectus to any potential investor.

(vi) Each Free Writing Prospectus shall contain legends substantially similar to the following:

(i) The Underwriters hereby authorize Banc of America Securities LLC to execute each of (a) the letter to the Depositor concerning registration and denomination instructions for the Certificates purchased by the Underwriters, (b) the Cross Receipt relating to the Depositor's receipt of the proceeds from the sale of the Certificates and (c) the original issue discount pricing letter.

SECTION 8. Indemnification and Contribution.

(a) The Depositor indemnifies and holds harmless each Underwriter, each Underwriter's respective officers and directors and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, as follows:

- (i) against any and all losses, claims, expenses, damages or liabilities, joint or several, to which such Underwriter, its officers, directors or such controlling person may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof including, but not limited to, any loss, claim, expense, damage or liability related to purchases and sales of the Underwritten Certificates) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, the Prospectus, the Preliminary Prospectus, any other Issuer Free Writing Prospectus, any Issuer Information in any Free Writing Prospectus approved by the Depositor, or any static pool information provided by or on behalf of the Depositor which is not a part of the Registration Statement or the Prospectus, or any amendment or supplement thereto, or arise out of, or are based upon, the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein not misleading; and will reimburse each Underwriter and each such controlling person for any legal or other expenses reasonably incurred by such Underwriter or such controlling person in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; provided, however, that the Depositor will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or omission, or alleged untrue statement or omission, made in any of such documents (x) in reliance upon and in conformity with any Underwriters' Information or (y) any Derived Information, except in the case of this clause (y) to the extent that any untrue statement or alleged untrue statement or omission therein results (or is alleged to have resulted) from an error or material omission in the information either in the Preliminary Prospectus or the Prospectus for which the Depositor is responsible or concerning the characteristics of the Mortgage Loans furnished by the Originator to the Underwriters for use in the preparation of any Free Writing Prospectus; provided, however, that no indemnity shall be provided for any error that was superseded or corrected by the delivery to the Underwriters of corrected written or electronic information prior to the first Contract of Sale, or for which the Originator or the Depositor provided written notice of such error to the Underwriters prior to the first Contract of Sale and the Underwriters failed to correct such error;
- (ii) against any and all loss, liability, claim, damage and expense whatsoever, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced

or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Depositor; and

- (iii) against any and all expense whatsoever (including the fees and disbursements of counsel chosen by any such Underwriter), reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under clause (i) or clause (ii) above.

This indemnity agreement will be in addition to any liability which the Depositor may otherwise have.

(b) Each Underwriter, severally and not jointly, agrees to indemnify and hold harmless each of the Depositor, each of its directors, each of its officers who have signed the Registration Statement and each person, if any, who controls the Depositor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any and all losses, claims, expenses, damages or liabilities to which the Depositor or any such director, officer or controlling person may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in (i) Derived Information and (ii) the Registration Statement, the Prospectus or any amendment or supplement thereto, or arise out of, or are based upon, the omission or the alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein not misleading, but with respect to clause (b)(ii) above, only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with the Underwriters' Information of such Underwriter; and will reimburse any legal or other expenses reasonably incurred by the Depositor or any such director, officer or controlling person in connection with investigating or defending any such loss, claim, damage, liability or action. This indemnity agreement will be in addition to any liability which such Underwriter may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action described therein, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party of the commencement thereof; but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability that it may have to any indemnified party otherwise than under Section 8(a) or 8(b). In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and, to the extent that it may wish to do so, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party under this Section 8, such indemnifying party shall not be liable for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation.

Any indemnified party shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless: (i) the employment thereof has been specifically authorized by the indemnifying party in writing; (ii) such indemnified party shall have been advised by such counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the indemnifying party and in the reasonable judgment of such counsel it is advisable for such indemnified party to employ separate counsel; (iii) a conflict or potential conflict exists (based on advice of counsel to the indemnified party) between the indemnified party and the indemnifying party (in which case the

indemnifying party will not have the right to direct the defense of such action on behalf of the indemnified party) or (iv) the indemnifying party has failed to assume the defense of such action and employ counsel reasonably satisfactory to the indemnified party, in which case, if such indemnified party notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such action on behalf of such indemnified party, it being understood, however, the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to local counsel) at any time for all such indemnified parties, which firm shall be designated in writing by the related Underwriter, if the indemnified parties under this Section 8 consist of one Underwriter or any of its controlling persons, or by the related Underwriters, if the indemnified parties under this Section 8 consist of more than one Underwriter or their controlling persons, or the Depositor, if the indemnified parties under this Section 8 consist of the Depositor or any of the Depositor's directors, officers or controlling persons.

Each indemnified party, as a condition of the indemnity agreements contained in Section 8(a) and Section 8(b), shall use its good faith efforts to cooperate with the indemnifying party in the defense of any such action or claim. No indemnifying party shall be liable for any settlement of any such action effected without its written consent (which consent shall not be unreasonably withheld), but if settled with its written consent or if there be a final judgment for the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability (to the extent set forth in Section 8(a) or Section 8(b) as applicable) by reason of such settlement or judgment.

Notwithstanding the foregoing paragraph, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement.

(d) If the indemnification provided for in Section 8(a) or 8(b) is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Depositor on the one hand and the Underwriters on the other from the offering of the Underwritten Certificates or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Depositor on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Depositor on the one hand and an Underwriter on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Depositor bear to the total underwriting discounts and commissions received by such Underwriter. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Depositor or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to above in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of underwriting discounts and commissions received by such Underwriter. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters'

obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

SECTION 9. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement or contained in certificates of officers of the Depositor or the Originator submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the Underwriters or controlling persons thereof, or by or on behalf of the Depositor or the Originator, and shall survive delivery of any Underwritten Certificates to the Underwriters.

SECTION 10. Default by One or More of the Underwriters. If one or more of the Underwriters participating in the public offering of the Underwritten Certificates shall fail at the Closing Date to purchase the Underwritten Certificates which it is (or they are) obligated to purchase hereunder (the "Defaulted Certificates"), then the non-defaulting Underwriters shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Certificates in such amounts as may be agreed upon and upon the terms herein set forth. If, however, the Underwriters have not completed such arrangements within such 24-hour period, then

(a) if the aggregate principal amount of Defaulted Certificates does not exceed 10% of the aggregate principal amount of the Underwritten Certificates to be purchased pursuant to this Agreement, the non-defaulting Underwriters named in this Agreement shall be obligated to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all such non-defaulting Underwriters, or

(b) if the aggregate principal amount of Defaulted Certificates exceeds 10% of the aggregate principal amount of the Underwritten Certificates to be purchased pursuant to this Agreement, this Agreement shall terminate, without any liability on the part of any non-defaulting Underwriters.

In the event of any such termination, the provisions of Section 7, Section 8, Section 9, Section 14, Section 16 and Section 19 shall remain in effect.

Until the distribution of the Underwritten Certificates is completed, rules of the SEC may limit the ability of the Underwriters and certain selling group members to bid for and purchase the Underwritten Certificates. As an exception to these rules, the Underwriters are permitted to engage in certain transactions that stabilize the price of the Underwritten Certificates. Such transactions consist of bids or purchases for the purpose of pegging, fixing or maintaining the price of the Underwritten Certificates.

In general, purchases of a security for the purpose of stabilization or to reduce a short position could cause the price of the security to be higher than it might be in the absence of such purchases.

Neither the Depositor nor any of the Underwriters makes any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the prices of the Underwritten Certificates. In addition, neither the Depositor nor any of the Underwriters makes any representation that the Underwriters will engage in such transactions or that such transactions, once commenced, will not be discontinued without notice.

The Depositor has been advised by each Underwriter, other than H&R Block Financial Advisors, Inc., that such Underwriter intends to make a market in the Underwritten Certificates purchased by it, but no Underwriter has any obligation to do so. There can be no assurance that a secondary market for any of the Underwritten Certificates will develop or, if it does develop, that it will continue. H&R Block Financial Advisors, Inc. does not intend to make a secondary market in any class of the Offered Certificates.

The Depositor has agreed to indemnify the Underwriters against, or make contributions to the Underwriters with respect to, certain liabilities, including liabilities under the Act.

The Underwriters or their affiliates have ongoing banking relationships with affiliates of the Depositor and a portion of the proceeds received from the sale of the Offered Certificate will be used by the Depositor to satisfy obligations under financing facilities in place with affiliates of the Underwriters with respect to some of the Mortgage Loans.

H&R Block Financial Advisors, Inc. is an affiliate of the Depositor, the Originator, the Sponsor and the Servicer.

LEGAL MATTERS

Certain legal matters with respect to the Class A and Mezzanine Certificates will be passed upon for the Seller, Servicer and the Depositor by Thacher Proffitt & Wood llp, New York, New York. Certain legal matters will be passed upon for the Underwriters by McKee Nelson LLP.

RATINGS

It is a condition to the issuance of the Certificates that the Offered Certificates receive the following ratings from Moody's Investor Service, Inc ("Moody's") and Standard & Poor's Ratings Services, a division of the McGraw-Hill Companies, Inc. ("S&P"; and together with Moody's, the "Rating Agencies"):

Offered Certificates	Moody's	S&P

M-7	Baa1	BBB+
M-8	Baa2	BBB
M-9	Baa3	BBB-

A securities rating addresses the likelihood of the receipt by a Certificateholder of distributions on the Mortgage Loans. The rating takes into consideration the characteristics of the Mortgage Loans and the structural, legal and tax aspects associated with the certificates. The ratings on the Offered Certificates do not, however, constitute statements regarding the likelihood or frequency of prepayments on the Mortgage Loans, the payment of the Net WAC Rate Carryover Amount to the Offered Certificates or the possibility that a holder of an Offered Certificate might realize a lower than anticipated yield.

The Depositor has not engaged any rating agency other than the Rating Agencies to provide ratings on the Offered Certificates. However, there can be no assurance as to whether any other rating agency will rate the Offered Certificates, or, if it does, what rating would be assigned by any such other rating agency. The Servicer or the Depositor shall deliver or cause to be delivered to the Trustee or the Custodian promptly upon receipt thereof any other documents constituting a part of a Mortgage File received with respect to any Mortgage Loan, including, but not limited to, any original documents evidencing an assumption or modification of any Mortgage Loan.

Upon discovery or receipt of notice of any materially defective document in, or that a document is missing from, a Mortgage File, the Servicer, in its capacity as Originator, shall have 120 days to cure such defect or deliver such missing document to the Trustee or the Custodian. If the Originator does not cure such defect or deliver such missing document within such time period, the Servicer, in its capacity as Originator, shall either repurchase or substitute for such Mortgage Loan in accordance with Section 2.03.

The Depositor (at the expense of the Servicer, in its capacity as Originator) shall cause the Assignments which were delivered in blank to be completed and shall cause all Assignments referred to in Section 2.01(iii) hereof and, to the extent necessary, in Section 2.01(iv) hereof to be recorded. The Depositor shall be required to deliver such Assignments for recording within 90 days of the Closing Date. Notwithstanding the foregoing, however, for administrative convenience and facilitation of servicing and to reduce closing costs, the Assignments of Mortgage shall not be required to be submitted for recording (except with respect to any Mortgage Loan located in Maryland) unless the Trustee and the Depositor receive notice that such failure to record would result in a withdrawal or a downgrading by any Rating Agency of the rating on any Class of Certificates; provided, however, each Assignment shall be submitted for recording by the Depositor in the manner described above, at no expense to the Trust Fund or Trustee, upon the earliest to occur of: (i) reasonable direction by Holders of Certificates entitled to at least 25% of the Voting Rights, (ii) the occurrence of a Servicer Event of Termination, (iii) the occurrence of a bankruptcy, insolvency or foreclosure relating to the Servicer, (iv) the occurrence of a servicing transfer as described in Section 7.02 hereof, (v) if the Originator is not the Servicer and with respect to any one Assignment the occurrence of a bankruptcy, insolvency or foreclosure relating to the Mortgagor under the related Mortgage, (vi) any Mortgage Loan that is 90 days or more Delinquent and such recordation would be necessary to facilitate conversion of the Mortgaged Property in accordance with Section 3.16 and (vii) reasonable direction by the NIMS Insurer. Upon (a) receipt of written notice from the Trustee that recording of the Assignments is required pursuant to one or more of the conditions (excluding (v) and (vi) above) set forth in the preceding sentence or (b) upon the occurrence of condition (v) or (vi) in the preceding sentence, the Depositor shall be required to deliver such Assignments for recording as provided above, promptly and in any event within 30 days following receipt of such notice. Notwithstanding the foregoing, if the Originator fails to pay the cost of recording the Assignments, such expense will be paid by the Trustee and the Trustee shall be reimbursed for such expenses by the Trust. To the extent not previously delivered to the Trustee by the Depositor, the Depositor shall furnish the Trustee, or its designated agent, with a copy of each Assignment submitted for recording. In the event that any such Assignment is lost or returned unrecorded because of a defect therein, the Depositor shall promptly have a substitute Assignment prepared or have such defect cured, as the case may be, and thereafter cause each such Assignment to be duly recorded.

The Depositor herewith delivers to the Trustee an executed copy of the Mortgage Loan Purchase Agreement.

The Servicer shall forward to the Custodian original documents evidencing an assumption, modification, consolidation or extension of any Mortgage Loan entered into in accordance with this Agreement within two weeks of their execution; provided, however, that the Servicer shall provide the Custodian with a certified true copy of any such document submitted for recordation within two weeks of its execution, and shall provide the original of any document submitted for recordation or a copy of such document certified by the appropriate public recording office to be a true and complete copy of the original within 365 days of its submission for recordation. In the event that the Servicer cannot provide a copy of such document certified by the public recording office within such 365 day period, an

Officers' Certificate of the Servicer which shall (A) identify the recorded document, (B) state that the recorded document has not been delivered to the Custodian due solely to a delay caused by the public recording office, (C) state the amount of time generally required by the applicable recording office to record and return a document submitted for recordation, if known and (D) specify the date the applicable recorded document is expected to be delivered to the Custodian, and, upon receipt of a copy of such document certified by the public recording office, the Servicer shall immediately deliver such document to the Custodian. In the event the appropriate public recording office will not certify as to the accuracy of such document, the Servicer shall deliver a copy of such document certified by an officer of the Servicer to be a true and complete copy of the original to the Custodian.

The parties hereto understand and agree that it is not intended that any mortgage loan be included in the Trust that is a high-cost home loan as defined by the HOEPA or any other applicable predatory or abusive lending laws.

SECTION 2.02. Acceptance by Trustee.

Subject to the provisions of Section 2.01 and subject to the review described below and any exceptions noted on the exception report described in the next paragraph below, the Trustee acknowledges receipt of the documents referred to in Section 2.01 above and all other assets included in the definition of "Trust Fund" and declares that it holds and will hold such documents and the other documents delivered to it constituting a Mortgage File, and that it holds or will hold all such assets and such other assets included in the definition of "Trust Fund" in trust for the exclusive use and benefit of all present and future Certificateholders.

The Trustee agrees, for the benefit of the Certificateholders, to review, or that it has reviewed pursuant to Section 2.01 (or to cause the Custodian to review or that it has caused the Custodian to have reviewed) each Mortgage File on or prior to the Closing Date, with respect to each Mortgage Loan (or, with respect to any document delivered after the Startup Day, within 45 days of receipt and with respect to any Qualified Substitute Mortgage, within 45 days after the assignment thereof). The Trustee further agrees, for the benefit of the Certificateholders, to certify to the Depositor, the Servicer and the NIMS Insurer in substantially the form attached hereto as Exhibit F-1, within 45 days after the Closing Date, with respect to each Mortgage Loan (or, with respect to any document delivered after the Startup Day, within 45 days of receipt and with respect to any Qualified Substitute Mortgage, within 45 days after the assignment thereof) that, as to each Mortgage Loan listed in the Mortgage Loan Schedule (other than any Mortgage Loan paid in full or any Mortgage Loan specifically identified in the exception report annexed thereto as not being covered by such certification), (i) all documents required to be delivered to it pursuant Section 2.01 of this Agreement are in its possession, (ii) such documents have been reviewed by it and have not been mutilated, damaged or torn and relate to such Mortgage Loan and (iii) based on its examination and only as to the foregoing, the information set forth in the Mortgage Loan Schedule that corresponds to items (1) and (2) of the Mortgage Loan Schedule accurately reflects information set forth in the Mortgage File. It is herein acknowledged that, in conducting such review, the Trustee (or the Custodian, as applicable) is under no duty or obligation to inspect, review or examine any such documents, instruments, certificates or other papers to determine that they are genuine, enforceable, or appropriate for the represented purpose or that they have actually been recorded or that they are other than what they purport to be on their face.

Prior to the first anniversary date of this Agreement the Trustee shall deliver (or cause the Custodian to deliver) to the Depositor, the Servicer and the NIMS Insurer a final certification in the form annexed hereto as Exhibit F-2 evidencing the completeness of the Mortgage Files, with any applicable exceptions noted thereon.

If in the process of reviewing the Mortgage Files and making or preparing, as the case may be, the certifications referred to above, the Trustee (or the Custodian, as applicable) finds any document or documents constituting a part of a Mortgage File to be missing or defective in any material respect, at the conclusion of its review the Trustee shall so notify the Originator, the Depositor, the NIMS Insurer and the Servicer. In addition, upon the discovery by the Originator, the Depositor, the NIMS Insurer or the Servicer (or upon receipt by the Trustee of written notification of such breach) of a breach of any of the representations and warranties made by the Originator in the Mortgage Loan Purchase Agreement in respect of any Mortgage Loan which materially adversely affects such Mortgage Loan or the interests of the related Certificateholders in such Mortgage Loan, the party discovering such breach shall give prompt written notice to the other parties to this Agreement.

The Depositor and the Trustee intend that the assignment and transfer herein contemplated constitute a sale of the Mortgage Loans, the related Mortgage Notes and the related documents, conveying good title thereto free and clear of any liens and encumbrances, from the Depositor to the Trustee in trust for the benefit of the Certificateholders and that such property not be part of the Depositor's estate or property of the Depositor in the event of any insolvency by the Depositor. In the event that such conveyance is deemed to be, or to be made as security for, a loan, the parties intend that the Depositor shall be deemed to have granted and does hereby grant to the Trustee a first priority perfected security interest in all of the Depositor's right, title and interest in and to the Mortgage Loans, the related Mortgage Notes and the related documents, and that this Agreement shall constitute a security agreement under applicable law.

SECTION 2.03. Repurchase or Substitution of Mortgage Loans by the Originator or Responsible Party.

(a) Upon discovery or receipt of written notice of any materially defective document in, or that a document is missing from, a Mortgage File or of the breach by the Originator or the Responsible Party of any representation, warranty or covenant under the Mortgage Loan Purchase Agreement in respect of any Mortgage Loan which materially adversely affects the value of such Mortgage Loan or the interest therein of the Certificateholders, the Trustee shall promptly notify the Originator, the Responsible Party, the NIMS Insurer and the Servicer of such defect, missing document or breach and request that the Originator or the Responsible Party, as applicable and as set forth in the Mortgage Loan Purchase Agreement, deliver such missing document or cure such defect or breach within 120 days from the date the Originator or the Responsible Party, as applicable, was notified of such missing document, defect or breach, and if the Originator or the Responsible Party, as applicable, does not deliver such missing document or cure such defect or breach in all material respects during such period, the Trustee shall enforce the Originator's or the Responsible Party's obligation under the Mortgage Loan Purchase Agreement and cause the Originator or the Responsible Party, as applicable, to repurchase such Mortgage Loan from the Trust Fund at the Purchase Price on or prior to the Determination Date following the expiration of such 120 day period (subject to Section 2.03 (e)). The Purchase Price for the repurchased Mortgage Loan shall be deposited in the Collection Account, and the Trustee, upon receipt of written certification from the Servicer of such deposit, shall release to the Originator or the Responsible Party, as applicable, the related Mortgage File and shall execute and deliver such instruments of transfer or assignment, in each case without recourse, as the Originator or the Responsible Party, as applicable, shall furnish to it and as shall be necessary to vest in the Originator or the Responsible Party, as applicable, any Mortgage Loan released pursuant hereto and the Trustee shall have no further responsibility with regard to such Mortgage File (it being understood that the Trustee shall have no responsibility for determining the sufficiency of such assignment for its intended purpose). In lieu of repurchasing any such Mortgage Loan as provided above, the Originator or the Responsible Party, as applicable, may cause such Mortgage Loan to be removed from the Trust Fund (in which case it shall become a Deleted Mortgage Loan) and substitute one or more Qualified Substitute Mortgage Loans in the manner and subject to the limitations set forth in Section 2.03(d). It is understood and agreed that the obligation of the Originator or the Responsible Party, as applicable, to cure or to repurchase (or to substitute for) any Mortgage Loan as to which a document is missing, a material defect in a constituent document exists or as to which such a breach has occurred and is continuing shall constitute the sole remedy against the Originator or the Responsible Party, as applicable, respecting such omission, defect or breach available to the Trustee on behalf of the Certificateholders.

(b) Within 90 days of the earlier of discovery by the Depositor or receipt of notice by the Depositor of the breach of any representation, warranty or covenant of the Depositor set forth in Section 2.06 which materially and adversely affects the interests of the Certificateholders in any Mortgage Loan, the Depositor shall cure such breach in all material respects.

(c) Within 90 days of the earlier of discovery by the Servicer or receipt of notice by the Servicer of the breach of any representation, warranty or covenant of the Servicer set forth in Section 2.05 which materially and adversely affects the interests of the Certificateholders in any Mortgage Loan, the Servicer shall cure such breach in all material respects.

(d) Any substitution of Qualified Substitute Mortgage Loans for Deleted Mortgage Loans made pursuant to Section 2.03(a) must be effected prior to the last Business Day that is within two years after the Closing Date. As to any Deleted Mortgage Loan for which the Originator or the Responsible Party, as applicable, substitutes a Qualified Substitute Mortgage Loan or Loans, such substitution shall be effected by the Originator or the Responsible Party, as applicable,

delivering to the Trustee, for such Qualified Substitute Mortgage Loan or Loans, the Mortgage Note, the Mortgage and the Assignment to the Trustee, and such other documents and agreements, with all necessary endorsements thereon, as are required by Section 2.01, together with an Officers' Certificate providing that each such Qualified Substitute Mortgage Loan satisfies the definition thereof and specifying the Substitution Adjustment (as described below), if any, in connection with such substitution. The Trustee shall acknowledge receipt for such Qualified Substitute Mortgage Loan or Loans and, within ten Business Days thereafter, shall review such documents as specified in Section 2.02 and deliver to the Servicer and the NIMS Insurer, with respect to such Qualified Substitute Mortgage Loan or Loans, a certification substantially in the form attached hereto as Exhibit F-1, with any applicable exceptions noted thereon. Within one year of the date of substitution, the Trustee shall deliver to the Servicer and the NIMS Insurer a certification substantially in the form of Exhibit F-2 hereto with respect to such Qualified Substitute Mortgage Loan or Loans, with any applicable exceptions noted thereon. Monthly Payments due with respect to Qualified Substitute Mortgage Loans in the month of substitution are not part of the Trust Fund and will be retained by the Originator or the Responsible Party, as applicable. For the month of substitution, distributions to Certificateholders will reflect the collections and recoveries in respect of such Deleted Mortgage Loan in the Due Period preceding the month of substitution and the Originator or the Responsible Party, as applicable, shall thereafter be entitled to retain all amounts subsequently received in respect of such Deleted Mortgage Loan. The Originator or the Responsible Party, as applicable, shall give or cause to be given written notice to the Certificateholders and the NIMS Insurer that such substitution has taken place, shall amend the Mortgage Loan Schedule to reflect the removal of such Deleted Mortgage Loan from the terms of this Agreement and the substitution of the Qualified Substitute Mortgage Loan or Loans and shall deliver a copy of such amended Mortgage Loan Schedule to the NIMS Insurer and the Trustee. Upon such substitution by the Originator or the Responsible Party, as applicable, such Qualified Substitute Mortgage Loan or Loans shall constitute part of the Mortgage Pool and shall be subject in all respects to the terms of this Agreement and the Mortgage Loan Purchase Agreement, including all applicable representations and warranties thereof included in the Mortgage Loan Purchase Agreement as of the date of substitution.

For any month in which the Originator or the Responsible Party, as applicable, substitutes one or more Qualified Substitute Mortgage Loans for one or more Deleted Mortgage Loans, the Servicer will determine the amount (the "Substitution Adjustment"), if any, by which the aggregate Purchase Price of all such Deleted Mortgage Loans exceeds the aggregate, as to each such Qualified Substitute Mortgage Loan, of the principal balance thereof as of the date of substitution, together with one month's interest on such principal balance at the applicable Net Mortgage Rate. On the date of such substitution, the Originator or the Responsible Party, as applicable, will deliver or cause to be delivered to the Servicer for deposit in the Collection Account an amount equal to the Substitution Adjustment, if any, and the Trustee, upon receipt of the related Qualified Substitute Mortgage Loan or Loans and certification by the Servicer of such deposit, shall release to the Originator or the Responsible Party, as applicable, the related Mortgage File or Files and shall execute and deliver such instruments of transfer or assignment, in each case without recourse, as the Originator or the Responsible Party, as applicable, shall deliver to it and as shall be necessary to vest therein any Deleted Mortgage Loan released pursuant hereto.

In addition, the Originator or the Responsible Party, as applicable, shall obtain at its own expense and deliver to the Trustee and the NIMS Insurer an Opinion of Counsel to the effect that such substitution will not cause (a) any federal tax to be imposed on the Trust Fund, including without limitation, any federal tax imposed on "prohibited transactions" under Section 860F(a)(l) of the Code or on "contributions after the startup date" under Section 860G(d)(l) of the Code or (b) any REMIC to fail to qualify as a REMIC at any time that any Certificate is outstanding. If such Opinion of Counsel cannot be delivered, then such substitution may only be effected at such time as the required Opinion of Counsel can be given.

Upon discovery by the Originator, the Servicer, the NIMS Insurer or the Trustee that any Mortgage Loan does not constitute a "qualified mortgage" within the meaning of Section 860G(a)(3) of the Code, the party discovering such fact shall within two Business Days give written notice thereof to the other parties. In connection therewith, the Originator, the Responsible Party or the Depositor, as the case may be, shall repurchase or, subject to the limitations set forth in Section 2.03 (d), substitute one or more Qualified Substitute Mortgage Loans for the affected Mortgage Loan within 90 days of the earlier of discovery or receipt of such notice with respect to such affected Mortgage Loan. Such repurchase or substitution shall be made (i) by the Originator or the Responsible Party, as applicable, if the affected Mortgage Loan's status as a non-qualified mortgage is or results from a breach of any representation, warranty or covenant made by the Originator or the Responsible Party under the Mortgage Loan Purchase Agreement or (ii) the Depositor, if the affected Mortgage Loan's status as a non-qualified mortgage is a breach of any representation or warranty of the Depositor set forth in Section 2.06, or if its status as a non-qualified mortgage is a breach of no representation or warranty. Any such repurchase or substitution shall be made in the same manner as set forth in Section 2.03(a), if made by the Originator or the Responsible Party, or Section 2.03(b), if made by the Depositor. The Trustee shall reconvey to the Depositor, the Originator or the Responsible Party, as the case may be, the Mortgage Loan to be released pursuant hereto in the same manner, and on the same terms and conditions, as it would a Mortgage Loan repurchased for breach of a representation or warranty.

SECTION 2.04. Intentionally Omitted.

SECTION 2.05. Representations, Warranties and Covenants of the Servicer.

The Servicer hereby represents, warrants and covenants to the Trustee, for the benefit of each of the Trustee and the Certificateholders, and to the Depositor that as of the Closing Date or as of such date specifically provided herein:

(i) The Servicer is duly organized, validly existing, and in good standing under the laws of the jurisdiction of its formation and has all licenses necessary to carry on its business as now being conducted and is licensed, qualified and in good standing in the states where the Mortgaged Property is located if the laws of such state require licensing or qualification in order to conduct business of the type conducted by the Servicer or to ensure the enforceability or validity of each Mortgage Loan; the Servicer has the power and authority to execute and deliver this Agreement and to perform in accordance herewith; the execution, delivery and performance of this Agreement (including all instruments of transfer to be delivered pursuant to this Agreement) by the Servicer and the consummation of the transactions contemplated hereby have been duly and validly authorized; this Agreement evidences the valid, binding and enforceable obligation of the Servicer, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally; and all requisite corporate action has been taken by the Servicer to make this Agreement valid and binding upon the Servicer in accordance with its terms;

(ii) The consummation of the transactions contemplated by this Agreement are in the ordinary course of business of the Servicer and will not result in the breach of any term or provision of the charter or by-laws of the Servicer or result in the breach of any term or provision of, or conflict with or constitute a default under or result in the acceleration of any obligation under, any agreement, indenture or loan or credit agreement or other instrument to which the Servicer or its property is subject, or result in the violation of any law, rule, regulation, order, judgment or decree to which the Servicer or its property is subject;

(iii) The execution and delivery of this Agreement by the Servicer and the performance and compliance with its obligations and covenants hereunder do not require the consent or approval of any governmental authority or, if such consent or approval is required, it has been obtained;

(iv) This Agreement, and all documents and instruments contemplated hereby which are executed and delivered by the Servicer, constitute and will constitute valid, legal and binding obligations of the Servicer, enforceable in accordance with their respective terms, except as the enforcement thereof may be limited by applicable bankruptcy laws and general principles of equity;

(v) [Reserved];

(vi) The Servicer does not believe, nor does it have any reason or cause to believe, that it cannot perform each and every covenant contained in this Agreement;

(vii) There is no action, suit, proceeding or investigation pending or, to its knowledge, threatened against the Servicer that, either individually or in the aggregate, (A) may result in any change in the business, operations, financial condition, properties or assets of the Servicer that might prohibit or

materially and adversely affect the performance by such Servicer of its obligations under, or validity or enforceability of, this Agreement, or (B) may result in any material impairment of the right or ability of the Servicer to carry on its business substantially as now conducted, or (C) may result in any material liability on the part of the Servicer, or (D) would draw into question the validity or enforceability of this Agreement or of any action taken or to be taken in connection with the obligations of the Servicer contemplated herein, or (E) would otherwise be likely to impair materially the ability of the Servicer to perform under the terms of this Agreement;

(viii) Neither this Agreement nor any information, certificate of an officer, statement furnished in writing or report delivered to the Trustee by the Servicer in connection with the transactions contemplated hereby contains any untrue statement of a material fact;

(ix) The Servicer covenants that its computer and other systems used in servicing the Mortgage Loans operate in a manner such that the Servicer can service the Mortgage Loans in accordance with the terms of this Agreement;

(x) The information set forth in the Prepayment Charge Schedule (including the Prepayment Charge Summary attached thereto) is complete, true and correct in all material respects on the date or dates when such information is furnished and each Prepayment Charge is permissible and enforceable in accordance with its terms (except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency, moratorium, receivership and other similar laws affecting creditor's rights generally or the collectability thereof may be limited due to acceleration in connection with a foreclosure) under applicable federal, state and local law;

(xi) The Servicer will not waive any Prepayment Charge unless it is waived in accordance with the standard set forth in Section 3.01; and

(xii) The Servicer has accurately and fully reported, and will continue to accurately and fully report, its borrower credit files to each of the credit repositories in a timely manner.

It is understood and agreed that the representations, warranties and covenants set forth in this Section 2.05 shall survive delivery of the Mortgage Files to the Trustee and shall inure to the benefit of the Trustee, the Depositor and the Certificateholders. Upon discovery by any of the Depositor, the NIMS Insurer, the Servicer, the Originator or the Trustee of a breach of any of the foregoing representations, warranties and covenants which materially and adversely affects the value of any Mortgage Loan, Prepayment Charge or the interests therein of the Certificateholders, the party discovering such breach shall give prompt written notice (but in no event later than two Business Days following such discovery) to the Servicer, the Originator, the NIMS Insurer and the Trustee. Notwithstanding the foregoing, within 90 days of the earlier of discovery by the Servicer or receipt of notice by the Servicer of the breach of the representation or covenant of the Servicer (in its capacity as Originator) set forth in Sections 2.05(x) or 2.05(xi) above which materially and adversely affects the interests of the Holders of the Class P Certificates in any Prepayment Charge, the Servicer shall remedy such breach as follows: (a) if the representation made by the Servicer (in its capacity as Originator) in Section 2.05(x) above is breached and a Principal Prepayment has occurred in the applicable Prepayment Period or if a change of law subsequent to the Closing Date limits the enforceability of a Prepayment Charge (other than in the circumstances provided in Section 2.05(x) above), the Servicer (in its capacity as Originator) must pay the amount of the scheduled Prepayment Charge, for the benefit of the Holders of the Class P Certificates, by depositing such amount into the Collection Account, net of any amount previously collected by the Servicer and paid by the Servicer, for the benefit of the Holders of the Class P Certificates, in respect of such Prepayment Charge; and (b) if any of the covenants made by the Servicer in Section 2.05(xi) above is breached, the Servicer must pay the amount of such waived Prepayment Charge, for the benefit of the Holders of the Class P Certificates, by depositing such amount into the Collection Account. The foregoing shall not, however, limit any remedies available to the Certificateholders, the Depositor or the Trustee on behalf of the Certificateholders, pursuant to the Mortgage Loan Purchase Agreement signed by the Servicer in its capacity as Originator, respecting a breach of the representations, warranties and covenants of the Servicer in its capacity as Originator contained in the Mortgage Loan Purchase Agreement.

SECTION 2.06. Representations and Warranties of the Depositor.

The Depositor represents and warrants to the Trust and the Trustee on behalf of the Certificateholders as follows:

(i) This Agreement constitutes a legal, valid and binding obligation of the Depositor, enforceable against the Depositor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights in general and except as such enforceability may be limited by general principles of equity (whether considered in a proceeding at law or in equity);

(ii) Immediately prior to the sale and assignment by the Depositor to the Trustee on behalf of the Trust of each Mortgage Loan, the Depositor had good and marketable title to each Mortgage Loan (insofar as such title was conveyed to it by the Seller) subject to no prior lien, claim, participation interest, mortgage, security interest, pledge, charge or other encumbrance or other interest of any nature;

(iii) As of the Closing Date, the Depositor has transferred all right, title and interest in the Mortgage Loans to the Trustee on behalf of the Trust;

(iv) The Depositor has not transferred the Mortgage Loans to the Trustee on behalf of the Trust with any intent to hinder, delay or defraud any of its creditors;

(v) The Depositor has been duly incorporated and is validly existing as a corporation in good standing under the laws of Delaware, with full corporate power and authority to own its assets and conduct its business as presently being conducted;

(vi) The Depositor is not in violation of its articles of incorporation or by-laws or in default in the performance or observance of any material obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, loan agreement, note, lease or other instrument to which the Depositor is a party or by which it or its properties may be bound, which default might result in any material adverse changes in the financial condition, earnings, affairs or business of the Depositor or which might materially and adversely affect the properties or assets, taken as a whole, of the Depositor;

(vii) The execution, delivery and performance of this Agreement by the Depositor, and the consummation of the transactions contemplated thereby, do not and will not result in a material breach or violation of any of the terms or provisions of, or, to the knowledge of the Depositor, constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Depositor is a party or by which the Depositor is bound or to which any of the property or assets of the Depositor is subject, nor will such actions result in any violation of the provisions of the articles of incorporation or by-laws of the Depositor or, to the best of the Depositor's knowledge without independent investigation, any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Depositor or any of its properties or assets (except for such conflicts, breaches, violations and defaults as would not have a material adverse effect on the ability of the Depositor to perform its obligations under this Agreement);

(viii) To the best of the Depositor's knowledge without any independent investigation, no consent, approval, authorization, order, registration or qualification of or with any court or governmental agency or body of the United States or any other jurisdiction is required for the issuance of the Certificates, or the consummation by the Depositor of the other transactions contemplated by this Agreement, except such consents, approvals, authorizations, registrations or qualifications as (a) may be required under State securities or Blue Sky laws, (b) have been previously obtained or (c) the failure of which to obtain would not have a material adverse effect on the performance by the Depositor of its obligations under, or the validity or enforceability of, this Agreement;

(ix) There are no actions, proceedings or investigations pending before or, to the Depositor's knowledge, threatened by any court, administrative agency or other tribunal to which the Depositor is a party or of which any of its properties is the subject: (a) which if determined adversely to the Depositor

would have a material adverse effect on the business, results of operations or financial condition of the Depositor; (b) asserting the invalidity of this Agreement or the Certificates; (c) seeking to prevent the issuance of the Certificates or the consummation of the Depositor of any of the transactions contemplated by this Agreement, as the case may be; or (d) which might materially and adversely affect the performance by the Depositor of its obligations under, or the validity or enforceability of, this Agreement; and

(x) The beneficial owner of the payments made under the Interest Rate Swap Agreement is either (i) a “U.S. person” (as that term is used in section 1.1441-4(a)(3)(ii) of United States Treasury Regulations) for United States federal income tax purposes or (ii) a “non-U.S. branch of a foreign person” as that term is used in section 1.1441-4(a)(3)(ii) of the United States Treasury Regulations (the “Regulations”) for United States federal income tax purposes, and it is a “foreign person” as that term is used in section 1.6041-4(a)(4) of the Regulations for United States federal income tax purposes. As of the Closing Date, Option One Mortgage Capital Corporation is the beneficial owner of the payments made under the Interest Rate Swap Agreement.

SECTION 2.07. Issuance of Certificates.

The Trustee acknowledges the assignment to it of the Mortgage Loans and the delivery to it of the Mortgage Files, subject to the provisions of Sections 2.01 and 2.02, together with the assignment to it of all other assets included in the Trust Fund, receipt of which is hereby acknowledged. Concurrently with such assignment and delivery and in exchange therefor, the Trustee, pursuant to the written request of the Depositor executed by an officer of the Depositor, has executed, authenticated and delivered to or upon the order of the Depositor, the Certificates in authorized denominations. The interests evidenced by the Certificates, constitute the entire beneficial ownership interest in the Trust Fund.

SECTION 2.08. Authorization to Enter into Interest Rate Swap Agreement.

(a) The Trustee, not in its individual capacity but solely in its separate capacity as Supplemental Interest Trust Trustee, is hereby directed to exercise the rights, perform the obligations, and make any representations to be exercised, performed, or made by the Supplemental Interest Trust Trustee, as described herein. The Supplemental Interest Trust Trustee is hereby directed to execute and deliver the Interest Rate Swap Agreement on behalf of Party B (as defined therein) and to exercise the rights, perform the obligations, and make the representations of Party B thereunder, solely in its capacity as Supplemental Interest Trust Trustee on behalf of Party B (as defined therein) and not in its individual capacity. The Servicer, the Depositor and the Certificateholders (by acceptance of their Certificates) acknowledge and agree that (i) the Supplemental Interest Trust Trustee shall execute and deliver the Interest Rate Swap Agreement on behalf of Party B (as defined therein), (ii) the Supplemental Interest Trust Trustee shall exercise the rights, perform the obligations, and make the representations of Party B thereunder, solely in its capacity as Supplemental Interest Trust Trustee on behalf of Party B (as defined therein) and not in its individual capacity and (iii) the Swap Administrator shall also be entitled to exercise the rights and obligated to perform the obligations of Party B under the Interest Rate Swap Agreement.

Every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall apply to the Supplemental Interest Trust Trustee’s execution of the Interest Rate Swap Agreement, and the performance of its duties and satisfaction of its obligations thereunder.

Every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall apply to the Swap Administrator’s performance of its duties and satisfaction of its obligations under the Interest Rate Swap Agreement.

SECTION 2.09. Conveyance of REMIC Regular Interests and Acceptance of REMIC 2, REMIC 3, REMIC 4, REMIC 5 and REMIC 6 by the Trustee; Issuance of Certificates.

(a) The Depositor, concurrently with the execution and delivery hereof, does hereby transfer, assign, set over and otherwise convey in trust to the Trustee without recourse all the right, title and interest of the Depositor in and to the assets described in the definition of REMIC 1 for the benefit of the holders of the REMIC 1 Regular Interests (which are uncertificated) and the Class R Certificates (in respect of the Class R-1 Interest). The Trustee acknowledges receipt of the assets described in the definition of REMIC 1 and declares that it holds and will hold the same in trust for the exclusive use and benefit of the holders of the REMIC 1 Regular Interests and the Class R Certificates (in respect of the Class R-1 Interest). The interests evidenced by the Class R-1 Interest, together with the REMIC 1 Regular Interests, constitute the entire beneficial ownership interest in REMIC 1.

(b) The Depositor, concurrently with the execution and delivery hereof, does hereby transfer, assign, set over and otherwise convey in trust to the Trustee without recourse all the right, title and interest of the Depositor in and to REMIC 1 Regular Interests for the benefit of the holders of the REMIC 2 Regular Interests (which are uncertificated) and the Class R Certificates (in respect of the Class R-2 Interest). SECTION 2.10. Negative Covenants of the Trustee and the Servicer.

Except as otherwise expressly permitted by this Agreement, the Trustee and the Servicer shall not cause the Trust Fund to:

- (i) sell, transfer, exchange or otherwise dispose of any of the assets of the Trust Fund;
- (ii) dissolve or liquidate the Trust Fund in whole or in part;
- (iii) engage, directly or indirectly, in any business other than that arising out of the issue of the Certificates, and the actions contemplated or required to be performed under this Agreement;
- (iv) incur, create or assume any indebtedness for borrowed money;
- (v) voluntarily file a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceeding; or
- (vi) merge, convert or consolidate with any other Person.

ARTICLE III

ADMINISTRATION AND SERVICING
OF THE MORTGAGE LOANS

SECTION 3.01. Servicer to Act as Servicer.

The Servicer shall service and administer the Mortgage Loans on behalf of the Trust and in the best interests of and for the benefit of the Certificateholders (as determined by the Servicer in its reasonable judgment) in accordance with the terms of this Agreement and the Mortgage Loans and, to the extent consistent with such terms, in the same manner in which it services and administers similar mortgage loans for its own portfolio, giving due consideration to customary and usual standards of practice of mortgage lenders and loan servicers administering similar mortgage loans but without regard to:

- (A) any relationship that the Servicer, any Sub-Servicer or any Affiliate of the Servicer or any Sub-Servicer may have with the related Mortgagor;
- (B) the ownership or non-ownership of any Certificate by the Servicer or any Affiliate of the Servicer;
- (C) the Servicer's obligation to make Advances or Servicing Advances; or
- (D) the Servicer's or any Sub-Servicer's right to receive compensation for its services hereunder or with respect to any particular transaction.

To the extent consistent with the foregoing, the Servicer (a) shall seek the timely and complete recovery of principal and interest on the Mortgage Notes and (b) shall waive (or permit a Sub-Servicer to waive) a Prepayment Charge only under the following circumstances: (i) such waiver is standard and customary in servicing similar Mortgage Loans and (ii) either (A) such waiver relates to a default or a reasonably foreseeable default and would, in the reasonable judgment of the Servicer, maximize recovery of total proceeds taking into account the value of such Prepayment Charge and the related Mortgage Loan or (B) such waiver is made in connection with a refinancing of the related Mortgage Loan unrelated to a default or a reasonably foreseeable default where (x) the related Mortgagor has stated to the Servicer or an applicable Sub-Servicer an intention to refinance the related Mortgage Loan and (y) the Servicer has concluded in its reasonable judgment that the waiver of such Prepayment Charge would induce such mortgagor to refinance with the Servicer; provided, however, that the Servicer shall waive no more than 5.00% of the Prepayment Charges (by number of Prepayment Charges) set forth on the Prepayment Charge Schedule in accordance with clause (ii)(B) above. If a Prepayment Charge is waived as permitted by meeting the standards described in clauses (i) and (ii)(B) above, then the Servicer is required to pay the amount of such waived Prepayment Charge, for the benefit of the Holders of the Class P Certificates, by depositing such amount into the Collection Account together with and at the time that the amount prepaid on the related Mortgage Loan is required to be deposited into the Collection Account. Notwithstanding any other provisions of this Agreement, any payments made by the Servicer in respect of any waived Prepayment Charges pursuant to clauses (i) and (ii)(B) above shall be deemed to be paid outside of the Trust Fund. Subject only to the above-described servicing standards and the terms of this Agreement and of the Mortgage Loans, the Servicer shall have full power and authority, acting alone or through Sub-Servicers as provided in Section 3.02, to do or cause to be done any and all things in connection with such servicing and administration which it may deem necessary or desirable. Without limiting the generality of the foregoing, the Servicer in its own name or in the name of a Sub-Servicer is hereby authorized and empowered by the Trustee when the Servicer believes it appropriate in its best judgment in accordance with the servicing standards set forth above, to execute and deliver, on behalf of the Certificateholders and the Trustee, and upon notice to the Trustee, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge, and all other comparable instruments, with respect to the Mortgage Loans and the Mortgaged Properties and to institute foreclosure proceedings or obtain a deed-in-lieu of foreclosure so as to convert the ownership of such properties, and to hold or cause to be held title to such properties, on behalf of the Trustee and Certificateholders. The Servicer shall service and administer the Mortgage Loans in accordance with applicable state and federal law and shall provide to the Mortgagors any reports required to be provided to them thereby. The Servicer shall also comply in the performance of this Agreement with all reasonable rules and requirements of each insurer under any standard hazard insurance policy. Subject to Section 3.17, within 15 days of the Closing Date, the Trustee shall execute, at the written request of the Servicer, and furnish to the Servicer and any Sub-Servicer any special or limited powers of attorney for each county in which a Mortgaged Property is located and other documents necessary or appropriate to enable the Servicer or any Sub-Servicer to carry out their servicing and administrative duties hereunder; provided, such limited powers of attorney or other documents shall be prepared by the Servicer and submitted to the Trustee for execution. The Trustee shall not be liable for the actions of the Servicer or any Sub-Servicers under such powers of attorney.

Subject to Section 3.09 hereof, in accordance with the standards of the preceding paragraph, the Servicer shall advance or cause to be advanced funds as necessary for the purpose of effecting the payment of taxes and assessments on the Mortgaged Properties, which advances shall be Servicing Advances reimbursable in the first instance from related collections from the Mortgagors pursuant to Section 3.09, and further as provided in Section 3.11. Any cost incurred by the Servicer or by Sub-Servicers in effecting the payment of taxes and assessments on a Mortgaged Property shall not, for the purpose of calculating distributions to Certificateholders, be added to the unpaid principal balance of the related Mortgage Loan, notwithstanding that the terms of such Mortgage Loan so permit.

Notwithstanding anything in this Agreement to the contrary, the Servicer may not make any future advances with respect to a Mortgage Loan (except as provided in Section 4.04) and the Servicer shall not (i) permit any modification with respect to any Mortgage Loan that would change the Mortgage Rate, reduce or increase the Principal Balance (except for reductions resulting from actual payments of principal) or change the final maturity date on such Mortgage Loan (unless, as

provided in Section 3.07, the Mortgagor is in default with respect to the Mortgage Loan or such default is, in the judgment of the Servicer, reasonably foreseeable) or (ii) permit any modification, waiver or amendment of any term of any Mortgage Loan that would both (A) effect an exchange or reissuance of such Mortgage Loan under Section 1001 of the Code (or Treasury regulations promulgated thereunder) and (B) cause any REMIC created hereunder to fail to qualify as a REMIC under the Code or the imposition of any tax on "prohibited transactions" or "contributions after the startup date" under the REMIC Provisions.

The Servicer further is hereby authorized and empowered in its own name or in the name of a Sub-Servicer, when the Servicer or a Sub-Servicer, as the case may be, believes it is appropriate in its best judgment, at its own expense, to register any Mortgage Loan on the MERS® System, or cause the removal from the registration of any Mortgage Loan on the MERS® System, to execute and deliver, on behalf of the Trustee and the Certificateholders or any of them, any and all instruments of assignment and other comparable instruments with respect to such assignment or re-recording of a Mortgage in the name of MERS, solely as nominee for the Trustee and its successors and assigns.

SECTION 3.02. Sub-Servicing Agreements Between Servicer and Sub-Servicers.

(a) The Servicer may enter into Sub-Servicing Agreements with Sub-Servicers for the servicing and administration of the Mortgage Loans; provided, however, that (i) such agreements would not result in a withdrawal or a downgrading by any Rating Agency of the rating on any Class of Certificates and (ii) the NIMS Insurer shall have consented to such Sub-Servicing Agreement. The Trustee is hereby authorized to acknowledge, at the request of the Servicer, any Sub-Servicing Agreement that meets the requirements applicable to Sub-Servicing Agreements set forth in this Agreement and that is otherwise permitted under this Agreement.

Each Sub-Servicer shall be (i) authorized to transact business in the state or states where the related Mortgaged Properties it is to service are situated, if and to the extent required by applicable law to enable the Sub-Servicer to perform its obligations hereunder and under the Sub-Servicing Agreement and (ii) a Freddie Mac or Fannie Mae approved mortgage servicer. Each Sub-Servicing Agreement must impose on the Sub-Servicer requirements conforming to the provisions set forth in Section 3.08 and provide for servicing of the Mortgage Loans consistent with the terms of this Agreement. The Servicer will examine each Sub-Servicing Agreement and will be familiar with the terms thereof. The terms of any Sub-Servicing Agreement will not be inconsistent with any of the provisions of this Agreement. The Servicer and the Sub-Servicers may enter into and make amendments to the Sub-Servicing Agreements or enter into different forms of Sub-Servicing Agreements; provided, however, that any such amendments or different forms shall be consistent with and not violate the provisions of this Agreement, and that no such amendment or different form shall be made or entered into which could be reasonably expected to be materially adverse to the interests of the Certificateholders without the consent of the Holders of Certificates entitled to at least 66% of the Voting Rights; provided, further, that the consent of the Holders of Certificates entitled to at least 66% of the Voting Rights shall not be required (i) to cure any ambiguity or defect in a Sub-Servicing Agreement, (ii) to correct, modify or supplement any provisions of a Sub-Servicing Agreement, or (iii) to make any other provisions with respect to matters or questions arising under a Sub-Servicing Agreement, which, in each case, shall not be inconsistent with the provisions of this Agreement. Any variation without the consent of the Holders of Certificates entitled to at least 66% of the Voting Rights from the provisions set forth in Section 3.08 relating to insurance or priority requirements of Sub-Servicing Accounts, or credits and charges to the Sub-Servicing Accounts or the timing and amount of remittances by the Sub-Servicers to the Servicer, are conclusively deemed to be inconsistent with this Agreement and therefore prohibited. The Servicer shall deliver to the NIMS Insurer and the Trustee copies of all Sub-Servicing Agreements, and any amendments or modifications thereof, promptly upon the Servicer's execution and delivery of such instruments.

(b) As part of its servicing activities hereunder, the Servicer, for the benefit of the Trustee and the Certificateholders, shall enforce the obligations of each Sub-Servicer under the related Sub-Servicing Agreement and of the Originator under the Mortgage Loan Purchase Agreement, including, without limitation, any obligation to make advances in respect of delinquent payments as required by a Sub-Servicing Agreement, or to purchase a Mortgage Loan on account of missing or defective documentation or on account of a breach of a representation, warranty or covenant, as described in Section 2.03(a). Such enforcement, including, without limitation, the legal prosecution of claims, termination of Sub-Servicing Agreements, and the pursuit of other appropriate remedies, shall be in such form and carried out to such an extent and at such time as the Servicer, in its good faith business judgment, would require were it the owner of the related Mortgage Loans. The Servicer shall pay the costs of such enforcement at its own expense, and shall be reimbursed therefor only (i) from a general recovery resulting from such enforcement, to the extent, if any, that such recovery exceeds all amounts due in respect of the related Mortgage Loans, or (ii) from a specific recovery of costs, expenses or attorneys' fees against the party against whom such enforcement is directed. Enforcement of the Mortgage Loan Purchase Agreement against the Originator shall be effected by the Servicer to the extent it is not the Originator, and otherwise by the Trustee in accordance with the foregoing provisions of this paragraph.

SECTION 3.03. Successor Sub-Servicers.

The Servicer, with the consent of the NIMS Insurer, shall be entitled to terminate any Sub-Servicing Agreement and the rights and obligations of any Sub-Servicer pursuant to any Sub-Servicing Agreement in accordance with the terms and conditions of such Sub-Servicing Agreement. In the event of termination of any Sub-Servicer, all servicing obligations of such Sub-Servicer shall be assumed simultaneously by the Servicer without any act or deed on the part of such Sub-Servicer or the Servicer, and the Servicer either shall service directly the related Mortgage Loans or shall enter into a Sub-Servicing Agreement with a successor Sub-Servicer which qualifies under Section 3.02.

Any Sub-Servicing Agreement shall include the provision that such agreement may be immediately terminated by the Servicer or the Trustee (if the Trustee is acting as Servicer) without fee, in accordance with the terms of this Agreement, in the event that the Servicer (or the Trustee, if such party is then acting as Servicer) shall, for any reason, no longer be the Servicer (including termination due to a Servicer Event of Termination).

SECTION 3.04. Liability of the Servicer.

Notwithstanding any Sub-Servicing Agreement or the provisions of this Agreement relating to agreements or arrangements between the Servicer and a Sub-Servicer or reference to actions taken through a Sub-Servicer or otherwise, the Servicer shall remain obligated and primarily liable to the Trustee and the Certificateholders for the servicing and administering of the Mortgage Loans in accordance with the provisions of Section 3.01 without diminution of such obligation or liability by virtue of such Sub-Servicing Agreements or arrangements or by virtue of indemnification from the Sub-Servicer and to the same extent and under the same terms and conditions as if the Servicer alone were servicing and administering the Mortgage Loans. The Servicer shall be entitled to enter into any agreement with a Sub-Servicer for indemnification of the Servicer by such Sub-Servicer and nothing contained in this Agreement shall be deemed to limit or modify such indemnification.

SECTION 3.05. No Contractual Relationship Between Sub-Servicers and the NIMS Insurer, the Trustee or Certificateholders.

Any Sub-Servicing Agreement that may be entered into and any transactions or services relating to the Mortgage Loans involving a Sub-Servicer in its capacity as such shall be deemed to be between the Sub-Servicer and the Servicer alone, and the NIMS Insurer, the Trustee or Certificateholders shall not be deemed parties thereto and shall have no claims, rights, obligations, duties or liabilities with respect to the Sub-Servicer except as set forth in Section 3.06. The Servicer shall be solely liable for all fees owed by it to any Sub-Servicer, irrespective of whether the Servicer's compensation pursuant to this Agreement is sufficient to pay such fees.

SECTION 3.06. Assumption or Termination of Sub-Servicing Agreements by Trustee.

In the event the Servicer shall for any reason no longer be the servicer (including by reason of the occurrence of a Servicer Event of Termination), the Trustee shall thereupon assume all of the rights and obligations of the Servicer under each Sub-Servicing Agreement that the Servicer may have entered into, unless the Trustee elects to terminate any Sub-Servicing Agreement in accordance with its terms as provided in Section 3.03. Upon such assumption, the Trustee (or the successor servicer appointed pursuant to Section 7.02) shall be deemed, subject to Section 3.03, to have assumed all of the departing Servicer's interest therein and to have replaced the departing Servicer as a party to each Sub-Servicing Agreement to the same extent as if each Sub-Servicing Agreement had been assigned to the assuming party, except that (i) the departing Servicer shall not thereby be relieved of any liability or obligations under any Sub-Servicing Agreement that arose before it ceased to be the

Servicer and (ii) neither the Trustee nor any successor Servicer shall be deemed to have assumed any liability or obligation of the Servicer that arose before it ceased to be the Servicer.

The Servicer at its expense shall, upon request of Trustee, deliver to the assuming party all documents and records relating to each Sub-Servicing Agreement and the Mortgage Loans then being serviced and an accounting of amounts collected and held by or on behalf of it, and otherwise use its best efforts to effect the orderly and efficient transfer of the Sub-Servicing Agreements to the assuming party. All Servicing Transfer Costs shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs, and if such predecessor Servicer defaults in its obligation to pay such costs, such costs shall be paid by the successor Servicer or the Trustee (in which case the successor Servicer or the Trustee, as applicable, shall be entitled to reimbursement therefor from the assets of the Trust).

SECTION 3.07. Collection of Certain Mortgage Loan Payments.

The Servicer shall make reasonable efforts to collect all payments called for under the terms and provisions of the Mortgage Loans, and shall, to the extent such procedures shall be consistent with this Agreement and the terms and provisions of any applicable insurance policies, follow such collection procedures as it would follow with respect to mortgage loans comparable to the Mortgage Loans and held for its own account. Consistent with the foregoing, the Servicer may in its discretion (i) waive any late payment charge or, if applicable, any penalty interest, or (ii) extend the due dates for the Monthly Payments due on a Mortgage Note for a period of not greater than 180 days; provided, however, that any extension pursuant to clause (ii) above shall not affect the amortization schedule of any Mortgage Loan for purposes of any computation hereunder, except as provided below. In the event of any such arrangement pursuant to clause (ii) above, the Servicer shall make timely Advances on such Mortgage Loan during such extension pursuant to Section 4.04 and in accordance with the amortization schedule of such Mortgage Loan without modification thereof by reason of such arrangement.

Notwithstanding the foregoing, in the event that any Mortgage Loan is in default or, in the judgment of the Servicer, such default is reasonably foreseeable, the Servicer, consistent with the standards set forth in Section 3.01, may also waive, modify or vary any term of such Mortgage Loan (including modifications that would change the Mortgage Rate, forgive the payment of principal or interest, capitalize the interest portion of past due Monthly Payments and outstanding Servicing Advances, or extend the final maturity date of such Mortgage Loan), accept payment from the related Mortgagor of an amount less than the Stated Principal Balance in final satisfaction of such Mortgage Loan, or consent to the postponement of strict compliance with any such term or otherwise grant indulgence to any Mortgagor (any and all such waivers, modifications, variances, forgiveness of principal or interest, postponements, or indulgences collectively referred to herein as "forbearance"); provided, however, that in no event shall the Servicer grant any such forbearance (other than as permitted by the second sentence of this Section) with respect to any one Mortgage Loan more than once in any 12 month period or more than three times over the life of such Mortgage Loan, provided, further, that in determining which course of action permitted by this sentence it shall pursue, the Servicer shall adhere to the Loss Mitigation Procedures and provided, further, that the NIMS Insurer's prior written consent shall be required for any modification, waiver or amendment if the aggregate number of outstanding Mortgage Loans which have been modified, waived or amended exceeds 5% of the number of Mortgage Loans as of the Cut-off Date. The Servicer's analysis supporting any forbearance and the conclusion that any forbearance meets the standards of Section 3.01 and the Loss Mitigation Procedures shall be reflected in writing in the Mortgage File.

SECTION 3.08. Sub-Servicing Accounts.

In those cases where a Sub-Servicer is servicing a Mortgage Loan pursuant to a Sub-Servicing Agreement, the Sub-Servicer will be required to establish and maintain one or more accounts (collectively, the "Sub-Servicing Account"). The Sub-Servicing Account shall be an Eligible Account and shall comply with all requirements of this Agreement relating to the Collection Account. The Sub-Servicer shall deposit in the clearing account in which it customarily deposits payments and collections on mortgage loans in connection with its mortgage loan servicing activities on a daily basis, and in no event more than one Business Day after the Sub-Servicer's receipt thereof, all proceeds of Mortgage Loans received by the Sub-Servicer less its servicing compensation to the extent permitted by the Sub-Servicing Agreement, and shall thereafter deposit such amounts in the Sub-Servicing Account, in no event more than two Business Days after the receipt of such amounts. The Sub-Servicer shall thereafter deposit such proceeds in the Collection Account or remit such proceeds to the Servicer for deposit in the Collection Account not later than two Business Days after the deposit of such amounts in the Sub-Servicing Account. For purposes of this Agreement, the Servicer shall be deemed to have received payments on the Mortgage Loans when the Sub-Servicer receives such payments.

SECTION 3.09. Collection of Taxes, Assessments and Similar Items; Servicing Accounts.

The Servicer shall establish and maintain, or cause to be established and maintained, one or more accounts (the "Servicing Accounts"), into which all Escrow Payments shall be deposited and retained. Servicing Accounts shall be Eligible Accounts. The Servicer shall deposit in the clearing account in which it customarily deposits payments and collections on mortgage loans in connection with its mortgage loan servicing activities on a daily basis, and in no event more than one Business Day after the Servicer's receipt thereof, all Escrow Payments collected on account of the Mortgage Loans and shall thereafter deposit such Escrow Payments in the Servicing Accounts, in no event more than two Business Days after the deposit of such funds in the clearing account, all Escrow Payments collected on account of the Mortgage Loans for the purpose of effecting the timely payment of any such items as required under the terms of this Agreement. Withdrawals of amounts from a Servicing Account may be made only to (i) effect payment of taxes, assessments, hazard insurance premiums, and comparable items in a manner and at a time that assures that the lien priority of the Mortgage is not jeopardized (or, with respect to the payment of taxes, in a manner and at a time that avoids the loss of the Mortgaged Property due to a tax sale or the foreclosure as a result of a tax lien); (ii) reimburse the Servicer (or a Sub-Servicer to the extent provided in the related Sub-Servicing Agreement) out of related collections for any Servicing Advances made pursuant to Section 3.01 (with respect to taxes and assessments) and Section 3.14 (with respect to hazard insurance); (iii) refund to Mortgagors any sums as may be determined to be overages; (iv) pay interest to the Servicer or, if required and as described below, to Mortgagors on balances in the Servicing Account; or (v) clear and terminate the Servicing Account at the termination of the Servicer's obligations and responsibilities in respect of the Mortgage Loans under this Agreement in accordance with Article X. In the event the Servicer deposits in a Servicing Account any amount not required to be deposited therein, it may at any time withdraw such amount from such Servicing Account, any provision herein to the contrary notwithstanding. The Servicer will be responsible for the administration of the Servicing Accounts and will be obligated to make Servicing Advances to such accounts when and as necessary to avoid the lapse of insurance coverage on the Mortgaged Property, or which the Servicer knows, or in the exercise of the required standard of care of the Servicer hereunder should know, is necessary to avoid the loss of the Mortgaged Property due to a tax sale or the foreclosure as a result of a tax lien. If any such payment has not been made and the Servicer receives notice of a tax lien with respect to the Mortgage being imposed, the Servicer shall, within 10 business days of such notice, advance or cause to be advanced funds necessary to discharge such lien on the Mortgaged Property. As part of its servicing duties, the Servicer or Sub-Servicers shall pay to the Mortgagors interest on funds in the Servicing Accounts, to the extent required by law and, to the extent that interest earned on funds in the Servicing Accounts is insufficient, to pay such interest from its or their own funds, without any reimbursement therefor. The Servicer may pay to itself any excess interest on funds in the Servicing Accounts, to the extent such action is in conformity with the Servicing Standard, is permitted by law and such amounts are not required to be paid to Mortgagors or used for any of the other purposes set forth above.

SECTION 3.10. Collection Account and Distribution Account.

(a) On behalf of the Trust Fund, the Servicer shall establish and maintain, or cause to be established and maintained, one or more accounts (such account or accounts, the "Collection Account"), held in trust for the benefit of the Trustee and the Certificateholders. On behalf of the Trust Fund, the Servicer shall deposit or cause to be deposited in the clearing account in which it customarily deposits payments and collections on mortgage loans in connection with its mortgage loan servicing activities on a daily basis, and in no event more than one Business Day after the Servicer's receipt thereof, and shall thereafter deposit in the Collection Account, in no event more than two Business Days after the deposit of such funds in the clearing account, as and when received or as otherwise required hereunder, the following payments and collections received or made by it subsequent to the Cut-off Date (other than in respect of principal or interest on the Mortgage Loans due on or before the Cut-off Date) or payments (other than Principal Prepayments) received by it on or prior to the Cut-off Date but allocable to a Due Period subsequent thereto:

- (i) all payments on account of principal, including Principal Prepayments (but not Prepayment Charges), on the Mortgage Loans;

- (ii) all payments on account of interest (net of the related Servicing Fee) on each Mortgage Loan;
- (iii) all Insurance Proceeds, Liquidation Proceeds, Subsequent Recoveries and condemnation proceeds (other than proceeds collected in respect of any particular REO Property and amounts paid in connection with a purchase of Mortgage Loans and REO Properties pursuant to Section 10.01);
- (iv) any amounts required to be deposited pursuant to Section 3.12 in connection with any losses realized on Permitted Investments with respect to funds held in the Collection Account;
- (v) any amounts required to be deposited by the Servicer pursuant to the second paragraph of Section 3.14(a) in respect of any blanket policy deductibles;
- (vi) all proceeds of any Mortgage Loan repurchased or purchased in accordance with Section 2.03 or Section 10.01;
- (vii) all amounts required to be deposited in connection with Substitution Adjustments pursuant to Section 2.03;
- (viii) all Prepayment Charges collected by the Servicer and any Servicer Prepayment Charge Payment Amounts in connection with the Principal Prepayment of any of the Mortgage Loans; and
- (ix) [reserved].

The foregoing requirements for deposit in the Collection Account shall be exclusive, it being understood and agreed that, without limiting the generality of the foregoing, payments in the nature of Servicing Fees, late payment charges, assumption fees, insufficient funds charges and ancillary income (other than Prepayment Charges) need not be deposited by the Servicer in the Collection Account and may be retained by the Servicer as additional compensation. In the event the Servicer shall deposit in the Collection Account any amount not required to be deposited therein, it may at any time withdraw such amount from the Collection Account, any provision herein to the contrary notwithstanding.

(b) On behalf of the Trust Fund, the Trustee shall establish and maintain one or more accounts (such account or accounts, the "Distribution Account"), held in trust for the benefit of the Trustee and the Certificateholders. On behalf of the Trust Fund, the Servicer shall deliver to the Trustee in immediately available funds for deposit in the Distribution Account on or before 1:00 p.m. New York time (i) on the Servicer Remittance Date, that portion of the Available Funds (calculated without regard to the references in the definition thereof to amounts that may be withdrawn from the Distribution Account) for the related Distribution Date then on deposit in the Collection Account, the amount of all Prepayment Charges collected during the applicable Prepayment Period by the Servicer and Servicer Prepayment Charge Payment Amounts in connection with the Principal Prepayment of any of the Mortgage Loans then on deposit in the Collection Account for the related Distribution Date, then on deposit in the Collection Account and the amount of any funds reimbursable to an Advancing Person pursuant to Section 3.29, and (ii) on each Business Day as of the commencement of which the balance on deposit in the Collection Account exceeds \$75,000 following any withdrawals pursuant to the next succeeding sentence, the amount of such excess, but only if the Collection Account constitutes an Eligible Account solely pursuant to clause (ii) of the definition of "Eligible Account." If the balance on deposit in the Collection Account exceeds \$75,000 as of the commencement of business on any Business Day and the Collection Account constitutes an Eligible Account solely pursuant to clause (ii) of the definition of "Eligible Account," the Servicer shall, on or before 1:00 p.m. New York time on such Business Day, withdraw from the Collection Account any and all amounts payable or reimbursable to the Servicer, the Trustee, the Originator or any Sub-Servicer pursuant to Section 3.11 and shall pay such amounts to the Persons entitled thereto.

(c) Funds in the Collection Account and the Distribution Account may be invested in Permitted Investments in accordance with the provisions set forth in Section 3.12. The Servicer shall give notice to the NIMS Insurer and the Trustee of the location of the Collection Account maintained by it when established and prior to any change thereof. The Trustee shall give notice to the NIMS Insurer, the Servicer and the Depositor of the location of the Distribution Account when established and prior to any change thereof.

(d) Funds held in the Collection Account at any time may be delivered by the Servicer to the Trustee for deposit in an account (which may be the Distribution Account and must satisfy the standards for the Distribution Account as set forth in the definition thereof) and for all purposes of this Agreement shall be deemed to be a part of the Collection Account; provided, however, that the Trustee shall have the sole authority to withdraw any funds held pursuant to this subsection (d). In the event the Servicer shall deliver to the Trustee for deposit in the Distribution Account any amount not required to be deposited therein, it may at any time request that the Trustee withdraw such amount from the Distribution Account and remit to it any such amount, any provision herein to the contrary notwithstanding. In addition, the Servicer, with respect to items (i) through (iv) below, shall deliver to the Trustee from time to time for deposit, and the Trustee, with respect to items (i) through (iv) below, shall so deposit, in the Distribution Account:

- (i) any Advances, as required pursuant to Section 4.04;
- (ii) any amounts required to be deposited pursuant to Section 3.23(d) or (f) in connection with any REO Property;
- (iii) any amounts to be paid in connection with a purchase of Mortgage Loans and REO Properties pursuant to Section 10.01;
- (iv) any Compensating Interest to be deposited pursuant to Section 3.24 in connection with any Prepayment Interest Shortfall; and
- (v) any amounts required to be paid to the Trustee pursuant to the Agreement, including, but not limited to Section 3.06, Section 3.26 and Section 7.02.
- (e) [Reserved].

(f) The Servicer shall deposit in the Collection Account any amounts required to be deposited pursuant to Section 3.12(b) in connection with losses realized on Permitted Investments with respect to funds held in the Collection Account.

SECTION 3.11. Withdrawals from the Collection Account and Distribution Account.

- Section 4.04:
- (a) The Servicer shall, from time to time, make withdrawals from the Collection Account for any of the following purposes or as described in
 - (i) to remit to the Trustee for deposit in the Distribution Account the amounts required to be so remitted pursuant to Section 3.10(b) or permitted to be so remitted pursuant to the first sentence of Section 3.10(d);
 - (ii) subject to Section 3.16(d), to reimburse the Servicer for (a) any unreimbursed Advances to the extent of amounts received which represent Late Collections (net of the related Servicing Fees) of Monthly Payments or Liquidation Proceeds and Insurance Proceeds on Mortgage Loans with respect to which such Advances were made in accordance with the provisions of Section 4.04; (b) any unreimbursed Advances with respect to the final liquidation of a Mortgage Loan that are Nonrecoverable Advances, but only to the extent that Late Collections, including, Liquidation Proceeds and Insurance Proceeds received with respect to such Mortgage Loan are insufficient to reimburse the Servicer for such unreimbursed Advances; or (c) subject to Section 4.04(b), any

unreimbursed Advances to the extent of funds held in the Collection Account for future distribution that were not included in Available Funds for the preceding Distribution Date;

(iii) subject to Section 3.16(d), to pay the Servicer or any Sub-Servicer (a) any unpaid Servicing Fees, but only to the extent of the interest portion of any Late Collections, including Liquidation Proceeds, Insurance Proceeds and condemnation proceeds received with respect to such Mortgage Loan, (b) any unreimbursed Servicing Advances with respect to each Mortgage Loan, but only to the extent of any Late Collections, including, Liquidation Proceeds, Insurance Proceeds and condemnation proceeds received with respect to such Mortgage Loan, (c) any Servicing Fees with respect to the final liquidation of a Mortgage Loan, but only to the extent that Late Collections, including, Liquidation Proceeds and Insurance Proceeds received with respect to such Mortgage Loan are insufficient to pay the Servicer or any Sub-Servicer for unpaid Servicing Fees, and (d) any Servicing Advances with respect to the final liquidation of a Mortgage Loan that are Nonrecoverable Advances, but only to the extent that Late Collections, including, Liquidation Proceeds and Insurance Proceeds received with respect to such Mortgage Loan are insufficient to reimburse the Servicer or any Sub-Servicer for Servicing Advances;

(iv) to pay to the Servicer as servicing compensation (in addition to the Servicing Fee) on the Servicer Remittance Date any interest or investment income earned on funds deposited in the Collection Account;

(v) to pay to the Originator, with respect to each Mortgage Loan that has previously been purchased or replaced pursuant to Section 2.03 or Section 3.16(c) all amounts received thereon subsequent to the date of purchase or substitution, as the case may be;

(vi) to reimburse the Servicer for any Advance or Servicing Advance previously made which the Servicer has determined to be a Nonrecoverable Advance in accordance with the provisions of Section 4.04;

(vii) to pay, or to reimburse the Servicer for Servicing Advances in respect of, expenses incurred in connection with any Mortgage Loan pursuant to Section 3.16(b);

(viii) to reimburse the Servicer for expenses incurred by or reimbursable to the Servicer pursuant to Section 6.03;

(ix) to reimburse the NIMS Insurer, the Servicer (if the Servicer is not an Affiliate of the Originator) or the Trustee, as the case may be, for enforcement expenses reasonably incurred in respect of the breach or defect giving rise to the purchase obligation under Section 2.03 of this Agreement that were included in the Purchase Price of the Mortgage Loan, including any expenses arising out of the enforcement of the purchase obligation;

(x) to pay itself any Prepayment Interest Excess;

(xi) to clear and terminate the Collection Account pursuant to Section 10.01.

The foregoing requirements for withdrawal from the Collection Account shall be exclusive. In the event the Servicer shall deposit in the Collection Account any amount not required to be deposited therein, it may at any time withdraw such amount from the Collection Account, any provision herein to the contrary notwithstanding.

The Servicer shall keep and maintain separate accounting, on a Mortgage Loan by Mortgage Loan basis, for the purpose of justifying any withdrawal from the Collection Account, to the extent held by or on behalf of it, pursuant to subclauses (ii), (iii), (v), (vi), (ix) and (x) above. The Servicer shall provide written notification to the NIMS Insurer and the Trustee, on or prior to the next succeeding Servicer Remittance Date, upon making any withdrawals from the Collection Account pursuant to subclause (vi) above; provided that an Officers' Certificate in the form described under Section 4.04(d) shall suffice for such written notification to the Trustee in respect hereof.

(b) The Trustee shall, from time to time, make withdrawals from the Distribution Account, for any of the following purposes, without priority:

(i) to make distributions to the Swap Account in accordance with Section 4.08;

(ii) to make distributions in accordance with Section 4.01;

(iii) to pay itself the Trustee Fee and any other amounts owed to it pursuant to Section 8.05;

(iv) to pay any amounts in respect of taxes pursuant to Section 9.01(g);

(v) to clear and terminate the Distribution Account pursuant to Section 10.01;

(vi) to pay any amounts required to be paid to the Trustee pursuant to this Agreement, including but not limited to funds required to be paid pursuant to Section 3.06 and Section 7.02;

(vii) to pay to the Trustee, any interest or investment income earned on funds deposited in the Distribution Account; and

(viii) to pay to an Advancing Person reimbursements for Advances and/or Servicing Advances pursuant to Section 3.29.

SECTION 3.12. Investment of Funds in the Collection Account and the Distribution Account.

(a) The Servicer may direct any depository institution maintaining the Collection Account to invest the funds on deposit in such accounts, and the Trustee may invest the funds on deposit in the Distribution Account (each such account, for the purposes of this Section 3.12 an "Investment Account"). All investments pursuant to this Section 3.12 shall be in one or more Permitted Investments bearing interest or sold at a discount, and maturing, unless payable on demand, (i) no later than the Business Day immediately preceding the date on which such funds are required to be withdrawn from such account pursuant to this Agreement, if a Person other than the Trustee is the obligor thereon or if such investment is managed or advised by a Person other than the Trustee or an Affiliate of the Trustee, and (ii) no later than the date on which such funds are required to be withdrawn from such account pursuant to this Agreement, if the Trustee is the obligor thereon or if such investment is managed or advised by the Trustee or any Affiliate. All such Permitted Investments shall be held to maturity, unless payable on demand. Any investment of funds in an Investment Account shall be made in the name of the Trustee (in its capacity as such), or in the name of a nominee of the Trustee. The Trustee shall be entitled to sole possession (except with respect to investment direction of funds held in the Collection Account and any income and gain realized thereon) over each such investment, and any certificate or other instrument evidencing any such investment shall be delivered directly to the Trustee or its agent, together with any document of transfer necessary to transfer title to such investment to the Trustee or its nominee. In the event amounts on deposit in an Investment Account are at any time invested in a Permitted Investment payable on demand, the Trustee shall:

(x) consistent with any notice required to be given thereunder, demand that payment thereon be made on the last day such Permitted Investment may otherwise mature hereunder in an amount equal to the lesser of (1) all amounts then payable thereunder and (2) the amount required to be withdrawn on such date; and

(y) demand payment of all amounts due thereunder promptly upon determination by a Responsible Officer of the Trustee that such Permitted

Investment would not constitute a Permitted Investment in respect of funds thereafter on deposit in the Investment Account.

(b) All income and gain realized from the investment of funds deposited in the Collection Account and any REO Account held by or on behalf of the Servicer shall be for the benefit of the Servicer and shall be subject to its withdrawal in accordance with Section 3.11 or Section 3.23, as applicable. The Servicer shall deposit in the Collection Account or any REO Account, as applicable, the amount of any loss of principal incurred in respect of any such Permitted Investment made with funds in such account immediately upon realization of such loss.

(c) All income and gain realized from the investment of funds deposited in the Distribution Account shall be for the benefit of the Trustee. The Trustee shall deposit in the Distribution Account the amount of any loss of principal incurred in respect of any such Permitted Investment made with funds in such accounts immediately upon realization of such loss.

(d) Except as otherwise expressly provided in this Agreement, if any default occurs in the making of a payment due under any Permitted Investment, or if a default occurs in any other performance required under any Permitted Investment, the Trustee may and, subject to Section 8.01 and Section 8.02(a)(v), upon the request of the NIMS Insurer or the Holders of Certificates representing more than 50% of the Voting Rights allocated to any Class of Certificates, shall take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate proceedings.

SECTION 3.13. Rights of the Class C Certificateholder.

(a) Notwithstanding anything to the contrary contained in this Agreement, (i) the majority Holder of the Class C Certificates (as long as such majority Holder is not the Servicer or an Affiliate of the Servicer or if the Class C Certificates are secured by an Indenture, as long as the Servicer or an Affiliate of the Servicer is not the majority equity holder in such transaction) shall have the right (with the consent of the Servicing Rights Pledgee) to direct the Trustee to appoint a qualified successor servicer who will act as successor in all respects to the Servicer in the event of a Servicer Event of Termination pursuant to Article VII and (ii) the majority Holder of the Class C Certificates (as long as such majority Holder is not the Servicer or an Affiliate of the Servicer or if the Class C Certificates are secured by an Indenture, as long as the Servicer or an Affiliate of the Servicer is not the majority equity holder in such transaction) shall have the right to direct the Servicer to transfer the servicing of any Mortgage Loans Delinquent 120 days or more to a special servicer in the event of a Special Servicer Trigger Event, for so long as the appointment of such special servicer (i) shall not cause a downgrade or withdrawal of the ratings on the Class A and Mezzanine Certificates, (ii) shall meet the eligibility requirements of a servicer under Section 7.02 and (iii) shall service in accordance with this Agreement. A special servicer shall be entitled to the Servicing Fee for the Mortgage Loans serviced by it and any excess fees due to such special servicer shall be paid by the majority Holder of the Class C Certificates.

A Special Servicer Trigger Event ("Special Servicer Trigger Event") shall be in effect with respect to any Distribution Date if:

(a) the Servicer's primary servicer rating for the servicing of residential mortgage loans is reduced by more than one full level or withdrawn, in each case by at least two of the Rating Agencies; or

(b) the Delinquency Percentage exceeds 30.00%; or

(c) the aggregate amount of Realized Losses incurred since the Cut-off Date through the last day of the related Due Period (after reduction for all Subsequent Recoveries received from the Cut-off Date through the Prepayment Period) divided by the aggregate Cut-off Date Principal Balance exceeds 4.00% with respect to such Distribution Date.

SECTION 3.14. Maintenance of Hazard Insurance and Errors and Omissions and Fidelity Coverage.

(a) The Servicer shall cause to be maintained for each Mortgage Loan hazard insurance with extended coverage on the Mortgaged Property in an amount which is at least equal to the lesser of (i) the current Principal Balance of such Mortgage Loan and (ii) the amount necessary to fully compensate for any damage or loss to the improvements that are a part of such property on a replacement cost basis, in each case in an amount not less than such amount as is necessary to avoid the application of any coinsurance clause contained in the related hazard insurance policy. The Servicer shall also cause to be maintained hazard insurance with extended coverage on each REO Property in an amount which is at least equal to the lesser of (i) the maximum insurable value of the improvements which are a part of such property and (ii) the outstanding Principal Balance of the related Mortgage Loan at the time it became an REO Property. The Servicer will comply in the performance of this Agreement with all reasonable rules and requirements of each insurer under any such hazard policies. Any amounts to be collected by the Servicer under any such policies (other than amounts to be applied to the restoration or repair of the property subject to the related Mortgage or amounts to be released to the Mortgagor in accordance with the procedures that the Servicer would follow in servicing loans held for its own account, subject to the terms and conditions of the related Mortgage and Mortgage Note) shall be deposited in the Collection Account, subject to withdrawal pursuant to Section 3.11, if received in respect of a Mortgage Loan, or in the REO Account, subject to withdrawal pursuant to Section 3.23, if received in respect of an REO Property. Any cost incurred by the Servicer in maintaining any such insurance shall not, for the purpose of calculating distributions to Certificateholders, be added to the unpaid Principal Balance of the related Mortgage Loan, notwithstanding that the terms of such Mortgage Loan so permit. It is understood and agreed that no earthquake or other additional insurance is to be required of any Mortgagor other than pursuant to such applicable laws and regulations as shall at any time be in force and as shall require such additional insurance. If the Mortgaged Property or REO Property is at any time in an area identified in the Federal Register by the Federal Emergency Management Agency as having special flood hazards and flood insurance has been made available, the Servicer will cause to be maintained a flood insurance policy in respect thereof. Such flood insurance shall be in an amount equal to the lesser of (i) the unpaid Principal Balance of the related Mortgage Loan and (ii) the maximum amount of such insurance available for the related Mortgaged Property under the national flood insurance program (assuming that the area in which such Mortgaged Property is located is participating in such program).

In the event that the Servicer shall obtain and maintain a blanket policy with an insurer having a General Policy Rating of B:III or better in Best's Key Rating Guide (or such other rating that is comparable to such rating) insuring against hazard losses on all of the Mortgage Loans, it shall conclusively be deemed to have satisfied its obligations as set forth in the first two sentences of this Section 3.14, it being understood and agreed that such policy may contain a deductible clause, in which case the Servicer shall, in the event that there shall not have been maintained on the related Mortgaged Property or REO Property a policy complying with the first two sentences of this Section 3.14, and there shall have been one or more losses which would have been covered by such policy, deposit to the Collection Account from its own funds the amount not otherwise payable under the blanket policy because of such deductible clause. In connection with its activities as administrator and servicer of the Mortgage Loans, the Servicer agrees to prepare and present, on behalf of itself, the Trustee and Certificateholders, claims under any such blanket policy in a timely fashion in accordance with the terms of such policy.

(b) The Servicer shall keep in force during the term of this Agreement a policy or policies of insurance covering errors and omissions for failure in the performance of the Servicer's obligations under this Agreement, which policy or policies shall be in such form and amount that would meet the requirements of Fannie Mae or Freddie Mac if it were the purchaser of the Mortgage Loans, unless the Servicer has obtained a waiver of such requirements from Fannie Mae or Freddie Mac. The Servicer shall provide the Trustee and the NIMS Insurer, upon request, with copies of such insurance policies and fidelity bond. The Servicer shall also maintain a fidelity bond in the form and amount that would meet the requirements of Fannie Mae or Freddie Mac, unless the Servicer has obtained a waiver of such requirements from Fannie Mae or Freddie Mac. The Servicer shall be deemed to have complied with this provision if an Affiliate of the Servicer has such errors and omissions and fidelity bond coverage and, by the terms of such insurance policy or fidelity bond, the coverage afforded thereunder extends to the Servicer. Any such errors and omissions policy and fidelity bond shall by its terms not be cancelable without thirty days' prior written notice to the Trustee and the NIMS Insurer. The Servicer shall also cause each Sub-Servicer to maintain a policy of insurance covering errors and omissions and a fidelity bond which would meet such requirements.

SECTION 3.15. Enforcement of Due-On-Sale Clauses; Assumption Agreements.

The Servicer will, to the extent it has knowledge of any conveyance or prospective conveyance of any Mortgaged Property by any Mortgagor (whether

by absolute conveyance or by contract of sale, and whether or not the Mortgagor remains or is to remain liable under the Mortgage Note and/or the Mortgage), exercise its rights to accelerate the maturity of such Mortgage Loan under the "due-on-sale" clause, if any, applicable thereto; provided, however, that the Servicer shall not be required to take such action if in its sole business judgment the Servicer believes it is not in the best interests of the Trust Fund and shall not exercise any such rights if prohibited by law from doing so. If the Servicer reasonably believes it is unable under applicable law to enforce such "due-on-sale" clause, or if any of the other conditions set forth in the proviso to the preceding sentence apply, the Servicer will enter into an assumption and modification agreement from or with the person to whom such property has been conveyed or is proposed to be conveyed, pursuant to which such person becomes liable under the Mortgage Note and, to the extent permitted by applicable state law, the Mortgagor remains liable thereon. The Servicer is also authorized to enter into a substitution of liability agreement with such person, pursuant to which the original Mortgagor is released from liability and such person is substituted as the Mortgagor and becomes liable under the Mortgage Note, provided that no such substitution shall be effective unless such person satisfies the underwriting criteria of the Servicer and has a credit risk rating at least equal to that of the original Mortgagor. In connection with any assumption or substitution, the Servicer shall apply such underwriting standards and follow such practices and procedures as shall be normal and usual in its general mortgage servicing activities and as it applies to other mortgage loans owned solely by it. The Servicer shall not take or enter into any assumption and modification agreement, however, unless (to the extent practicable in the circumstances) it shall have received confirmation, in writing, of the continued effectiveness of any applicable hazard insurance policy. Any fee collected by the Servicer in respect of an assumption, modification or substitution of liability agreement shall be retained by the Servicer as additional servicing compensation. In connection with any such assumption, no material term of the Mortgage Note (including but not limited to the related Mortgage Rate and the amount of the Monthly Payment) may be amended or modified, except as otherwise required pursuant to the terms thereof. The Servicer shall notify the Trustee that any such substitution, modification or assumption agreement has been completed by forwarding to the Trustee the executed original of such substitution, modification or assumption agreement, which document shall be added to the related Mortgage File and shall, for all purposes, be considered a part of such Mortgage File to the same extent as all other documents and instruments constituting a part thereof.

Notwithstanding the foregoing paragraph or any other provision of this Agreement, the Servicer shall not be deemed to be in default, breach or any other violation of its obligations hereunder by reason of any assumption of a Mortgage Loan by operation of law or by the terms of the Mortgage Note or any assumption which the Servicer may be restricted by law from preventing, for any reason whatever. For purposes of this Section 3.15, the term "assumption" is deemed to also include a sale (of the Mortgaged Property) subject to the Mortgage that is not accompanied by an assumption or substitution of liability agreement.

SECTION 3.16. Realization Upon Defaulted Mortgage Loans.

(a) The Servicer shall use its best efforts, in as practical a time frame as possible and consistent with Servicing Standard, to foreclose upon or otherwise comparably convert the ownership of properties securing such of the Mortgage Loans as come into and continue in default and as to which no satisfactory arrangements can be made for collection of delinquent payments pursuant to Section 3.07. The Servicer shall be responsible for all costs and expenses incurred by it in any such proceedings; provided, however, that such costs and expenses will be recoverable as Servicing Advances by the Servicer as contemplated in Section 3.11 and Section 3.23. The foregoing is subject to the provision that, in any case in which a Mortgaged Property shall have suffered damage from an Uninsured Cause, the Servicer shall not be required to expend its own funds toward the restoration of such property unless it shall determine in its discretion that such restoration will increase the proceeds of liquidation of the related Mortgage Loan after reimbursement to itself for such expenses.

(b) Notwithstanding the foregoing provisions of this Section 3.16 or any other provision of this Agreement, with respect to any Mortgage Loan as to which the Servicer has received actual notice of, or has actual knowledge of, the presence of any toxic or hazardous substance on the related Mortgaged Property, the Servicer shall not, on behalf of the Trustee, either (i) obtain title to such Mortgaged Property as a result of or in lieu of foreclosure or otherwise, or (ii) otherwise acquire possession of, or take any other action with respect to, such Mortgaged Property, if, as a result of any such action, the Trustee, the Trust Fund or the Certificateholders would be considered to hold title to, to be a "mortgagee-in-possession" of, or to be an "owner" or "operator" of such Mortgaged Property within the meaning of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended from time to time, or any comparable law, unless the Servicer has also previously determined, based on its reasonable judgment and a report prepared by a Person who regularly conducts environmental audits using customary industry standards, that:

- (1) such Mortgaged Property is in compliance with applicable environmental laws or, if not, that it would be in the best economic interest of the Trust Fund to take such actions as are necessary to bring the Mortgaged Property into compliance therewith; and
- (2) there are no circumstances present at such Mortgaged Property relating to the use, management or disposal of any hazardous substances, hazardous materials, hazardous wastes, or petroleum-based materials for which investigation, testing, monitoring, containment, clean-up or remediation could be required under any federal, state or local law or regulation, or that if any such materials are present for which such action could be required, that it would be in the best economic interest of the Trust Fund to take such actions with respect to the affected Mortgaged Property.

Notwithstanding the foregoing, if such environmental audit reveals, or if the Servicer has actual knowledge or notice, that such Mortgaged Property contains such wastes or substances, the Servicer shall not foreclose or accept a deed in lieu of foreclosure without the prior written consent of the NIMS Insurer.

The cost of the environmental audit report contemplated by this Section 3.16 shall be advanced by the Servicer, subject to the Servicer's right to be reimbursed therefor from the Collection Account as provided in Section 3.11(a)(vii), such right of reimbursement being prior to the rights of Certificateholders to receive any amount in the Collection Account received in respect of the affected Mortgage Loan or other Mortgage Loans.

If the Servicer determines, as described above, that it is in the best economic interest of the Trust Fund to take such actions as are necessary to bring any such Mortgaged Property into compliance with applicable environmental laws, or to take such action with respect to the containment, clean-up or remediation of hazardous substances, hazardous materials, hazardous wastes or petroleum-based materials affecting any such Mortgaged Property, then the Servicer shall take such action as it deems to be in the best economic interest of the Trust Fund; provided that any amounts disbursed by the Servicer pursuant to this Section 3.16(b) shall constitute Servicing Advances, subject to Section 4.04(d). The cost of any such compliance, containment, cleanup or remediation shall be advanced by the Servicer, subject to the Servicer's right to be reimbursed therefor from the Collection Account as provided in Section 3.11(a)(iii) and (a)(vii), such right of reimbursement being prior to the rights of Certificateholders to receive any amount in the Collection Account received in respect of the affected Mortgage Loan or other Mortgage Loans.

(c) (i) The NIMS Insurer may, at its option, purchase a Mortgage Loan which has become 90 or more days delinquent or for which the Servicer has accepted a deed in lieu of foreclosure. Prior to purchase pursuant to this Section 3.16(c)(i), the Servicer shall be required to continue to make Advances pursuant to Section 4.04. The NIMS Insurer shall not use any procedure in selecting Mortgage Loans to be repurchased which is materially adverse to the interests of the Certificateholders. The NIMS Insurer shall purchase such delinquent Mortgage Loan at a price equal to the Purchase Price of such Mortgage Loan. Any such purchase of a Mortgage Loan pursuant to this Section 3.16(c)(i) shall be accomplished by remittance to the Servicer for deposit in the Collection Account of the amount of the Purchase Price. The Trustee shall immediately effectuate the conveyance of such delinquent Mortgage Loan to the NIMS Insurer to the extent necessary, including the prompt delivery of all documentation to the NIMS Insurer.

(ii) If the Servicer Optional Purchase Delinquency Trigger has been met, the Servicer may, at its option, purchase a Mortgage Loan which has become 90 or more days delinquent or for which the Servicer has accepted a deed in lieu of foreclosure. Prior to purchase pursuant to this Section 3.16(c)(ii), the Servicer shall be required to continue to make Advances pursuant to Section 4.04. The Servicer shall purchase such delinquent Mortgage Loan at a price equal to the Purchase Price of such Mortgage Loan. Any such purchase of a Mortgage Loan pursuant to this Section 3.16(c)(ii) shall be accomplished by deposit in the Collection Account of the amount of the Purchase Price. The Trustee shall immediately effectuate the conveyance of such delinquent Mortgage Loan to the Servicer to the extent necessary, including the prompt delivery of all documentation to the Servicer.

Notwithstanding the foregoing: (A) the Servicer shall have the option to purchase pursuant to this Section 3.16(c)(ii) only such delinquent Mortgage Loans having an aggregate Stated Principal Balance such that, if such delinquent Mortgage Loans were not in the Trust, the Servicer Optional Purchase Delinquency

Trigger would not be met; (B) if the Servicer purchases any delinquent Mortgage Loans pursuant to this Section 3.16(c)(ii), it must purchase Mortgage Loans that are delinquent the greatest number of days before it may purchase any that are delinquent any fewer number of days; (C) if the Servicer purchases some but not all Mortgage Loans that are delinquent any given number of days, it must purchase Mortgage Loans having the same delinquency status in the order of lowest Stated Principal Balance to highest Stated Principal Balance; (D) the Servicer may at any time relinquish its rights to purchase delinquent Mortgage Loans pursuant to this Section 3.16(C)(ii) in writing delivered to the Trustee, and from and after the taking of such action by the Servicer, the provisions of this Section 3.16(c)(ii) shall no longer be of any force or effect.

(d) Proceeds received in connection with any Final Recovery Determination, as well as any recovery resulting from a partial collection of Insurance Proceeds, Liquidation Proceeds or condemnation proceeds, in respect of any Mortgage Loan, will be applied in the following order of priority: first, to unpaid Servicing Fees; second, to reimburse the Servicer or any Sub-Servicer for any related unreimbursed Servicing Advances pursuant to Section 3.11(a)(iii) and Advances pursuant to Section 3.11(a)(ii); third, to accrued and unpaid interest on the Mortgage Loan, to the date of the Final Recovery Determination, or to the Due Date prior to the Distribution Date on which such amounts are to be distributed if not in connection with a Final Recovery Determination; and fourth, as a recovery of principal of the Mortgage Loan. The portion of the recovery so allocated to unpaid Servicing Fees shall be reimbursed to the Servicer or any Sub-Servicer pursuant to Section 3.11(a)(iii).

SECTION 3.17. Trustee to Cooperate; Release of Mortgage Files.

(a) Upon the payment in full of any Mortgage Loan, or the receipt by the Servicer of a notification that payment in full shall be escrowed in a manner customary for such purposes, the Servicer shall deliver to the Trustee and the Custodian, in written (with two executed copies) or electronic format, a Request for Release in the form of Exhibit E (which certification shall include a statement to the effect that all amounts received or to be received in connection with such payment which are required to be deposited in the Collection Account pursuant to Section 3.10 have been or will be so deposited) signed by a Servicing Officer (or in a mutually agreeable electronic format that will, in lieu of a signature on its face, originate from a Servicing Officer) and shall request delivery to it of the Mortgage File. Upon receipt of such certification and request, the Trustee (or the Custodian on behalf of the Trustee) shall, within three Business Days, release and send by overnight mail, at the expense of the Servicer, the related Mortgage File to the Servicer. The Trustee (or the Custodian on behalf of the Trustee) agrees to indemnify the Servicer, out of its own funds, for any loss, liability or expense (other than special, indirect, punitive or consequential damages which will not be paid by the Trustee (or the Custodian on behalf of the Trustee)) incurred by the Servicer as a proximate result of the Trustee's or the Custodian's breach of its obligations pursuant to this Section 3.17. No expenses incurred in connection with any instrument of satisfaction or deed of reconveyance shall be chargeable to the Collection Account or the Distribution Account.

(b) From time to time and as appropriate for the servicing or foreclosure of any Mortgage Loan, including, for this purpose, collection under any insurance policy relating to the Mortgage Loans, the Trustee (or the Custodian on behalf of the Trustee) shall, upon any request made by or on behalf of the Servicer and delivery to the Trustee and the Custodian, in written (with two executed copies) or electronic format, of a Request for Release in the form of Exhibit E signed by a Servicing Officer (or in a mutually agreeable electronic format that will, in lieu of a signature on its face, originate from a Servicing Officer), release the related Mortgage File to the Servicer within three Business Days, and the Trustee shall, at the direction of the Servicer, execute such documents as shall be necessary to the prosecution of any such proceedings. Such Request for Release shall obligate the Servicer to return each and every document previously requested from the Mortgage File to the Trustee (or the Custodian on behalf of the Trustee) when the need therefor by the Servicer no longer exists, unless the Mortgage Loan has been liquidated and the Liquidation Proceeds relating to the Mortgage Loan have been deposited in the Collection Account or the Mortgage File or such document has been delivered to an attorney, or to a public trustee or other public official as required by law, for purposes of initiating or pursuing legal action or other proceedings for the foreclosure of the Mortgaged Property either judicially or non-judicially, and the Servicer has delivered, or caused to be delivered, to the Trustee and the Custodian an additional Request for Release certifying as to such liquidation or action or proceedings. Upon the request of the Trustee or the Custodian, the Servicer shall provide notice to the Trustee or the Custodian, as the case may be, of the name and address of the Person to which such Mortgage File or such document was delivered and the purpose or purposes of such delivery. Upon receipt of a Request for Release, in written (with two executed copies) or electronic format, from a Servicing Officer stating that such Mortgage Loan was liquidated and that all amounts received or to be received in connection with such liquidation that are required to be deposited into the Collection Account have been so deposited, or that such Mortgage Loan has become an REO Property, such Mortgage Loan shall be released by the Trustee (or the Custodian on behalf of the Trustee) to the Servicer or its designee.

(c) Upon written certification of a Servicing Officer, the Trustee shall execute and deliver to the Servicer or the Sub-Servicer, as the case may be, copies of, any court pleadings, requests for trustee's sale or other documents necessary to the foreclosure or trustee's sale in respect of a Mortgaged Property or to any legal action brought to obtain judgment against any Mortgagor on the Mortgage Note or Mortgage or to obtain a deficiency judgment, or to enforce any other remedies or rights provided by the Mortgage Note or Mortgage or otherwise available at law or in equity. Each such certification shall include a request that such pleadings or documents be executed by the Trustee and a statement as to the reason such documents or pleadings are required and that the execution and delivery thereof by the Trustee will not invalidate or otherwise affect the lien of the Mortgage, except for the termination of such a lien upon completion of the foreclosure or trustee's sale.

SECTION 3.18. Servicing Compensation.

As compensation for the activities of the Servicer hereunder, the Servicer shall be entitled to the Servicing Fee with respect to each Mortgage Loan payable solely from payments of interest in respect of such Mortgage Loan, subject to Section 3.24. In addition, the Servicer shall be entitled to recover unpaid Servicing Fees out of Insurance Proceeds, Liquidation Proceeds or condemnation proceeds to the extent permitted by Section 3.11(a)(iii) and out of amounts derived from the operation and sale of an REO Property to the extent permitted by Section 3.23. Except as provided in Section 3.29, the right to receive the Servicing Fee may not be transferred in whole or in part except in connection with the transfer of all of the Servicer's responsibilities and obligations under this Agreement; provided, however, that the Servicer may pay from the Servicing Fee any amounts due to a Sub-Servicer pursuant to a Sub-Servicing Agreement entered into under Section 3.02.

Additional servicing compensation in the form of assumption fees, late payment charges, insufficient funds charges, ancillary income or otherwise (other than Prepayment Charges) shall be retained by the Servicer only to the extent such fees or charges are received by the Servicer. The Servicer shall also be entitled pursuant to Section 3.11(a)(iv) to withdraw from the Collection Account and pursuant to Section 3.23(b) to withdraw from any REO Account, as additional servicing compensation, interest or other income earned on deposits therein, subject to Section 3.12 and Section 3.24. The Servicer shall be required to pay all expenses incurred by it in connection with its servicing activities hereunder (including premiums for the insurance required by Section 3.14, to the extent such premiums are not paid by the related Mortgagors or by a Sub-Servicer and servicing compensation of each Sub-Servicer) and shall not be entitled to reimbursement therefor except as specifically provided herein.

The Servicer shall be entitled to any Prepayment Interest Excess, which it may withdraw from the Collection Account pursuant to Section 3.11(a)(ix).

SECTION 3.19. Reports to the Trustee; Collection Account Statements.

Not later than ten days after each Distribution Date, the Servicer shall forward to the NIMS Insurer and, upon request, to the Trustee and the Depositor the most current available bank statement for the Collection Account. Copies of such statement shall be provided by the Trustee to any Certificateholder and to any Person identified to the Trustee as a prospective transferee of a Certificate, upon request at the expense of the requesting party, provided such statement is delivered by the Servicer to the Trustee.

SECTION 3.20. Statement as to Compliance.

Each of the Servicer and the Trustee shall deliver (or otherwise make available if notice of such other means of delivery is provided) to the Depositor and the Trustee, not later than March 15th of each calendar year beginning in 2008, an Officers' Certificate (an "Annual Statement of Compliance") stating, as to each signatory thereof, that (i) a review of the activities of such party during the preceding calendar year and of performance under this Agreement or other applicable

servicing agreement has been made under such officers' supervision and (ii) to the best of such officers' knowledge, based on such review, such party has fulfilled all of its obligations under this Agreement or other applicable servicing agreement in all material respects throughout such year, or, if there has been a failure to fulfill any such obligation in any material respect, specifying each such failure known to such officer and the nature and status of cure provisions thereof. Each such Annual Statement of Compliance shall contain no restrictions or limitations on its use.

The Servicer and the Trustee shall deliver a similar Annual Statement of Compliance by any Sub-Servicer, subcontractor or other Person engaged by it and satisfying any of the criteria set forth in Item 1108(a)(2)(i) – (iii) of Regulation AB with respect to the Mortgage Loans, to the Trustee as described above as and when required with respect to the Servicer.

In the event the Servicer or the Trustee is terminated or resigns pursuant to the terms of this Agreement, such party shall provide, and shall use its reasonable efforts to cause any Sub-Servicer, subcontractor or other Person engaged by it and satisfying any of the criteria set forth in Item 1108(a)(2)(i) – (iii) of Regulation AB with respect to the Mortgage Loans that resigns or is terminated under any applicable agreement to provide, an Annual Statement of Compliance pursuant to this Section 3.20 with respect to the period of time that such party was subject to this Agreement or such other agreement, as applicable.

For so long as a Form 10-K is required to be filed with respect to the Trust for the preceding calendar year, failure by the Servicer to timely comply with this Section 3.20 shall be deemed a Servicer Event of Termination, and the Trustee may (with the consent of the Depositor), in addition to whatever rights the Trustee may have under this Agreement and at law or in equity, including injunctive relief and specific performance, upon notice immediately terminate all the rights and obligations of the Servicer under this Agreement and in and to the Mortgage Loans and the proceeds thereof without compensating the Servicer for the same. This paragraph shall supersede any other provision in this Agreement or any other agreement to the contrary.

SECTION 3.21. Assessment of Compliance and Attestation Report.

Pursuant to Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122 of Regulation AB, the Servicer, the Trustee and the Custodian shall deliver (or otherwise make available if notice of such other means of delivery is provided) to the Trustee and the Depositor on or before March 15th of each calendar year beginning in 2008, a report regarding such party's assessment of compliance (an "Assessment of Compliance") with the Relevant Servicing Criteria (as set forth in Exhibit S hereto) during the preceding calendar year. As set forth in Regulation AB, the Assessment of Compliance must contain the following:

- (a) A statement by such officer of its responsibility for assessing compliance with the Relevant Servicing Criteria applicable to such party;
- (b) A statement by such officer that such officer used the Relevant Servicing Criteria, and which will also be attached to the Assessment of Compliance, to assess compliance with the Relevant Servicing Criteria applicable to such party;
- (c) An assessment by such officer of such party's compliance with the applicable Relevant Servicing Criteria for the period consisting of the preceding calendar year, including disclosure of any material instance of noncompliance with respect thereto during such period and a discussion of the nature and status of each such failure, which assessment shall be based on the activities it performs with respect to asset-backed securities transactions taken as a whole involving such party, that are backed by the same asset type as the Mortgage Loans;
- (d) A statement that a registered public accounting firm has issued an attestation report on such party's Assessment of Compliance with the Relevant Servicing Criteria for the period consisting of the preceding calendar year; and
- (e) A statement as to which of the Servicing Criteria, if any, are not applicable to the Servicer, which statement shall be based on the activities it performs with respect to asset-backed securities transactions taken as a whole involving the Servicer, that are backed by the same asset type as the Mortgage Loans.

In the event the Servicer or the Trustee is terminated or resigns pursuant to the terms of this Agreement, such party shall provide, and each such party shall cause each Sub-Servicer and subcontractor engaged by it and determined to be "participating in the servicing function" within the meaning of Item 1122 of Regulation AB that resigns or is terminated under any applicable agreement to provide, an annual Assessment of Compliance pursuant to this Section 3.21, coupled with an attestation as required hereunder with respect to the period of time that such party was subject to this Agreement or the period of time such party was subject to such other agreement.

Such report at a minimum shall address each of the Relevant Servicing Criteria specified on Exhibit S hereto which are indicated as applicable to the Servicer or the Trustee.

On or before March 15th of each calendar year beginning in 2008, the Servicer, the Trustee and the Custodian, each at its own expense, shall cause a registered public accounting firm to furnish to the Trustee and the Depositor a report (an "Attestation Report") by such registered public accounting firm that attests to, and reports on, the Assessment of Compliance made by such party, as required by Rules 13a-18 and 15d-18 of the Exchange Act and Item 1122(b) of Regulation AB, which Attestation Report must be made in accordance with standards for attestation reports issued or adopted by the Public Company Accounting Oversight Board.

The Servicer and the Trustee shall cause any Sub-Servicer and each subcontractor engaged by it and determined to be "participating in the servicing function" within the meaning of Item 1122 of Regulation AB, to deliver to the Trustee and the Depositor an Assessment of Compliance and Attestation Report as and when provided above setting forth the Servicing Criteria addressed in such assessment.

Such Assessment of Compliance, as to each Sub-Servicer and subcontractor determined to be "participating in the servicing function" within the meaning of Item 1122 of Regulation AB, shall address each of the Servicing Criteria applicable to it, as specified on Exhibit S hereto. The Trustee shall confirm that the assessments, taken individually, address the Servicing Criteria for each attesting party as set forth on Exhibit S and notify the Depositor of any exceptions. Notwithstanding the foregoing, as to any subcontractor, an Assessment of Compliance is not required to be delivered unless it is required as part of a Form 10-K with respect to the Trust Fund.

Promptly after receipt of each such assessment of compliance and attestation report, the Trustee shall confirm that each assessment submitted pursuant to this Section 3.21 is coupled with an attestation meeting the requirements of this Section and notify the Depositor of any exceptions.

In the event the Servicer, the Trustee, the Custodian, or any Sub-servicer or subcontractor determined to be "participating in the servicing function" within the meaning of Item 1122 of Regulation AB engaged by any such party, is terminated, assigns its rights and duties under, or resigns pursuant to the terms of, this Agreement, or any applicable custodial agreement, or sub-servicing agreement, as the case may be, such party shall cause a registered public accounting firm to provide an attestation pursuant to this Section 3.21, or such other applicable agreement, notwithstanding any such termination, assignment or resignation.

For so long as a Form 10-K is required to be filed with respect to the Trust for the preceding calendar year, failure of the Servicer to comply with this Section 3.21 shall be deemed a Servicer Event of Termination, and the Trustee may (with the consent of the Depositor), in addition to whatever rights the Trustee may have under this Agreement and at law or in equity, including injunctive relief and specific performance, give notice to Certificateholders that they have ten Business Days to object. If no such objection is received, the Trustee shall immediately terminate all the rights and obligations of the Servicer under this Agreement and in and to the Mortgage Loans and the proceeds thereof without compensating the Servicer for the same. This paragraph shall supersede any other provision in this Agreement or any other agreement to the contrary.

SECTION 3.22. Access to Certain Documentation.

The Servicer shall provide to the Office of Thrift Supervision, the FDIC, and any other federal or state banking or insurance regulatory authority that may exercise authority over any Certificateholder or Certificate Owner, access to the documentation regarding the Mortgage Loans required by applicable laws and regulations. Such access shall be afforded without charge, but only upon reasonable request and during normal business hours at the offices of the Servicer designated by it. In addition, access to the documentation regarding the Mortgage Loans will be provided to any Certificateholder or Certificate Owner, the Trustee, the NIMS Insurer and to any Person identified to the Servicer as a prospective transferee of a Certificate, upon reasonable request during normal business hours at the offices of the Servicer designated by it at the expense of the Person requesting such access.

SECTION 3.23.

Title, Management and Disposition of REO Property.

(a) The deed or certificate of sale of any REO Property shall be taken in the name of the Trustee, or its nominee, in trust for the benefit of the Certificateholders. The Servicer, on behalf of REMIC 1, shall sell any REO Property as soon as practical and in any event no later than the end of the third full taxable year after the taxable year in which such REMIC acquires ownership of such REO Property for purposes of Section 860G(a)(8) of the Code or request from the Internal Revenue Service, no later than 60 days before the day on which the three-year grace period would otherwise expire, an extension of such three-year period, unless the Servicer shall have delivered to the Trustee and the NIMS Insurer an Opinion of Counsel acceptable to the NIMS Insurer and addressed to the Trustee, the NIMS Insurer and the Depositor, to the effect that the holding by the REMIC of such REO Property subsequent to three years after its acquisition will not result in the imposition on the REMIC of taxes on "prohibited transactions" thereof, as defined in Section 860F of the Code, or cause any of the REMICs created hereunder to fail to qualify as a REMIC under Federal law at any time that any Certificates are outstanding. The Servicer shall manage, conserve, protect and operate each REO Property for the Certificateholders solely for the purpose of its prompt disposition and sale in a manner which does not cause such REO Property to fail to qualify as "foreclosure property" within the meaning of Section 860G(a)(8) of the Code or result in the receipt by any of the REMICs created hereunder of any "income from non-permitted assets" within the meaning of Section 860F(a)(2)(B) of the Code, or any "net income from foreclosure property" which is subject to taxation under the REMIC Provisions.

(b) The Servicer shall separately account for all funds collected and received in connection with the operation of any REO Property and shall establish and maintain, or cause to be established and maintained, with respect to REO Properties an account held in trust for the Trustee for the benefit of the Certificateholders (the "REO Account"), which shall be an Eligible Account. The Servicer shall be permitted to allow the Collection Account to serve as the REO Account, subject to separate ledgers for each REO Property. The Servicer shall be entitled to retain or withdraw any interest income paid on funds deposited in the REO Account.

(c) The Servicer shall have full power and authority, subject only to the specific requirements and prohibitions of this Agreement, to do any and all things in connection with any REO Property as are consistent with the manner in which the Servicer manages and operates similar property owned by the Servicer or any of its Affiliates, all on such terms and for such period (subject to the requirement of prompt disposition set forth in Section 3.23(a)) as the Servicer deems to be in the best interests of Certificateholders. In connection therewith, the Servicer shall deposit, or cause to be deposited in the clearing account in which it customarily deposits payments and collections on mortgage loans in connection with its mortgage loan servicing activities on a daily basis, and in no event more than one Business Day after the Servicer's receipt thereof, and shall thereafter deposit in the REO Account, in no event more than two Business Days after the Servicer's receipt thereof, all revenues received by it with respect to an REO Property and shall withdraw therefrom funds necessary for the proper operation, management and maintenance of such REO Property including, without limitation:

- (i) all insurance premiums due and payable in respect of such REO Property;
- (ii) all real estate taxes and assessments in respect of such REO Property that may result in the imposition of a lien thereon; and
- (iii) all costs and expenses necessary to maintain such REO Property.

To the extent that amounts on deposit in the REO Account with respect to an REO Property are insufficient for the purposes set forth in clauses (i) through (iii) above with respect to such REO Property, the Servicer shall advance from its own funds such amount as is necessary for such purposes if, but only if, the Servicer would make such advances if the Servicer owned the REO Property and if in the Servicer's judgment, the payment of such amounts will be recoverable from the rental or sale of the REO Property.

Notwithstanding the foregoing, neither the Servicer nor the Trustee shall:

- (A) authorize the Trust Fund to enter into, renew or extend any New Lease with respect to any REO Property, if the New Lease by its terms will give rise to any income that does not constitute Rents from Real Property;
- (B) authorize any amount to be received or accrued under any New Lease other than amounts that will constitute Rents from Real Property;
- (C) authorize any construction on any REO Property, other than the completion of a building or other improvement thereon, and then only if more than ten percent of the construction of such building or other improvement was completed before default on the related Mortgage Loan became imminent, all within the meaning of Section 856(e)(4)(B) of the Code; or
- (D) authorize any Person to Directly Operate any REO Property on any date more than 90 days after its date of acquisition by the Trust Fund;

unless, in any such case, the Servicer has obtained an Opinion of Counsel, provided to the Trustee and the NIMS Insurer, to the effect that such action will not cause such REO Property to fail to qualify as "foreclosure property" within the meaning of Section 860G(a)(8) of the Code at any time that it is held by the REMIC, in which case the Servicer may take such actions as are specified in such Opinion of Counsel.

The Servicer may contract with any Independent Contractor for the operation and management of any REO Property, provided that:

- (1) the terms and conditions of any such contract shall not be inconsistent herewith;
- (2) any such contract shall require, or shall be administered to require, that the Independent Contractor pay all costs and expenses incurred in connection with the operation and management of such REO Property, including those listed above and remit all related revenues (net of such costs and expenses) to the Servicer as soon as practicable, but in no event later than thirty days following the receipt thereof by such Independent Contractor;
- (3) none of the provisions of this Section 3.23(c) relating to any such contract or to actions taken through any such Independent Contractor shall be deemed to relieve the Servicer of any of its duties and obligations to the Trustee on behalf of the Certificateholders with respect to the operation and management of any such REO Property; and
- (4) the Servicer shall be obligated with respect thereto to the same extent as if it alone were performing all duties and obligations in connection with the operation and management of such REO Property.

The Servicer shall be entitled to enter into any agreement with any Independent Contractor performing services for it related to its duties and obligations hereunder for indemnification of the Servicer by such Independent Contractor, and nothing in this Agreement shall be deemed to limit or modify such

indemnification. The Servicer shall be solely liable for all fees owed by it to any such Independent Contractor, irrespective of whether the Servicer's compensation pursuant to Section 3.18 is sufficient to pay such fees; provided, however, that to the extent that any payments made by such Independent Contractor would constitute Servicing Advances if made by the Servicer, such amounts shall be reimbursable as Servicing Advances made by the Servicer.

(d) In addition to the withdrawals permitted under Section 3.23(c), the Servicer may from time to time make withdrawals from the REO Account for any REO Property: (i) to pay itself or any Sub-Servicer unpaid Servicing Fees in respect of the related Mortgage Loan; and (ii) to reimburse itself or any Sub-Servicer for unreimbursed Servicing Advances and Advances made in respect of such REO Property or the related Mortgage Loan. On the Servicer Remittance Date, the Servicer shall withdraw from each REO Account maintained by it and deposit into the Distribution Account in accordance with Section 3.10(d)(ii), for distribution on the related Distribution Date in accordance with Section 4.01, the income from the related REO Property received during the related Prepayment Period, net of any withdrawals made pursuant to Section 3.23(c) or this Section 3.23(d).

(e) Subject to the time constraints set forth in Section 3.23(a), each REO Disposition shall be carried out by the Servicer in a manner, at such price and upon such terms and conditions as shall be in conformity with the requirements of the Loss Mitigation Procedures and as shall be normal and usual in its Servicing Standard.

(f) The proceeds from the REO Disposition, net of any amount required by law to be remitted to the Mortgagor under the related Mortgage Loan and net of any payment or reimbursement to the Servicer or any Sub-Servicer as provided above, shall be deposited in the Distribution Account in accordance with Section 3.10(d)(ii) on the Servicer Remittance Date in the month following the receipt thereof for distribution on the related Distribution Date in accordance with Section 4.01. Any REO Disposition shall be for cash only (unless changes in the REMIC Provisions made subsequent to the Startup Day allow a sale for other consideration).

(g) The Servicer shall file information returns with respect to the receipt of mortgage interest received in a trade or business, reports of foreclosures and abandonments of any Mortgaged Property and cancellation of indebtedness income with respect to any Mortgaged Property as required by Sections 6050H, 6050J and 6050P of the Code, respectively. Such reports shall be in form and substance sufficient to meet the reporting requirements imposed by such Sections 6050H, 6050J and 6050P of the Code.

SECTION 3.24. Obligations of the Servicer in Respect of Prepayment Interest Shortfalls.

Not later than 1:00 p.m. New York time on each Servicer Remittance Date, the Servicer shall remit to the Distribution Account an amount ("Compensating Interest") equal to the lesser of (A) the aggregate of the Prepayment Interest Shortfalls for the related Distribution Date and (B) its aggregate Servicing Fee for the related Due Period and any Prepayment Interest Excess for the related Distribution Date. The Servicer shall not have the right to reimbursement for any amounts remitted to the Trustee in respect of Compensating Interest. Such amounts so remitted shall be included in the Available Funds and distributed therewith on the next Distribution Date. The Servicer shall not be obligated to pay Compensating Interest with respect to Relief Act Interest Shortfalls.

SECTION 3.25. Reports Filed with Securities and Exchange Commission.

(a) (i) Within 15 days after each Distribution Date (subject to permitted extensions under the Exchange Act), the Trustee shall, on behalf of the Trust and in accordance with industry standards, prepare and file with the Commission via the Electronic Data Gathering and Retrieval System ("EDGAR"), the report on Form 10-D, signed by the Depositor, with a copy of the Monthly Statement to be furnished by the Trustee to the Certificateholders for such Distribution Date and such other information required to be reported by the Trust on Form 10-D as set forth in this Section 3.25; provided that the Trustee shall have received no later than 5 calendar days after the related Distribution Date, all information required to be provided to the Trustee as described in clause (a)(ii) below. Any disclosure in addition to the Monthly Statement that is required to be included on Form 10-D ("Additional Form 10-D Disclosure") shall, pursuant to the paragraph immediately below, be reported to the Depositor and the Trustee by the parties set forth on Exhibit T, approved by the Depositor, and the Trustee will have no duty or liability for any failure hereunder to determine or prepare any Additional Form 10-D Disclosure information absent such reporting, direction and approval.

(ii) Within 5 calendar days after the related Distribution Date, (i) the parties set forth in Exhibit T shall be required to provide, pursuant to Section 3.25(a)(v) below, to the Trustee (at cts.sec.notifications@wellsfargo.com, with a copy by facsimile to 410-715-2380) and the Depositor, to the extent known, in EDGAR-compatible format, or in such other format as otherwise agreed upon by the Trustee and such party, the form and substance of any Additional Form 10-D Disclosure, if applicable, (ii) the parties listed on Exhibit T hereto shall include with such Additional Form 10-D Disclosure, an Additional Disclosure Notification in the form attached hereto as Exhibit U, and (iii) the Depositor will approve, as to form and substance, or disapprove, as the case may be, the inclusion of the Additional Form 10-D Disclosure on Form 10-D. The Trustee has no duty under this Agreement to monitor or enforce the performance by the parties listed on Exhibit T of their duties under this paragraph or proactively solicit or procure from such parties any Additional Form 10-D Disclosure information. The Depositor will be responsible for any reasonable fees and expenses assessed or incurred by the Trustee in connection with including any Additional Form 10-D Disclosure on Form 10-D pursuant to this Section.

After preparing the Form 10-D, the Trustee shall forward electronically a draft copy of the Form 10-D to the Depositor for review (provided that such Form 10-D includes any Additional Form 10-D Disclosure) and execution. Within two Business Days after receipt of such copy, but no later than the 12th calendar day after the Distribution Date, the Depositor shall notify the Trustee in writing (which may be furnished electronically) of any changes to or approval of such Form 10-D. A duly authorized representative of the Depositor shall sign the Form 10-D no later than the close of business on the 13th calendar day after the Distribution Date and return an electronic or fax copy of such signed Form 10-D (with an original executed hard copy to follow by overnight mail) to the Trustee. If a Form 10-D cannot be filed on time or if a previously filed Form 10-D needs to be amended, the Trustee will follow the procedures set forth in Section 3.25(a)(vi). Promptly (but no later than 1 Business Day) after filing with the Commission, the Trustee will make available on its internet website a final executed copy of each Form 10-D prepared and filed by the Trustee. Form 10-D requires the registrant to indicate (by checking "yes" or "no") that it "(1) has filed all reports required to be filed by Section 13 or 15(d) of the Exchange Act during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days." The Depositor hereby represents to the Trustee that the Depositor has filed all such required reports during the preceding 12 months and that it has been subject to such filing requirement for the past 90 days. The Depositor shall notify the Trustee in writing, no later than the fifth calendar day after the related Distribution Date with respect to the filing of a report on Form 10-D, if the answer to the questions should be "no." The Trustee shall be entitled to rely on such representations in preparing and/or filing any such Form 10-D. The parties to this Agreement acknowledge that the performance by the Trustee of its duties under Sections 3.25(a)(i) and (vi) related to the timely preparation, arrangement for execution and filing of Form 10-D is contingent upon such parties strictly observing all applicable deadlines in the performance of their duties under such Sections. The Trustee shall have no liability for any loss, expense, damage or claim arising out of or with respect to any failure to properly prepare and/or timely file such Form 10-D, where such failure results from the Trustee's inability or failure to receive, on a timely basis, any information from any other party hereto needed to prepare, arrange for execution or file such Form 10-D, not resulting from its own negligence, bad faith or willful misconduct.

(iii) (A) Within four (4) Business Days after the occurrence of an event requiring disclosure on Form 8-K (each such event, a "Reportable Event"), the Trustee shall prepare and file on behalf of the Trust a Form 8-K, as required by the Exchange Act, provided that the Depositor shall file the initial Form 8-K in connection with the issuance of the Certificates. Any disclosure or information related to a Reportable Event or that is otherwise required to be included on Form 8-K ("Form 8-K Disclosure Information") shall, pursuant to the paragraph immediately below, be reported to the Depositor and the Trustee by the parties set forth on Exhibit T, approved by the Depositor, and the Trustee will have no duty or liability for any failure hereunder to determine or prepare any Form 8-K Disclosure Information absent such reporting, direction and approval.

For so long as the Trust is subject to the Exchange Act reporting requirements, no later than 12:00 noon New York City time on the 2nd Business Day after the occurrence of a Reportable Event (i) the parties set forth in Exhibit T shall be required pursuant to Section 3.25(a)(v) below to provide to the Trustee (at cts.sec.notifications@wellsfargo.com, with a copy by facsimile to 410-715-2380) and the Depositor, to the extent known, in EDGAR-compatible format, or in such other

format as otherwise agreed upon by the Trustee and such party, the form and substance of any Form 8-K Disclosure Information, if applicable, (ii) the parties listed on Exhibit T hereto shall include with such Form 8-K Disclosure Information, an Additional Disclosure Notification in the form attached hereto as Exhibit U, and (iii) the Depositor will approve, as to form and substance, or disapprove, as the case may be, the inclusion of the Form 8-K Disclosure Information on Form 8-K. The Trustee has no duty under this Agreement to monitor or enforce the performance by the parties listed on Exhibit T of their duties under this paragraph or proactively solicit or procure from such parties any Form 8-K Disclosure Information. The Depositor will be responsible for any reasonable fees and expenses assessed or incurred by the Trustee in connection with including any Form 8-K Disclosure Information on Form 8-K pursuant to this Section.

After preparing the Form 8-K, the Trustee shall forward electronically a draft copy of the Form 8-K to the Depositor for review. No later than the close of business on the third Business Day after the Reportable Event, the Depositor shall notify the Trustee in writing (which may be furnished electronically) of any changes to or approval of such Form 8-K. A duly authorized representative of the Depositor shall sign the Form 8-K by noon on the 4th Business Day after the Reportable Event and return an electronic or fax copy of such signed Form 8-K (with an original executed hard copy to follow by overnight mail) to the Trustee. If a Form 8-K cannot be filed on time or if a previously filed Form 8-K needs to be amended, the Trustee will follow the procedures set forth in Section 3.25(a)(vi). Promptly (but no later than 1 Business Day) after filing with the Commission, the Trustee will make available on its internet website a final executed copy of each Form 8-K prepared and filed by the Trustee. The parties to this Agreement acknowledge that the performance by the Trustee of its duties under this Section 3.25(a)(iii) related to the timely preparation, arrangement for execution and filing of Form 8-K is contingent upon such parties strictly observing all applicable deadlines in the performance of their duties under this Section 3.25(a)(iii). The Trustee shall have no liability for any loss, expense, damage, claim arising out of or with respect to any failure to properly prepare and/or timely file such Form 8-K, where such failure results from the Trustee's inability or failure to receive, on a timely basis, any information from any other party hereto needed to prepare, arrange for execution or file such Form 8-K, not resulting from its own negligence, bad faith or willful misconduct.

(iv) (A) On or before 90 days after the end of each fiscal year of the Trust or such earlier date as may be required by the Exchange Act (the "10-K Filing Deadline") (it being understood that the fiscal year for the Trust ends on December 31st of each year), commencing in March 2008, the Trustee shall prepare and file on behalf of the Trust a Form 10-K, in form and substance as required by the Exchange Act. Each such Form 10-K shall include the following items, in each case to the extent they have been delivered to the Trustee within the applicable time frames set forth in this Agreement, (I) the annual compliance statements required under Section 3.20, (II)(A) the annual reports on assessment of compliance with Servicing Criteria required under Section 3.21, and (B) any such report on assessment of compliance with servicing criteria described under Section 3.21 identifies any material instance of noncompliance, disclosure identifying such instance of noncompliance, or if any such report on assessment of compliance with Servicing Criteria described under Section 3.21 is not included as an exhibit to such Form 10-K, disclosure that such report is not included and an explanation why such report is not included, (III)(A) the registered public accounting firm attestation reports required under Section 3.21, and (B) if any registered public accounting firm attestation report described under Section 3.21 identifies any material instance of noncompliance, disclosure identifying such instance of noncompliance, or if any such registered public accounting firm attestation report is not included as an exhibit to such Form 10-K, disclosure that such report is not included and an explanation why such report is not included, and (IV) a Sarbanes-Oxley Certification ("Sarbanes-Oxley Certification") as described in this Section 3.25 (a)(iv)(D) below. Any disclosure or information in addition to (I) through (IV) above that is required to be included on Form 10-K ("Additional Form 10-K Disclosure") shall, pursuant to the paragraph immediately below, be reported by the parties set forth on Exhibit T, approved by the Depositor, and the Trustee will have no duty or liability for any failure hereunder to determine or prepare any Additional Form 10-K Disclosure absent such reporting, direction and approval.

No later than March 1 (with a 10 calendar day cure period) of each year that the Trust is subject to the Exchange Act reporting requirements, commencing in 2008, (i) the parties set forth in Exhibit T shall be required to provide pursuant to Section 3.25(a)(v) below to the Trustee (at cts.sec.notifications@wellsfargo.com, with a copy by facsimile to 410-715-2380) and the Depositor, to the extent known, in EDGAR-compatible format, or in such other format as otherwise agreed upon by the Trustee and such party, the form and substance of any Additional Form 10-K Disclosure, if applicable, (ii) the parties listed on Exhibit T hereto shall include with such Additional Form 10-K Disclosure, an Additional Disclosure Notification in the form attached hereto as Exhibit U, and (iii) the Depositor will approve, as to form and substance, or disapprove, as the case may be, the inclusion of the Additional Form 10-K Disclosure on Form 10-K. The Trustee has no duty under this Agreement to monitor or enforce the performance by the parties listed on Exhibit T of their duties under this paragraph or proactively solicit or procure from such parties any Form 10-K Disclosure Information. The Depositor will be responsible for any reasonable fees and expenses assessed or incurred by the Trustee in connection with including any Additional Form 10-K Disclosure on Form 10-K pursuant to this Section.

After preparing the Form 10-K, the Trustee shall forward electronically a draft copy of the Form 10-K to the Depositor for review. Within three (3) Business Days after receipt of such copy, but no later than March 25th, the Depositor shall notify the Trustee of any changes to or approval of such Form 10-K. The Depositor shall cause a senior officer of the Depositor to sign the Form 10-K no later than four (4) Business Days prior to the 10-K Filing Deadline and return an electronic or fax copy of such signed Form 10-K (with an original executed hard copy to follow by overnight mail) to the Trustee. If a Form 10-K cannot be filed on time or if a previously filed Form 10-K needs to be amended, the Trustee will follow the procedures set forth in Section 3.25(a)(vi). Promptly (but no later than 1 Business Day) after filing with the Commission, the Trustee will make available on its internet website a final executed copy of each Form 10-K prepared and filed by the Trustee. Form 10-K requires the registrant to indicate (by checking "yes" or "no") that it "(1) has filed all reports required to be filed by Section 13 or 15(d) of the Exchange Act during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days." The Depositor hereby represents to the Trustee that the Depositor has filed all such required reports during the preceding 12 months and that it has been subject to such filing requirement for the past 90 days. The Depositor shall notify the Trustee in writing, no later than the 15th calendar day of March in any year in which the Trust is subject to the reporting requirements of the Exchange Act, if the answer to the questions should be "no." The Trustee shall be entitled to rely on such representations in preparing and/or filing any such Form 10-K. The parties to this Agreement acknowledge that the performance by the Trustee of its duties under Sections 3.25(a)(iv) and (vi) related to the timely preparation and filing of Form 10-K is contingent upon such parties strictly observing all applicable deadlines in the performance of their duties under such Sections, Section 3.20 and Section 3.21. The Trustee shall have no liability for any loss, expense, damage or claim arising out of or with respect to any failure to properly prepare and/or timely file such Form 10-K, where such failure results from the Trustee's inability or failure to receive, on a timely basis, any information from any other party hereto needed to prepare, arrange for execution or file such Form 10-K, not resulting from its own negligence, bad faith or willful misconduct.

Each Form 10-K shall include a certification (the "Sarbanes-Oxley Certification"), exactly as set forth in Exhibit R-1 attached hereto, required to be included therewith pursuant to the Sarbanes-Oxley Act. The Trustee shall provide to the Person who signs the Sarbanes-Oxley Certification (the "Certifying Person"), by March 15th of each year in which the Trust is subject to the reporting requirements of the Exchange Act and otherwise within a reasonable period of time upon request, a certification (each, a "Back-Up Certification"), in the form attached hereto as Exhibit R-2, upon which the Certifying Person, the entity for which the Certifying Person acts as an officer, and such entity's officers, directors and Affiliates (collectively with the Certifying Person, "Certification Parties") can reasonably rely. The senior officer of the Depositor shall serve as the Certifying Person on behalf of the Trust. In the event the Trustee is terminated or resigns pursuant to the terms of this Agreement, the Trustee shall provide a Back-Up Certification to the Certifying Person pursuant to this Section 3.25(a)(iv) with respect to the period of time it was subject to this Agreement.

(v) With respect to any Additional Form 10-D Disclosure, Additional Form 10-K Disclosure or any Form 8-K Disclosure Information (collectively, the "Additional Disclosure") relating to the Trust Fund, the Trustee's obligation to include such Additional Information in the applicable Exchange Act report is subject to receipt from the entity that is indicated in Exhibit T as the responsible party for providing that information, if other than the Trustee, as and when required as described in Section 3.25(a)(i) through (iv) above. Each of the Servicer, the Seller and Depositor hereby agree to notify and provide to the extent known to the Trustee and the Depositor all Additional Disclosure relating to the Trust Fund, with respect to which such party is indicated in Exhibit T as the responsible party for providing that information. The Swap Provider will be obligated pursuant to the Swap Agreement to provide to the Trustee any information that may be required to be included in any Form 10-D, Form 8-K or Form 10-K. The Servicer shall be responsible for determining the pool concentration applicable to any Sub-Servicer or originator at any time, for purposes of disclosure as required by Items 1117 and 1119 of Regulation AB.

(vi) On or prior to January 30 of the first year in which the Trustee is able to do so under applicable law, the Trustee shall prepare and file a Form 15 Suspension Notification relating to the automatic suspension of reporting in respect of the Trust under the Exchange Act.

In the event that the Trustee is unable to timely file with the Commission all or any required portion of any Form 8-K, Form 10-D or Form 10-K required to be filed by this Agreement because required disclosure information was either not delivered to it or delivered to it after the delivery deadlines set forth in this Agreement or for any other reason, the Trustee will promptly notify the Depositor. In the case of Form 10-D and Form 10-K, the Depositor, Servicer and Trustee will cooperate to prepare and file a Form 12b-25, a Form 10-D/A and a Form 10-K/A as applicable, pursuant to Rule 12b-25 of the Exchange Act. In the case of Form 8-K, the Trustee will, upon receipt of all required Form 8-K Disclosure Information and upon the approval and direction of the Depositor, include such disclosure information on the next Form 10-D. In the event that any previously filed Form 8-K, Form 10-D or Form 10-K needs to be amended in connection with any Additional Form 10-D Disclosure (other than, in the case of Form 10-D, for the purpose of restating any Monthly Statement), Additional Form 10-K Disclosure or Form 8-K Disclosure Information, the Trustee will notify the Depositor and the Servicer and such parties will cooperate to prepare any necessary Form 8-K/A, Form 10-D/A or Form 10-K/A. Any Form 15, Form 12b-25 or any amendment to Form 8-K, Form 10-D or Form 10-K shall be signed by a duly authorized representative or senior officer in charge of securitization, as applicable, of the Depositor. The Depositor and Servicer acknowledge that the performance by the Trustee of its duties under this Section 3.25(a)(vi) related to the timely preparation, arrangement for execution and filing of Form 15, a Form 12b-25 or any amendment to Form 8-K, Form 10-D or Form 10-K is contingent upon the Servicer and the Depositor performing their duties under this Section. The Trustee shall have no liability for any loss, expense, damage, claim arising out of or with respect to any failure to properly prepare, arrange for execution and/or timely file any such Form 15, Form 12b-25 or any amendments to Forms 8-K, Form 10-D or Form 10-K, where such failure results from the Trustee's inability or failure to receive, on a timely basis, any information from any other party hereto needed to prepare, arrange for execution or file such Form 15, Form 12b-25 or any amendments to Forms 8-K, Form 10-D or Form 10-K, not resulting from its own negligence, bad faith or willful misconduct.

The Depositor agrees to promptly furnish to the Trustee, from time to time upon request, such further information, reports and financial statements within its control related to this Agreement, the Mortgage Loans as the Trustee reasonably deems appropriate to prepare and file all necessary reports with the Commission. The Trustee shall have no responsibility to file any items other than those specified in this Section 3.25; provided, however, the Trustee will cooperate with the Depositor in connection with any additional filings with respect to the Trust Fund as the Depositor deems necessary under the Exchange Act. Fees and expenses incurred by the Trustee in connection with this Section 3.25 shall not be reimbursable from the Trust Fund.

(b) In connection with the filing of any Form 10-K hereunder, the Trustee shall sign a certification (a "Form of Back-Up Certification for Form 10K Certificate," substantially in the form attached hereto as Exhibit R-2) for the Depositor regarding certain aspects of the Form 10-K certification signed by the Depositor, provided, however, that the Trustee shall not be required to undertake an analysis of any accountant's report attached as an exhibit to the Form 10-K.

(c) The Trustee shall indemnify and hold harmless the Depositor and its officers, directors and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon (i) a breach of the Trustee's obligations under this Section 3.25 or the Trustee's negligence, bad faith or willful misconduct in connection therewith and (ii) any material misstatement or omission in the Annual Statement of Compliance delivered by the Trustee pursuant to Section 3.20 or the Assessment of Compliance delivered by the Trustee pursuant to Section 3.21.

The Depositor shall indemnify and hold harmless the Trustee and the Custodian and the officers, directors and affiliates of each from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon a breach of the obligations of the Depositor under this Section 3.25.

The Servicer shall indemnify and hold harmless the Trustee and the Custodian and the respective officers, directors and affiliates of each from and against any losses, damages, penalties, fines, forfeitures, reasonable and necessary legal fees and related costs, judgments and other costs and expenses arising out of or based upon (i) a breach of the obligations of the Servicer under this Section 3.25 and (ii) any material misstatement or omission in the Annual Statement of Compliance delivered by the Servicer pursuant to Section 3.20 or the Assessment of Compliance delivered by the Servicer pursuant to Section 3.21.

If the indemnification provided for herein is unavailable or insufficient to hold harmless the Depositor, the Trustee or the Custodian, as applicable, then the defaulting party, in connection with a breach of its respective obligations under this Section 3.25, agrees that it shall contribute to the amount paid or payable by each such party as a result of the losses, claims, damages or liabilities of such party in such proportion as is appropriate to reflect the relative fault of the defaulting party on the one hand and each such non-defaulting party on the other.

(d) Nothing shall be construed from the foregoing subsections (a), (b) and (c) to require the Trustee or any officer, director or Affiliate thereof to sign any Form 10-K or any certification contained therein. Furthermore, the inability of the Trustee to file a Form 10-K as a result of the lack of required information as set forth in Section 3.25(a) or required signatures on such Form 10-K or any certification contained therein shall not be regarded as a breach by the Trustee of any obligation under this Agreement.

(e) Notwithstanding the provisions of Section 11.01, this Section 3.25 may be amended without the consent of the Certificateholders.

SECTION 3.26. Obligations of the Servicer in Respect of Mortgage Rates and Monthly Payments.

In the event that a shortfall in any collection on or liability with respect to the Mortgage Loans in the aggregate results from or is attributable to adjustments to Mortgage Rates, Monthly Payments or Stated Principal Balances that were made by the Servicer in a manner not consistent with the terms of the related Mortgage Note and this Agreement, the Servicer, upon discovery or receipt of notice thereof, immediately shall deposit in the Collection Account from its own funds the amount of any such shortfall and shall indemnify and hold harmless the Trust Fund, the Trustee, the Depositor and any successor servicer in respect of any such liability. Such indemnities shall survive the termination or discharge of this Agreement. Notwithstanding the foregoing, this Section 3.26 shall not limit the ability of the Servicer to seek recovery of any such amounts from the related Mortgagor under the terms of the related Mortgage Note, as permitted by law.

SECTION 3.27. Solicitations.

From and after the Closing Date, the Servicer agrees that it will not take any action or permit or cause any action to be taken by any of its agents and Affiliates, or by any independent contractors or independent mortgage brokerage companies on the Servicer's behalf, to personally, by telephone, mail or electronic mail, solicit the Mortgagor under any Mortgage Loan for the purpose of refinancing such Mortgage Loan; provided, that the Servicer may solicit any Mortgagor for whom the Servicer has received a request for verification of mortgage, a request for demand for payoff, a mortgagor initiated written or verbal communication indicating a desire to prepay the related Mortgage Loan, another mortgage company has pulled a credit report on the mortgagor or the mortgagor initiates a title search; provided further, it is understood and agreed that promotions undertaken by the Servicer or any of its Affiliates which (i) concern optional insurance products or other additional products or (ii) are directed to the general public at large, including, without limitation, mass mailings based on commercially acquired mailing lists, newspaper, radio and television advertisements shall not constitute solicitation under this Section, nor is the Servicer prohibited from responding to unsolicited requests or inquiries made by a Mortgagor or an agent of a Mortgagor. Furthermore, the Servicer shall be permitted to include in its monthly statements to borrowers or otherwise, statements regarding the availability of the Servicer's counseling services with respect to refinancing mortgage loans.

Notwithstanding the foregoing, with respect to any Fixed-Rate Mortgage Loan, the Servicer may solicit the Mortgagor for the purpose of refinancing such Mortgage Loan, beginning 60 days prior to the later of (i) the expiration of the related Prepayment Charge term, if applicable and (ii) 24 months following origination of such Mortgage Loan and with respect to any Adjustable-Rate Mortgage Loan, the Servicer may solicit the Mortgagor for the purpose of refinancing such Mortgage Loan, beginning 60 days prior to the later of (i) the expiration of the related Prepayment Charge term, if applicable and (ii) the expiration of any applicable fixed-rate period.

SECTION 3.28. [Reserved].

SECTION 3.29. Advancing Facility.

(a) The Servicer and/or the Trustee on behalf of the Trust Fund, in either case, with the consent of the NIMS Insurer and the Servicer in the case of the Trustee, is hereby authorized to enter into a facility (the "Advancing Facility") with any Person which provides that such Person (an "Advancing Person") may fund Advances and/or Servicing Advances to the Trust Fund under this Agreement, although no such facility shall reduce or otherwise affect the Servicer's obligation to fund such Advances and/or Servicing Advances. If the Servicer enters into such an Advancing Facility pursuant to this Section 3.29, upon reasonable request of the Advancing Person, the Trustee shall execute a letter of acknowledgment, confirming its receipt of notice of the existence of such Advancing Facility. To the extent that an Advancing Person funds any Advance or any Servicing Advance and provides the Trustee with notice acknowledged by the Servicer that such Advancing Person is entitled to reimbursement, such Advancing Person shall be entitled to receive reimbursement pursuant to this Agreement for such amount to the extent provided in Section 3.29(b). Such notice from the Advancing Person must specify the amount of the reimbursement, the Section of this Agreement that permits the applicable Advance or Servicing Advance to be reimbursed and the section(s) of the Advancing Facility that entitle the Advancing Person to request reimbursement from the Trustee, rather than the Servicer, and include the Servicer's acknowledgment thereto or proof of an Event of Default under the Advancing Facility. The Trustee shall have no duty or liability with respect to any calculation of any reimbursement to be paid to an Advancing Person and shall be entitled to rely without independent investigation on the Advancing Person's notice provided pursuant to this Section 3.29. An Advancing Person whose obligations hereunder are limited to the funding of Advances and/or Servicing Advances shall not be required to meet the qualifications of a Servicer or a Sub-Servicer pursuant to Section 6.06 hereof and will not be deemed to be a Sub-Servicer under this Agreement. If the terms of a facility proposed to be entered into with an Advancing Person by the Trust Fund would not materially and adversely affect the interests of any Certificateholder, then the NIMS Insurer shall not withhold its consent to the Trust Fund's entering such facility.

(b) If an Advancing Facility is entered into, then the Servicer shall not be permitted to reimburse itself therefor under Section 3.11(a)(ii), Section 3.11(a)(iii), Section 3.11(a)(vi), Section 3.11(a)(vii), Section 3.11(a)(viii) and Section 4.04(b) prior to the remittance to the Trust Fund, but instead the Servicer shall include such amounts in the applicable remittance to the Trustee made pursuant to Section 3.10(a). The Trustee is hereby authorized to pay to the Advancing Person, reimbursements for Advances and Servicing Advances from the Distribution Account to the same extent the Servicer would have been permitted to reimburse itself for such Advances and/or Servicing Advances in accordance with Section 3.11(a)(ii), Section 3.11(a)(iii), Section 3.11(a)(vi), Section 3.11(a)(vii), Section 3.11(a)(viii) or Section 4.04(b), as the case may be, had the Servicer itself funded such Advance or Servicing Advance. The Trustee is hereby authorized to pay directly to the Advancing Person such portion of the Servicing Fee as the parties to any advancing facility agree.

(c) All Advances and Servicing Advances made pursuant to the terms of this Agreement shall be deemed made and shall be reimbursed on a "first in-first out" (FIFO) basis.

(d) Any amendment to this Section 3.29 or to any other provision of this Agreement that may be necessary or appropriate to effect the terms of an Advancing Facility as described generally in this Section 3.29, including amendments to add provisions relating to a successor servicer, may be entered into by the Trustee and the Servicer without the consent of any Certificateholder but with the consent of the NIMS Insurer, notwithstanding anything to the contrary in this Agreement.

On each Distribution Date, after making the distributions of the Available Funds, Net Monthly Excess Cashflow and amounts on deposit in the Net WAC Rate Carryover Reserve Account as set forth above, the Trustee, in its capacity as Supplemental Interest Trust Trustee, shall distribute the amount on deposit in the Swap Account as follows:

(i) concurrently, to each Class of Class A Certificates, the related Monthly Interest Distributable Amount and Unpaid Interest Shortfall Amount remaining undistributed, on a pro rata basis based on such respective remaining Monthly Interest Distributable Amount;

(ii) sequentially, to the Class M-1, Class M-2, Class M-3, Class M-4, Class M-5, Class M-6, Class M-7, Class M-8, Class M-9 and Class M-10 Certificates, in that order, the related Monthly Interest Distributable Amount and Unpaid Interest Shortfall Amount, to the extent remaining undistributed;

(iii) to the Class or Classes of Certificates then entitled to receive distributions in respect of principal, in an amount equal to the difference between (x) the Overcollateralization Deficiency Amount, if any, and (y) the amount distributed pursuant to Section 4.01(d)(i) of this Agreement;

(iv) sequentially to the Class M-1, Class M-2, Class M-3, Class M-4, Class M-5, Class M-6, Class M-7, Class M-8, Class M-9 and Class M-10 Certificates, in that order, in each case up to the related Allocated Realized Loss Amount related to such Certificates for such Distribution Date remaining undistributed;

(v) concurrently, to each Class of Class A Certificates, the related Net WAC Rate Carryover Amount remaining undistributed, on a pro rata basis based on such respective remaining Net WAC Rate Carryover Amounts; and

(vi) sequentially, to the Class M-1, Class M-2, Class M-3, Class M-4, Class M-5, Class M-6, Class M-7, Class M-8, Class M-9 and Class M-10 Certificates, in that order, the related Net WAC Rate Carryover Amount remaining undistributed.

Notwithstanding any of the foregoing, the aggregate amount distributed under clause (iii) above on such Distribution Date, when added to the cumulative amount distributed under clause (iii) above on all prior Distribution Dates, will not be permitted to exceed the cumulative amount of Realized Losses incurred on the Mortgage Loans since the Cut-off Date through the last day of the Prepayment Period (reduced by the aggregate amount of Subsequent Recoveries received since the Cut-off Date through the last day of the Prepayment Period). Any amounts that would otherwise be distributable from the Supplemental Interest Trust on any Distribution Date under clause (iii) above, but for the foregoing proviso, will be retained in the Supplemental Interest Trust and will be included in amounts available for distribution from the Supplemental Interest Trust on the next succeeding Distribution Date, subject to the foregoing proviso in the case of amounts to be distributed under clause (iii) above.

(g) [Reserved].

(h) Method of Distribution. The Trustee shall make distributions in respect of a Distribution Date to each Certificateholder of record on the related Record Date (other than as provided in Section 10.01 respecting the final distribution), in the case of Certificateholders of the Regular Certificates, by check or money order mailed to such Certificateholder at the address appearing in the Certificate Register, or by wire transfer. Distributions among Certificateholders shall be made in proportion to the Percentage Interests evidenced by the Certificates held by such Certificateholders.

(i) Distributions on Book-Entry Certificates. Each distribution with respect to a Book-Entry Certificate shall be paid to the Depository, which shall credit the amount of such distribution to the accounts of its Depository Participants in accordance with its normal procedures. Each Depository Participant shall be responsible for disbursing such distribution to the Certificate Owners that it represents and to each indirect participating brokerage firm (a "brokerage firm" or "indirect participating firm") for which it acts as agent. Each brokerage firm shall be responsible for disbursing funds to the Certificate Owners that it represents. All such credits and disbursements with respect to a Book-Entry Certificate are to be made by the Depository and the Depository Participants in accordance with the provisions of the Certificates. None of the Trustee, the Depositor, the Servicer or the Originator shall have any responsibility therefor except as otherwise provided by applicable law.

(j) Subsequent Recoveries. On each Distribution Date, following all distributions on the Certificates pursuant to Section 4.01, an amount equal to the amount of Subsequent Recoveries deposited into the Collection Account pursuant to Section 3.10 and included in the Available Funds for such Distribution Date will be applied to increase the Certificate Principal Balance of the Class of Certificates with the Highest Priority up to the extent of such Realized Losses previously allocated to that Class of Certificates pursuant to Section 4.08. An amount equal to the amount of any remaining Subsequent Recoveries will be applied to increase the Certificate Principal Balance of the Class of Certificates with the next Highest Priority, up to the amount of such Realized Losses previously allocated to that Class of Certificates pursuant to Section 4.08, and so on. Holders of such Certificates will not be entitled to any distribution in respect of interest on the amount of such increases for any Accrual Period preceding the Distribution Date on which such increase occurs. Any such increases shall be applied to the Certificate Principal Balance of each Certificate of such Class in accordance with its respective Percentage Interest.

(k) It is the intention of all of the parties hereto that the Class C Certificates receive all principal and interest received by the Trust on the Mortgage Loans that is not otherwise distributable to any other Class of Regular Certificates or REMIC Regular Interests. If the Trustee determines that the Residual Certificates are entitled to any distributions, the Trustee, prior to any such distribution to any Residual Certificate, shall notify the Depositor of such impending distribution. Upon such notification, the Depositor will request an amendment to the Pooling and Servicing Agreement to revise such mistake in the distribution provisions. The Residual Certificate Holders, by acceptance of their Certificates, and the Servicer(s) hereby agree and no further consent shall be necessary, notwithstanding anything to the contrary in Section 11.01 of the Pooling and Servicing Agreement.

SECTION 4.02. [Reserved].

The Trustee will make such statement (and, at its option, any additional files containing the same information in an alternative format) available each month to Certificateholders, the NIMS Insurer, the Swap Provider and the Rating Agencies via the Trustee's internet website. The Trustee's internet website shall initially be located at "www.ctslink.com". Assistance in using the website can be obtained by calling the Trustee's customer service desk at (301) 815-6600. Parties that are unable to use the above distribution option are entitled to have a paper copy mailed to them via first class mail by calling the customer service desk and indicating such. The Trustee shall have the right to change the way such statements are distributed in order to make such distribution more convenient and/or more accessible to the above parties and the Trustee shall provide timely and adequate notification to all above parties regarding any such changes. As a condition to access the Trustee's internet website, the Trustee may require registration and the acceptance of a disclaimer. The Trustee will not be liable for the dissemination of information in accordance with this Agreement. The Trustee shall also be entitled to rely on but shall not be responsible for the content or accuracy of any information provided by third parties for purposes of preparing the distribution date statement and may affix thereto any disclaimer it deems appropriate in its reasonable discretion (without suggesting liability on the part of any other party thereto).

In the case of information furnished pursuant to subclauses (i) through (iii) above, the amounts shall be expressed in a separate section of the report as a dollar amount for each Class for each \$1,000 original dollar amount as of the Cut-off Date.

In addition, the Trustee will report on Form 10-D any material breaches of representations and warranties regarding the Mortgage Loans to the extent known to the Trustee and if applicable, material modifications, extensions or waivers to Mortgage Loan terms, fees, penalties or payments during the preceding calendar month or that have become material over time.

For all purposes of this Agreement, with respect to any Mortgage Loan, delinquencies shall be determined by the Trustee from information provided by the Servicer and reported by the Trustee based on the OTS methodology for determining delinquencies on mortgage loans similar to the Mortgage Loans. By way of example, a Mortgage Loan would be Delinquent with respect to a Monthly Payment due on a Due Date if such Monthly Payment is not made by the close of business on the Mortgage Loan's next succeeding Due Date, and a Mortgage Loan would be more than 30-days Delinquent with respect to such Monthly Payment if such Monthly Payment were not made by the close of business on the Mortgage Loan's second succeeding Due Date (the "OTS Method"). The Servicer hereby represents and warrants to the Depositor that it is not subject to any delinquency recognition policy established by its safety and soundness regulators.

(b) Within a reasonable period of time after the end of each calendar year, the Trustee shall, upon written request, furnish to the NIMS Insurer and each Person who at any time during the calendar year was a Certificateholder of a Regular Certificate, if requested in writing by such Person, such information as is reasonably necessary to provide to such Person a statement containing the information set forth in subclauses (i) through (iii) above, aggregated for such calendar year or applicable portion thereof during which such Person was a Certificateholder. Such obligation of the Trustee shall be deemed to have been satisfied to the extent that substantially comparable information shall be prepared and furnished by the Trustee to Certificateholders pursuant to any requirements of the Code as are in force from time to time.

(c) On each Distribution Date, the Trustee shall make available to the NIMS Insurer and the Residual Certificateholders a copy of the reports forwarded to the Regular Certificateholders in respect of such Distribution Date with such other information as the Trustee deems necessary or appropriate.

(d) Within a reasonable period of time after the end of each calendar year, the Trustee shall deliver to the NIMS Insurer and each Person who at any time during the calendar year was a Residual Certificateholder, if requested in writing by such Person, such information as is reasonably necessary to provide to such Person a statement containing the information provided pursuant to the previous paragraph aggregated for such calendar year or applicable portion thereof during which such Person was a Residual Certificateholder. Such obligation of the Trustee shall be deemed to have been satisfied to the extent that substantially comparable information shall be prepared and furnished to Certificateholders by the Trustee pursuant to any requirements of the Code as from time to time in force.

(e) For each Distribution Date, through and including the Distribution Date in December 2007, the Trustee shall calculate the Significance Percentage of the Interest Rate Swap Agreement. If on any such Distribution Date, the Significance Percentage is equal to or greater than 9%, the Trustee shall promptly notify the Depositor and the Depositor, on behalf of the Trustee, shall obtain the financial information required to be delivered by the Swap Provider pursuant to the terms of the Interest Rate Swap Agreement. If, on any succeeding Distribution Date through and including the Distribution Date in December 2007, the Significance Percentage is equal to or greater than 10%, the Trustee shall promptly notify the Depositor and the Depositor shall, within 5 Business Days of such Distribution Date, deliver to the Trustee the financial information provided to it by the Swap Provider for inclusion in the Form 10-D relating to such Distribution Date. If on any Distribution Date after December 2007, the Significance Percentage is greater than 10%, the Trustee shall include the Significance Percentage on the statement to Certificateholders for the related Distribution Date.

SECTION 4.04.

Remittance Reports; Advances.

(a) On the second Business Day following each Determination Date but in no event later than the earlier of (i) such date which would allow the indenture trustee to submit a claim to the NIMS Insurer under the Indenture so as to allow a timely payment by the NIMS Insurer under the insurance policy related to the notes insured by the NIMS Insurer and (ii) the 20th day of each month (or if such 20th day is not a Business Day, the preceding Business Day), the Servicer shall deliver to the Trustee by telecopy or electronic mail (or by such other means as the Servicer and the Trustee may agree from time to time) a Remittance Report in the form of Exhibit O hereto (or such form mutually agreed upon) with respect to the related Distribution Date. Not later than the 20th day of each month (or if such 20th day is not a Business Day, the preceding Business Day), the Servicer shall deliver or cause to be delivered to the Trustee in addition to the information provided on the Remittance Report, such other information reasonably available to it with respect to the Mortgage Loans as the Trustee may reasonably require to perform the calculations necessary to make the distributions contemplated by Section 4.01 and to prepare the statements to Certificateholders contemplated by Section 4.03. The Trustee shall not be responsible to recompute, recalculate or verify any information provided to it by the Servicer.

(b) The amount of Advances to be made by the Servicer for any Distribution Date shall equal, subject to Section 4.04(d), the sum of (i) the aggregate amount of Monthly Payments (net of the related Servicing Fee), due during the related Due Period in respect of the Mortgage Loans, which Monthly Payments were delinquent on a contractual basis as of the Close of Business on the related Determination Date and (ii) with respect to each REO Property, which REO Property was acquired during or prior to the related Due Period and as to which REO Property an REO Disposition did not occur during the related Due Period, an amount equal to the excess, if any, of the REO Imputed Interest on such REO Property for the most recently ended calendar month, over the net income from such REO Property transferred to the Distribution Account pursuant to Section 3.23 for distribution on such Distribution Date.

(c) On or before 1:00 p.m. New York time on the Servicer Remittance Date, the Servicer shall remit in immediately available funds to the Trustee for deposit in the Distribution Account an amount equal to the aggregate amount of Advances, if any, to be made in respect of the Mortgage Loans and REO Properties for the related Distribution Date either (i) from its own funds or (ii) from the Collection Account, to the extent of funds held therein for future distribution (in which case it will cause to be made an appropriate entry in the records of Collection Account that amounts held for future distribution have been, as permitted by this Section 4.04, used by the Servicer in discharge of any such Advance) or (iii) in the form of any combination of (i) and (ii) aggregating the total amount of Advances to be made by the Servicer with respect to the Mortgage Loans and REO Properties. Any amounts held for future distribution used by the Servicer to make an Advance as permitted in the preceding sentence or withdrawn by the Servicer as permitted in Section 3.11(a)(ii) in reimbursement of Advances previously made shall be appropriately reflected in the Servicer's records and replaced by the Servicer by deposit in the Collection Account on or before any future Servicer Remittance Date to the extent that the Available Funds for the related Distribution Date (determined without regard to Advances to be made on the Servicer Remittance Date) shall be less than the total amount that would be distributed to the Classes of Certificateholders pursuant to Section 4.01 on such Distribution Date if such amounts held for future distributions had not been so used to make Advances or reimburse for previously made Advances. The Trustee will provide notice to the NIMS Insurer and the Servicer by teletype by the Close of Business on any Servicer Remittance Date in the event that the amount remitted by the Servicer to the Trustee on such date is less than the Advances required to be made by the Servicer for the related Distribution Date, as set forth in the related Remittance Report.

(d) The obligation of the Servicer to make such Advances is mandatory, notwithstanding any other provision of this Agreement but subject to (e) below, and, with respect to any Mortgage Loan, shall continue until the Mortgage Loan is paid in full or until the recovery of all Liquidation Proceeds thereon.

(e) Notwithstanding anything herein to the contrary, no Advance or Servicing Advance shall be required to be made hereunder by the Servicer if such Advance or Servicing Advance would, if made, constitute a Nonrecoverable Advance. The determination by the Servicer that it has made a Nonrecoverable Advance or that any proposed Advance or Servicing Advance, if made, would constitute a Nonrecoverable Advance, shall be evidenced by an Officers' Certificate of the Servicer delivered to the NIMS Insurer, the Depositor and the Trustee.

SECTION 4.05. Net WAC Rate Carryover Reserve Account.

No later than the Closing Date, the Trustee shall establish and maintain with itself a separate, segregated trust account titled, "Net WAC Rate Carryover Reserve Account, Wells Fargo Bank, N.A., as Trustee, in trust for registered Holders of Option One Mortgage Loan Trust 2007-6, Asset-Backed Certificates, Series 2007-6" which shall be an Eligible Account.

On each Distribution Date as to which there is a Net WAC Rate Carryover Amount payable to the Class A Certificates and/or the Mezzanine Certificates, the Trustee has been directed by the Class C Certificateholders to, and therefore will, deposit into the Net WAC Rate Carryover Reserve Account the amounts described in Section 4.01(d)(iii), rather than distributing such amounts to the Class C Certificateholders. On each such Distribution Date, the Trustee shall hold all such amounts for the benefit of the Holders of the Class A Certificates and the Mezzanine Certificates, and will distribute such amounts to the Holders of the Class A Certificates and/or the Mezzanine Certificates in the amounts and priorities set forth in Section 4.01(e).

On or after any Distribution Date following the reduction of the aggregate Certificate Principal Balance of the Class A and Mezzanine Certificates to zero, any amounts remaining in the Net WAC Rate Carryover Reserve Account after the payment of any Net WAC Rate Carryover Amounts on the Class A Certificates and the Mezzanine Certificates for such Distribution Date, shall be distributed to the Class C Certificateholder or their designee.

It is the intention of the parties hereto that, for federal and state income and state and local franchise tax purposes, the Net WAC Rate Carryover Reserve Account be disregarded as an entity separate from the Holder of the Class C Certificates unless and until the date when either (a) there is more than one Class C Certificateholder or (b) any Class of Certificates in addition to the Class C Certificates is recharacterized as an equity interest in the Net WAC Rate Carryover Reserve Account for federal income tax purposes, in which case it is the intention of the parties hereto that, for federal and state income and state and local franchise tax purposes, the Net WAC Rate Carryover Reserve Account be treated as a partnership; provided, that the Trustee shall not be required to prepare and file partnership tax returns in respect of such partnership unless it receives additional reasonable compensation (not to exceed \$10,000 per year) for the preparation of such filings, written notification recognizing the creation of a partnership agreement or comparable documentation evidencing the partnership, if any. The Net WAC Rate Carryover Reserve Account will be an "outside reserve fund" within the meaning of Treasury Regulation Section 1.860G-2(h). All amounts deposited into the Net WAC Rate Carryover Reserve Account shall be treated as amounts distributed by REMIC 3 to the Holder of the Class C Interest and by REMIC 4 to the Holders of the Class C Certificates. Upon the termination of the Trust, or the payment in full of the Class A Certificates and the Mezzanine Certificates, all amounts remaining on deposit in the Net WAC Rate Carryover Reserve Account will be released by the Trust and distributed to the Class C Certificateholders or their designees. The Net WAC Rate Carryover Reserve Account will be part of the Trust but not part of any REMIC and any payments to the Holders of the Class A Certificates or the Mezzanine Certificates of Net WAC Rate Carryover Amounts will not be payments with respect to a "regular interest" in a REMIC within the meaning of Code Section 860(G)(a)(1).

By accepting a Class C Certificate, each Class C Certificateholder hereby agrees to direct the Trustee, and the Trustee hereby is directed, to deposit into the Net WAC Rate Carryover Reserve Account the amounts described above on each Distribution Date as to which there is any Net WAC Rate Carryover Amount rather than distributing such amounts to the Class C Certificateholders. By accepting a Class C Certificate, each Class C Certificateholder further agrees that such direction is given for good and valuable consideration, the receipt and sufficiency of which is acknowledged by such acceptance.

Amounts on deposit in the Net WAC Rate Carryover Reserve Account shall remain uninvested.

For federal tax return and information reporting, the value of the right of the Holders of the Class A and the Mezzanine Certificates to receive payments from the Net WAC Rate Carryover Reserve Account in respect of any Net WAC Rate Carryover Amount shall be de minimis.

SECTION 4.06. Distributions on the REMIC Regular Interests.

(a) On each Distribution Date, the Trustee shall cause in the following order of priority, the following amounts to be distributed by REMIC 1 to REMIC 2 on account of the REMIC 1 Regular Interests or withdrawn from the Distribution Account and distributed to the Holders of the Class R Certificates (in respect of the Class R-1 Interest), as the case may be:

(i) to Holders of each of REMIC 1 Regular Interest I, REMIC 1 Regular Interest II and REMIC 1 Regular Interest I-1-A through I-76-B, pro rata, in an amount equal to (A) Uncertificated Accrued Interest for such REMIC 1 Regular Interests for such Distribution Date, plus (B) any amounts payable in respect thereof remaining unpaid from previous Distribution Dates;

(ii) to the extent of amounts remaining after the distributions made pursuant to clause (i) above, payments of principal shall be allocated as follows: first, to REMIC 1 Regular Interest II in an amount equal to the aggregate principal distributions made on the Class A Certificates and the Mezzanine Certificates until the Uncertificated Principal Balance of REMIC 1 Regular Interest II has been reduced to zero, second, to REMIC 1 Regular Interest I in an amount equal to the aggregate principal distributions made on the Certificates other than the Class A Certificates, the Mezzanine Certificates and the Class P Certificates until the Uncertificated Principal Balance of REMIC 1 Regular Interest I has been reduced to zero and third, to REMIC 1 Regular Interest I-1-A through I-76-B, starting with the lowest numerical denomination until each such REMIC 1 Regular Interest has been reduced to zero, provided that, for REMIC 1 Regular Interests with the same numerical denomination, such distributions shall be allocated pro rata between such REMIC 1 Regular Interests; and

(iii) to the Holders of REMIC 1 Regular Interest I-76-A and REMIC 1 Regular Interest I-76-B, pro rata, on each Distribution Date, 100% of the amount paid in respect of Prepayment Charges.

(b) On each Distribution Date, the Trustee shall cause in the following order of priority, the following amounts to be distributed by REMIC 2 to REMIC 3 on account of the REMIC 2 Regular Interests or withdrawn from the Distribution Account and distributed to the Holders of the Class R Certificates (in respect of the Class R-2 Interest), as the case may be:

(i) first, to the Holders of REMIC 2 Regular Interest LTIO, in an amount equal to (A) Uncertificated Accrued Interest for such REMIC 2 Regular Interest for such Distribution Date, plus (B) any amounts in respect thereof remaining unpaid from previous Distribution Dates;

(ii) second, to Holders of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTIA1, REMIC 2 Regular Interest LTIIA1, REMIC 2 Regular Interest LTIIA2, REMIC 2 Regular Interest LTIIA3, REMIC 2 Regular Interest LTIIA4, REMIC 2 Regular Interest LTM1, REMIC 2 Regular Interest LTM2, REMIC 2 Regular Interest LTM3, REMIC 2 Regular Interest LTM4, REMIC 2 Regular Interest LTM5, REMIC 2 Regular Interest LTM6, REMIC 2 Regular Interest LTM7, REMIC 2 Regular Interest LTM8, REMIC 2 Regular Interest LTM9, REMIC 2 Regular Interest LTM10, REMIC 2 Regular Interest LTZZ and REMIC 2 Regular Interest LTP, pro rata, in an amount equal to (A) the Uncertificated Accrued Interest for such Distribution Date, plus (B) any amounts in respect thereof remaining unpaid from previous Distribution Dates. Amounts payable as Uncertificated Accrued Interest in respect of REMIC 2 Regular Interest LTZZ shall be reduced and deferred when the REMIC 2 Overcollateralized Amount is less than the REMIC 2 Overcollateralization Target Amount, by the lesser of (x) the amount of such difference and (y) the Maximum LTZZ Uncertificated Interest Deferral Amount and such amount shall be payable to the Holders of REMIC 2 Regular Interest LTIA1, REMIC 2 Regular Interest LTIIA1, REMIC 2 Regular Interest LTIIA2, REMIC 2 Regular Interest LTIIA3, REMIC 2 Regular Interest LTIIA4, REMIC 2 Regular Interest LTM1, REMIC 2 Regular Interest LTM2, REMIC 2 Regular Interest LTM3, REMIC 2 Regular Interest LTM4, REMIC 2 Regular Interest LTM5, REMIC 2 Regular Interest LTM6, REMIC 2 Regular Interest LTM7, REMIC 2 Regular Interest LTM8, REMIC 2 Regular Interest LTM9 and REMIC 2 Regular Interest LTM10 in the same proportion as the Overcollateralization Increase Amount is allocated to the Corresponding Certificates and the Uncertificated Principal Balance of REMIC 2 Regular Interest LTZZ shall be increased by such amount;

(iii) third, to the Holders of REMIC 2 Regular Interests, in an amount equal to the remainder of the Available Funds for such Distribution Date after the distributions made pursuant to clause (i) above, allocated as follows:

(a) 98.00% of such remainder (other than amounts payable under clause (c) below), to the Holders of REMIC 2 Regular Interest LTAA and REMIC 2 Regular Interest LTP, until the Uncertificated Principal Balance of such REMIC 2 Regular Interest is reduced to zero, provided, however, that REMIC 2 Regular Interest LTP shall not be reduced until the Distribution Date immediately following the expiration of the latest Prepayment Charge as identified on the Prepayment Charge Schedule or any Distribution Date thereafter, at which point such amount shall be distributed to REMIC 2 Regular Interest LTP, until \$100 has been distributed pursuant to this clause; and

(b) 2.00% of such remainder (other than amounts payable under clause (c) below), first, to the Holders of REMIC 2 Regular Interest LTIA1, REMIC 2 Regular Interest LTIIA1, REMIC 2 Regular Interest LTIIA2, REMIC 2 Regular Interest LTIIA3, REMIC 2 Regular Interest LTIIA4, REMIC 2 Regular Interest LTM1, REMIC 2 Regular Interest LTM2, REMIC 2 Regular Interest LTM3, REMIC 2 Regular Interest LTM4, REMIC 2 Regular Interest LTM5, REMIC 2 Regular Interest LTM6, REMIC 2 Regular Interest LTM7, REMIC 2 Regular Interest LTM8, REMIC 2 Regular Interest LTM9 and REMIC 2 Regular Interest LTM10, 1.00% of and, in the same proportion as principal payments are allocated to the Corresponding Certificates, until the Uncertificated Principal Balances of such REMIC 2 Regular Interests are reduced to zero and second, to the Holders of REMIC 2 Regular Interest LTZZ, 1.00% of such remainder, until the Uncertificated Principal Balance of such REMIC 2 Regular Interest is reduced to zero;

provided, however, that (i) 98.00% and (ii) 2.00% of any principal payments that are attributable to an Overcollateralization Reduction Amount shall be allocated to Holders of (i) REMIC 2 Regular Interest LTAA and REMIC 2 Regular Interest LTP, in that order and (ii) REMIC 2 Regular Interest LTZZ, respectively; provided that REMIC 2 Regular Interest LTP shall not be reduced until the Distribution Date immediately following the expiration of the latest Prepayment Charge as identified on the Prepayment Charge Schedule or any Distribution Date thereafter, at which point such amount shall be distributed to REMIC 2 Regular Interest LTP, until \$100 has been distributed pursuant to this clause; and

(iv) fourth, any remaining amount to the Holders of the Class R Certificates (in respect of the Class R-2 Interest).

Notwithstanding the distributions described in this Section 4.07, distribution of funds shall be made only in accordance with Section 4.01.

(c) On each Distribution Date, 100% of the amounts distributed on REMIC 2 Regular Interest LTIO shall be deemed distributed by REMIC 2 to REMIC 3 in respect of the Class SWAP-IO Interest. Such amounts shall be deemed distributed by REMIC 3 to REMIC 6 in respect of REMIC 6 Regular Interest SWAP-IO. Such amounts shall be deemed distributed by REMIC 6 to the Swap Administrator for deposit into the Swap Account.

On each Distribution Date, all amounts representing Prepayment Charges in respect of the Mortgage Loans received during the related Prepayment Period will be distributed by REMIC 2 to the Holders of REMIC 2 Regular Interest LTP. The payment of the foregoing amounts to the Holders of REMIC 2 Regular Interest LTP shall not reduce the Uncertificated Principal Balance thereof.

SECTION 4.07. Allocation of Realized Losses.

(a) All Realized Losses on the Mortgage Loans allocated to any Regular Certificate shall be allocated by the Trustee on each Distribution Date as follows: first, as provided in Section 1.03, to the interest accrued on the Class C Certificates after the allocation thereto of certain interest shortfalls as provided in Section 1.03; second, to the Class C Certificates (determined for purposes of this Section 4.07 as the amount by which (A) the aggregate Uncertificated Principal Balance of the REMIC 1 Regular Interests immediately preceding such Distribution Date exceeds (B) the aggregate Certificate Principal Balance of the Class A Certificates, the Mezzanine Certificates and the Class P Certificates immediately preceding such Distribution Date), until the Certificate Principal Balance thereof has been reduced to zero; third, to the Class M-10 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; fourth, to the Class M-9 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; fifth, to the Class M-8 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; sixth, to the Class M-7 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; seventh, to the Class M-6 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; eighth, to the Class M-5 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; ninth, to the Class M-4 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; tenth, to the Class M-3 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; eleventh, to the Class M-2 Certificates, until the Certificate Principal Balance thereof has been reduced to zero; and twelfth, to the Class M-1 Certificates, until the Certificate Principal Balance thereof has been reduced to zero. All Realized Losses to be allocated to the Certificate Principal Balances of all Classes on any Distribution Date shall be so allocated after the actual distributions to be made on such date as provided above. All references above to the Certificate Principal Balance of any Class of Certificates shall be to the Certificate Principal Balance of such Class immediately prior to the relevant Distribution Date, before reduction thereof by any Realized Losses, in each case to be allocated to such Class of Certificates, on such Distribution Date.

Any allocation of Realized Losses to a Mezzanine Certificate on any Distribution Date shall be made by reducing the Certificate Principal Balance thereof by the amount so allocated; any allocation of Realized Losses to a Class C Certificate shall be made by reducing the amount otherwise payable in respect thereof pursuant to Section 4.01(d)(v). No allocations of any Realized Losses shall be made to the Certificate Principal Balances of the Class A Certificates or the Class P Certificates.

(b) All Realized Losses on the Mortgage Loans shall be deemed to have been allocated first, to REMIC 1 Regular Interest II in an amount equal to the aggregate Realized Losses allocated to the Class A Certificates and the Mezzanine Certificates until the Uncertificated Principal Balance REMIC 1 Regular Interest II has been reduced to zero, second, to REMIC 2 Regular Interest I in an amount equal to the aggregate Realized Losses allocated to the Certificates other than the Class A Certificates and the Mezzanine Certificates until the Uncertificated Principal Balance of REMIC 2 Regular Interest I has been reduced to zero and third, to REMIC 2

Regular Interest I-1-A through I-76-B, starting with the lowest numerical denomination until each such REMIC 1 Regular Interest has been reduced to zero, provided that, for REMIC 1 Regular Interests with the same numerical denomination, such Realized Losses shall be allocated pro rata between such REMIC 1 Regular Interests.

(b) All Realized Losses on the Mortgage Loans shall be allocated by the Trustee on each Distribution Date to the following REMIC 2 Regular Interests in the specified percentages, as follows: first, to Uncertificated Accrued Interest payable to the REMIC 2 Regular Interest LTAA and REMIC 2 Regular Interest LTZZ up to an aggregate amount equal to the REMIC 2 Interest Loss Allocation Amount, 98% and 2%, respectively; second, to the Uncertificated Principal Balances of the REMIC 2 Regular Interest LTAA and REMIC 2 Regular Interest LTZZ up to an aggregate amount equal to the REMIC 2 Principal Loss Allocation Amount, 98% and 2%, respectively; third, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM10 and REMIC 2 Regular Interest LTZZ, 98%, 1.00%, and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM10 has been reduced to zero; fourth, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM9 and REMIC 2 Regular Interest LTZZ, 98%, 1.00%, and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM9 has been reduced to zero; fifth, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM8 and REMIC 2 Regular Interest LTZZ, 98%, 1.00%, and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM8 has been reduced to zero; sixth, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM7 and REMIC 2 Regular Interest LTZZ, 98%, 1.00%, and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM7 has been reduced to zero; seventh, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM6 and REMIC 2 Regular Interest LTZZ, 98%, 1% and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM6 has been reduced to zero; eighth, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM5 and REMIC 2 Regular Interest LTZZ, 98%, 1% and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM5 has been reduced to zero; ninth, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM4 and REMIC 2 Regular Interest LTZZ, 98%, 1% and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM4 has been reduced to zero; tenth, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM3 and REMIC 2 Regular Interest LTZZ, 98%, 1% and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM3 has been reduced to zero; eleventh, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM2 and REMIC 2 Regular Interest LTZZ, 98%, 1% and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM2 has been reduced to zero and twelfth, to the Uncertificated Principal Balances of REMIC 2 Regular Interest LTAA, REMIC 2 Regular Interest LTM1 and REMIC 2 Regular Interest LTZZ, 98%, 1% and 1%, respectively, until the Uncertificated Principal Balance of REMIC 2 Regular Interest LTM1 has been reduced to zero.

SECTION 4.08. Swap Account.

(a) On the Closing Date, there is hereby established a separate trust (the "Supplemental Interest Trust"), into which the Depositor shall deposit: (i) the Interest Rate Swap Agreement and (ii) the Swap Administration Agreement. The Supplemental Interest Trust shall be maintained by the Supplemental Interest Trust Trustee. No later than the Closing Date, the Supplemental Interest Trust Trustee shall establish and maintain a separate, segregated trust account to be held in the Supplemental Interest Trust, titled, "Swap Account, Wells Fargo Bank, N.A., as Supplemental Interest Trust Trustee, in trust for the Swap Provider and the registered holders of Option One Mortgage Loan Trust 2007-6, Asset-Backed Certificates, Series 2007-6." Such account shall be an Eligible Account and funds on deposit therein shall be held separate and apart from, and shall not be commingled with, any other moneys, including, without limitation, other moneys of the Trustee, in its capacity as Supplemental Interest Trust Trustee, held pursuant to this Agreement. Amounts therein shall be held uninvested.

(b) On each Distribution Date, prior to any distribution to any Certificate, the Trustee shall deliver to the Supplemental Interest Trust Trustee for deposit into the Swap Account: (i) the amount of any Net Swap Payment or Swap Termination Payment (other than any Swap Termination Payment resulting from a Swap Provider Trigger Event) owed to the Swap Provider (after taking into account any upfront payment received from the counterparty to a replacement swap agreement) from funds collected and received with respect to the Mortgage Loans prior to the determination of Available Funds and (ii) amounts received by the Trustee from the Swap Administrator, for distribution in accordance with Section 4.01(f), pursuant to the Swap Administration Agreement, dated as of the Closing Date (the "Swap Administration Agreement"), among Wells Fargo Bank, N.A. in its capacity as Supplemental Interest Trust Trustee, Trustee and Swap Administrator and Option One Mortgage Corporation (in substantially the form attached hereto as Exhibit N). For federal income tax purposes, any amounts paid to the Swap Provider on each Distribution Date shall first be deemed paid to the Swap Provider in respect of the Class SWAP-IO Interest to the extent of the amount distributable on such Class SWAP-IO Interest on such Distribution Date, and any remaining amount shall be deemed paid to the Swap Provider in respect of a Class IO Distribution Amount (as defined below).

(c) It is the intention of the parties hereto that, for federal and state income and state and local franchise tax purposes, the Supplemental Interest Trust be disregarded as an entity separate from the Holder of the Class C Certificates unless and until the date when either (a) there is more than one Class C Certificateholder or (b) any Class of Certificates in addition to the Class C Certificates is recharacterized as an equity interest in the Supplemental Interest Trust for federal income tax purposes, in which case it is the intention of the parties hereto that, for federal and state income and state and local franchise tax purposes, the Supplemental Interest Trust be treated as a partnership; provided, that the Trustee shall not be required to prepare and file partnership tax returns in respect of such partnership unless it receives additional reasonable compensation (not to exceed \$10,000 per year) for the preparation of such filings, written notification recognizing the creation of a partnership agreement or comparable documentation evidencing the partnership, if any. The Supplemental Interest Trust will be an "outside reserve fund" within the meaning of Treasury Regulation Section 1.860G-2(h).

(d) To the extent that the Supplemental Interest Trust is determined to be a separate legal entity from the Supplemental Interest Trust Trustee, any obligation of the Supplemental Interest Trust Trustee under the Interest Rate Swap Agreement shall be deemed to be an obligation of the Supplemental Interest Trust.

(e) The Trustee shall treat the Holders of Certificates (other than the Class P, Class C, Class R and Class R-X Certificates) as having entered into a notional principal contract with respect to the Holders of the Class C Certificates. Pursuant to each such notional principal contract, all Holders of Certificates (other than the Class P, Class C, Class R and Class R-X Certificates) shall be treated as having agreed to pay, on each Distribution Date, to the Holder of the Class C Certificates an aggregate amount equal to the excess, if any, of (i) the amount payable on such Distribution Date on the REMIC 3 Regular Interest corresponding to such Class of Certificates over (ii) the amount payable on such Class of Certificates on such Distribution Date (such excess, a "Class IO Distribution Amount"). A Class IO Distribution Amount payable from interest collections shall be allocated pro rata among such Certificates based on the amount of interest otherwise payable to such Certificates, and a Class IO Distribution Amount payable from principal collections shall be allocated to the most subordinate Class of Certificates with an outstanding principal balance to the extent of such balance. In addition, pursuant to such notional principal contract, the Holder of the Class C Certificates shall be treated as having agreed to pay Net WAC Rate Carryover Amounts to the Holders of the Certificates (other than the Class C, Class P, Class R and Class R-X Certificates) in accordance with the terms of this Agreement. Any payments to the Certificates from amounts deemed received in respect of this notional principal contract shall not be payments with respect to a Regular Interest in a REMIC within the meaning of Code Section 860G(a)(1). However, any payment from the Certificates (other than the Class C, Class P, Class R and Class R-X Certificates) of a Class IO Distribution Amount shall be treated for tax purposes as having been received by the Holders of such Certificates in respect of their interests in REMIC 3 and as having been paid by such Holders to the Swap Administrator pursuant to the notional principal contract. Thus, each Certificate (other than the Class P, Class R and Class R-X Certificates) shall be treated as representing not only ownership of Regular Interests in REMIC 3, but also ownership of an interest in, and obligations with respect to, a notional principal contract.

SECTION 4.09. Tax Treatment of Swap Payments and Swap Termination Payments

For federal income tax purposes, each holder of a Class A or Mezzanine Certificate is deemed to own an undivided beneficial ownership interest in a REMIC regular interest and the right to receive payments from either the Basis Risk Shortfall Reserve Fund or the Supplemental Interest Trust in respect of any Basis Risk Shortfall Carry-Forward Amounts or the obligation to make payments to the Supplemental Interest Trust. For federal income tax purposes, the Trustee will account for payments to each Class A and Mezzanine Certificate as follows: each Class A and Mezzanine Certificate will be treated as receiving their entire payment from

REMIC 3 (regardless of any Swap Termination Payment or obligation under the Swap Agreement) and subsequently paying their portion of any Swap Termination Payment in respect of each such Class' obligation under the Swap Agreement. In the event that any such Class is res securitized in a REMIC, the obligation under the Swap Agreement to pay any such Swap Termination Payment (or any shortfall in Swap Provider Fee), will be made by one or more of the REMIC Regular Interests issued by the res securitization REMIC subsequent to such REMIC Regular Interest receiving its full payment from any such Class A or Mezzanine Certificate. Res securitization of any Class A or Mezzanine Certificate in a REMIC will be permissible only if the Trustee hereunder is the trustee in such res securitization.

The REMIC regular interest corresponding to a Class A or Mezzanine Certificate will be entitled to receive interest and principal payments at the times and in the amounts equal to those made on the certificate to which it corresponds, except that (i) the maximum interest rate of that REMIC regular interest will equal the Net WAC Rate computed for this purpose by limiting the Notional Amount of the Swap Agreement to the aggregate Principal Balance of the Mortgage Loans and (ii) any Swap Termination Payment will be treated as being payable solely from Net Monthly Excess Cashflow. As a result of the foregoing, the amount of distributions and taxable income on the REMIC regular interest corresponding to a Class A or Mezzanine Certificate may exceed the actual amount of distributions on the Class A or Mezzanine Certificate.

SECTION 4.10. Swap Collateral Account

The Trustee (in its capacity as Supplemental Interest Trust Trustee) is hereby directed to perform the obligations of the Custodian as defined under the Swap Credit Support Annex (the "Swap Custodian"). On or before the Closing Date, the Swap Custodian shall establish a Swap Collateral Account. The Swap Collateral Account shall be held in the name of the Swap Custodian in trust for the benefit of the Certificateholders. The Swap Collateral Account must be an Eligible Account and shall be titled "Swap Collateral Account, Wells Fargo Bank, N.A., as Swap Custodian for registered Certificateholders of Option One Mortgage Loan Trust 2007-6, Asset-Backed Certificates, Series 2007-6."

The Swap Custodian shall credit to Swap Collateral Account all collateral (whether in the form of cash or securities) posted by the Swap Provider to secure the obligations of the Swap Provider in accordance with the terms of the Interest Rate Swap Agreement. Except for investment earnings, the Swap Provider shall not have any legal, equitable or beneficial interest in the Swap Collateral Account other than in accordance with this Agreement, the Interest Rate Swap Agreement and applicable law. The Swap Custodian shall maintain and apply all collateral and earnings thereon on deposit in the Swap Collateral Account in accordance with Swap Credit Support Annex.

Cash collateral posted by the Swap Provider in accordance with the Swap Credit Support Annex shall be invested at the direction of the Swap Provider in Permitted Investments in accordance with the requirements of the Swap Credit Support Annex. All amounts earned on amounts on deposit in the Swap Collateral Account (whether cash collateral or securities) shall be for the account of and taxable to the Swap Provider. If no investment direction is provided, such amounts shall remain uninvested.

Upon the occurrence of an Event of Default or Specified Condition (each as defined in the Interest Rate Swap Agreement) with respect to the Swap Provider or upon occurrence or designation of an Early Termination Date (as defined in the Interest Rate Swap Agreement) as a result of any such Event of Default or Specified Condition with respect to the Swap Provider, and, in either such case, unless the Swap Provider has paid in full all of its Obligations (as defined in the Swap Credit Support Annex) that are then due, then any collateral posted by the Swap Provider in accordance with the Swap Credit Support Annex shall be applied to the payment of any Obligations due to Party B (as defined in the Interest Rate Swap Agreement) in accordance with the Swap Credit Support Annex. To the extent the Swap Custodian is required to return any of the Posted Collateral (as defined in the Swap Credit Support Annex) to the Swap Provider under the terms of the Swap Credit Support Annex, the Swap Custodian shall return such collateral in accordance with the terms of the Swap Credit Support Annex.

SECTION 4.11. Rights and Obligations Under the Interest Rate Swap Agreement.

In the event that the Swap Provider fails to perform any of its obligations under the Interest Rate Swap Agreement (including, without limitation, its obligation to make any payment or transfer collateral), or breaches any of its representations and warranties thereunder, or in the event that any Event of Default, Termination Event, or Additional Termination Event (each as defined in the Interest Rate Swap Agreement) occurs with respect to the Interest Rate Swap Agreement, the Trustee (in its capacity as Supplemental Interest Trust Trustee) shall, promptly following actual notice of such failure, breach or event, notify the Depositor and send any notices and make any demands, on behalf of the Supplemental Interest Trust, required to enforce the rights of the Supplemental Interest Trust under the Interest Rate Swap Agreement.

In the event that the Swap Provider's obligations are guaranteed by a third party under a guaranty relating to the Interest Rate Swap Agreement (such guaranty the "Guaranty" and such third party the "Guarantor"), then to the extent that the Swap Provider fails to make any payment by the close of business on the day it is required to make payment under the terms of the Interest Rate Swap Agreement, the Trustee (in its capacity as Supplemental Interest Trust Trustee) shall, promptly following actual notice of the Swap Provider's failure to pay, demand that the Guarantor make any and all payments then required to be made by the Guarantor pursuant to such Guaranty; provided, that the Trustee (in its capacity as Supplemental Interest Trust Trustee) shall in no event be liable for any failure or delay in the performance by the Swap Provider or any Guarantor of its obligations hereunder or pursuant to the Interest Rate Swap Agreement and the Guaranty, nor for any special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) in connection therewith.

Upon an early termination of the Interest Rate Swap Agreement other than in connection with the optional termination of the Trust, the Trustee (in its capacity as Supplemental Interest Trust Trustee), at the direction of the Depositor, will use reasonable efforts to appoint a successor swap provider to enter into a new interest rate swap agreement on terms substantially similar to the Interest Rate Swap Agreement, with a successor swap provider meeting all applicable eligibility requirements. If the Trustee (in its capacity as Supplemental Interest Trust Trustee) receives a termination payment from the Swap Provider in connection with such early termination, the Trustee (in its capacity as Supplemental Interest Trust Trustee) will apply such termination payment to any upfront payment required to appoint the successor swap provider. If the Trustee (in its capacity as Supplemental Interest Trust Trustee) is required to pay a termination payment to the Swap Provider in connection with such early termination, the Trustee (in its capacity as Supplemental Interest Trust Trustee) will apply any upfront payment received from the successor swap provider to pay such termination payment.

If the Trustee (in its capacity as Supplemental Interest Trust Trustee) is unable to appoint a successor swap provider within 30 days of the early termination, then the Trustee (in its capacity as Supplemental Interest Trust Trustee) will deposit any termination payment received from the original Swap Provider into a separate, non-interest bearing reserve account and will, on each subsequent Distribution Date, withdraw from the amount then remaining on deposit in such reserve account an amount equal to the Net Swap Payment, if any, that would have been paid to the Trustee (in its capacity as Supplemental Interest Trust Trustee) by the original Swap Provider calculated in accordance with the terms of the original Interest Rate Swap Agreement, and distribute such amount in accordance with the terms of Section 4.01(f).

Upon an early termination of the Interest Rate Swap Agreement in connection with the optional termination of the Trust, if the Trustee (in its capacity as Supplemental Interest Trust Trustee) receives a termination payment from the Swap Provider, such termination payment will be distributed in accordance with Section 4.01(f).

ARTICLE V

THE CERTIFICATES

SECTION 5.01. The Certificates.

Each of the Class A Certificates, the Mezzanine Certificates, the Class P Certificates, the Class C Certificates and the Residual Certificates shall be substantially in the forms annexed hereto as exhibits, and shall, on original issue, be executed, authenticated and delivered by the Trustee to or upon the order of the Depositor concurrently with the sale and assignment to the Trustee of the Trust Fund. The Class A Certificates and the Mezzanine Certificates shall be initially evidenced by one or more Certificates representing a Percentage Interest with a minimum dollar denomination of \$25,000 and integral dollar multiples of \$1.00 in excess thereof, except that one Certificate of each such Class of Certificates may be in a different denomination so that the sum of the denominations of all outstanding Certificates of such Class shall equal the Certificate Principal Balance or Notional Amount of such Class on the Closing Date. The Class P Certificates, the Class C Certificates and the Residual Certificates are issuable in any Percentage Interests; provided, however, that the sum of all such percentages for each such Class totals 100% and no more than ten Certificates of each Class may be issued and outstanding at any one time.

The Certificates shall be executed on behalf of the Trust by manual or facsimile signature on behalf of the Trustee by a Responsible Officer. Certificates bearing the manual or facsimile signatures of individuals who were, at the time when such signatures were affixed, authorized to sign on behalf of the Trustee shall bind the Trust, notwithstanding that such individuals or any of them have ceased to be so authorized prior to the authentication and delivery of such Certificates or did not hold such offices at the date of such Certificate. No Certificate shall be entitled to any benefit under this Agreement or be valid for any purpose, unless such Certificate shall have been manually authenticated by the Trustee substantially in the form provided for herein, and such authentication upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly authenticated and delivered hereunder. All Certificates shall be dated the date of their authentication. Subject to Section 5.02(c), the Class A Certificates and the Mezzanine Certificates shall be Book-Entry Certificates. The other Classes of Certificates shall not be Book-Entry Certificates.

SECTION 5.02.

Registration of Transfer and Exchange of Certificates.

(a) The Certificate Registrar shall cause to be kept at the Corporate Trust Office a Certificate Register in which, subject to such reasonable regulations as it may prescribe, the Certificate Registrar shall provide for the registration of Certificates and of transfers and exchanges of Certificates as herein provided. The Trustee shall initially serve as Certificate Registrar for the purpose of registering Certificates and transfers and exchanges of Certificates as herein provided.

Upon surrender for registration of transfer of any Certificate at any office or agency of the Certificate Registrar maintained for such purpose pursuant to the foregoing paragraph and, in the case of a Residual Certificate, upon satisfaction of the conditions set forth below, the Trustee on behalf of the Trust shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates of the same aggregate Percentage Interest.

At the option of the Certificateholders, Certificates may be exchanged for other Certificates in authorized denominations and the same aggregate Percentage Interests, upon surrender of the Certificates to be exchanged at any such office or agency. Whenever any Certificates are so surrendered for exchange, the Trustee shall execute on behalf of the Trust and authenticate and deliver the Certificates which the Certificateholder making the exchange is entitled to receive. Every Certificate presented or surrendered for registration of transfer or exchange shall (if so required by the Trustee or the Certificate Registrar) be duly endorsed by, or be accompanied by a written instrument of transfer satisfactory to the Trustee and the Certificate Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing. In addition, (i) with respect to each Class R Certificate, the holder thereof may exchange, in the manner described above, such Class R Certificate for three separate certificates, each representing such holder's respective Percentage Interest in the Class R-1 Interest, the Class R-2 Interest and the Class R-3 Interest, respectively, in each case that was evidenced by the Class R Certificate being exchanged and (ii) with respect to each Class R-X Certificate, the holder thereof may exchange, in the manner described above, such Class R-X Certificate for three separate certificates, each representing such holder's respective Percentage Interest in the Class R-4 Interest, the Class R-5 Interest and the Class R-6 Interest, respectively, in each case that was evidenced by the Class R-X Certificate being exchanged.

(b) Except as provided in paragraph (c) below, the Book-Entry Certificates shall at all times remain registered in the name of the Depository or its nominee and at all times: (i) registration of such Certificates may not be transferred by the Trustee except to another Depository; (ii) the Depository shall maintain book-entry records with respect to the Certificate Owners and with respect to ownership and transfers of such Certificates; (iii) ownership and transfers of registration of such Certificates on the books of the Depository shall be governed by applicable rules established by the Depository; (iv) the Depository may collect its usual and customary fees, charges and expenses from its Depository Participants; (v) the Trustee shall for all purposes deal with the Depository as representative of the Certificate Owners of the Certificates for purposes of exercising the rights of Holders under this Agreement, and requests and directions for and votes of such representative shall not be deemed to be inconsistent if they are made with respect to different Certificate Owners; (vi) the Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its Depository Participants and furnished by the Depository Participants with respect to indirect participating firms and Persons shown on the books of such indirect participating firms as direct or indirect Certificate Owners; and (vii) the direct participants of the Depository shall have no rights under this Agreement under or with respect to any of the Certificates held on their behalf by the Depository, and the Depository may be treated by the Trustee and its agents, employees, officers and directors as the absolute owner of the Certificates for all purposes whatsoever.

All transfers by Certificate Owners of Book-Entry Certificates shall be made in accordance with the procedures established by the Depository Participant or brokerage firm representing such Certificate Owners. Each Depository Participant shall only transfer Book-Entry Certificates of Certificate Owners that it represents or of brokerage firms for which it acts as agent in accordance with the Depository's normal procedures. The parties hereto are hereby authorized to execute a Letter of Representations with the Depository or take such other action as may be necessary or desirable to register a Book-Entry Certificate to the Depository. In the event of any conflict between the terms of any such Letter of Representation and this Agreement, the terms of this Agreement shall control.

(c) If (i)(x) the Depository or the Depositor advises the Trustee in writing that the Depository is no longer willing or able to discharge properly its responsibilities as Depository and (y) the Trustee or the Depositor is unable to locate a qualified successor or (ii) after the occurrence of a Servicer Event of Termination, the Certificate Owners of the Book-Entry Certificates representing Percentage Interests of such Classes aggregating not less than 51% advise the Trustee and Depository through the Financial Intermediaries and the Depository Participants in writing that the continuation of a book-entry system through the Depository to the exclusion of definitive, fully registered certificates (the "Definitive Certificates") to Certificate Owners is no longer in the best interests of the Certificate Owners. Upon surrender to the Certificate Registrar of the Book-Entry Certificates by the Depository, accompanied by registration instructions from the Depository for registration, the Trustee shall, at the Depositor's expense, in the case of (ii) above, or the Servicer's expense, in the case of (i) above, execute on behalf of the Trust and authenticate the Definitive Certificates. Neither the Depositor nor the Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Certificates, the Trustee, the Certificate Registrar, the Servicer, any Paying Agent and the Depositor shall recognize the Holders of the Definitive Certificates as Certificateholders hereunder.

(d) No transfer, sale, pledge or other disposition of any Class M-10, Class C, Class P or Residual Certificate (the "Private Certificates") shall be made unless such disposition is exempt from the registration requirements of the Securities Act of 1933, as amended (the "1933 Act"), and any applicable state securities laws or is made in accordance with the 1933 Act and laws. In the event of any such transfer (other than in connection with (i) the initial transfer of any such Certificate by the Depositor to an Affiliate of the Depositor or, in the case of the Class R-X Certificates, the first transfer by an Affiliate of the Depositor, (ii) the transfer of any such Class C, Class P or Residual Certificate to the issuer under the Indenture or the indenture trustee under the Indenture or (iii) a transfer of any such Class C, Class P or Residual Certificate from the issuer under the Indenture or the indenture trustee under the Indenture to the Depositor or an Affiliate of the Depositor), the Trustee and the Certificate Registrar shall each require receipt of: (I)(i) if such transfer is purportedly being made in reliance upon Rule 144A (as evidenced by the investment letter delivered to the Trustee, in substantially the form attached hereto as Exhibit J) under the 1933 Act and (ii) in all other cases, an Opinion of Counsel satisfactory to it that such transfer may be made without such registration (which Opinion of Counsel shall not be an expense of the Depositor, the Trustee, the Servicer, in its capacity as such, or the Trust Fund), together with copies of the written certification(s) of the Certificateholder desiring to effect the transfer and/or such Certificateholder's prospective transferee upon which such Opinion of Counsel is based, if any; or (II) the Trustee shall require the transferor to execute a transferor certificate (in substantially the form attached hereto as Exhibit L) and the transferee to execute an investment letter (in substantially the form attached hereto as Exhibit J) acceptable to and in form and substance reasonably satisfactory to the Depositor and the Trustee certifying to the Depositor and the Trustee the facts surrounding such transfer, which investment letter shall not be an expense of the Trustee or the Depositor. The Holder of a Class C Certificate, Class P Certificate or Residual Certificate desiring to effect

such transfer shall, and does hereby agree to, indemnify the Trustee and the Depositor against any liability that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws.

Notwithstanding the foregoing, in the event of any such transfer of any Ownership Interest in any Private Certificate that is a Book-Entry Certificate, except with respect to the initial transfer of any such Ownership Interest by the Depositor, such transfer shall be required to be made in reliance upon Rule 144A under the 1933 Act, and the transferor will be deemed to have made each of the transferor representations and warranties set forth Exhibit L hereto in respect of such interest as if it was evidenced by a Definitive Certificate and the transferee will be deemed to have made each of the transferee representations and warranties set forth Exhibit J hereto in respect of such interest as if it was evidenced by a Definitive Certificate. The Certificate Owner of any such Ownership Interest in any such Book-Entry Certificate desiring to effect such transfer shall, and does hereby agree to, indemnify the Trustee and the Depositor against any liability that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws.

No transfer of a Residual, Class C or Class P Certificate or any interest therein shall be made to any Plan, any Person acting, directly or indirectly, on behalf of any such Plan or any Person acquiring such Certificates with "Plan Assets" of a Plan within the meaning of the Department of Labor regulation promulgated at 29 C.F.R. § 2510.3-101 as modified by Section 3(42) of ERISA ("Plan Assets"), as certified by such transferee in the form of Exhibit K or M, unless the Trustee is provided with an Opinion of Counsel for the benefit of the Trust Fund, the Depositor, the Trustee and the Servicer and on which they may rely, which shall be to the effect that the purchase and holding of such Certificates is permissible under applicable law, shall not constitute or result in any non-exempt prohibited transaction under ERISA or Section 4975 of the Code and shall not subject the Depositor, the Servicer, the Trustee or the Trust Fund to any obligation or liability (including obligations or liabilities under ERISA or Section 4975 of the Code) in addition to those undertaken in this Agreement, which Opinion of Counsel shall not be an expense of the Depositor, the Servicer, the NIMS Insurer, the Trustee or the Trust Fund. Any transferee of such Book-Entry Certificate which does not provide such an Opinion of Counsel shall be deemed to represent that it is not a Plan or acquiring such Certificates with Plan Assets. Neither an Opinion of Counsel nor any certification shall be required in connection with (i) the initial transfer of any such Certificate by the Depositor to an affiliate of the Depositor or, in the case of the Class R-X Certificates, the first transfer by an Affiliate of the Depositor, (ii) the transfer of any Class C, Class P or Residual Certificate to the issuer under the Indenture or the indenture trustee under the Indenture or (iii) a transfer of any Class C, Class P or Residual Certificate from the issuer under the Indenture or the indenture trustee under the Indenture to the Depositor or an Affiliate of the Depositor (in which case, the Depositor or any Affiliate thereof shall have deemed to have represented that it is not purchasing with Plan Assets) and the Trustee shall be entitled to conclusively rely upon a representation (which, upon the request of the Trustee, shall be a written representation) from the Depositor of the status of such transferee as an affiliate of the Depositor.

For so long as the Supplemental Interest Trust is in existence, each beneficial owner of a Class A Certificate or a Mezzanine Certificate or any interest therein shall be deemed to have represented, by virtue of its acquisition or holding of such Certificate, or interest therein, that either (i) it is not a Plan or (ii) (A) it is an accredited investor within the meaning of Prohibited Transaction Exemption 2007-05, as amended from time to time (the "Exemption"), and (B) the acquisition and holding of such Certificate and the separate right to receive payments from the Supplemental Interest Trust are eligible for the exemptive relief available under Prohibited Transaction Class Exemption ("PTCE") 95-60 (for transactions by insurance company general accounts), or, in the case of a Certificate other than a Class M-10 Certificate, 84-14 (for transactions by independent "qualified professional asset managers"), 91-38 (for transactions by bank collective investment funds), 90-1 (for transactions by insurance company pooled separate accounts) or 96-23 (for transactions effected by "in-house asset managers").

Subsequent to the termination of the Supplemental Interest Trust, each beneficial owner of a Mezzanine Certificate or any interest therein shall be deemed to have represented, by virtue of its acquisition or holding of that certificate or interest therein, that either (i) it is not a Plan or a trustee or other Person acting on behalf of a Plan or using "Plan Assets" to effect such acquisition (including any insurance company using funds in its general or separate accounts that may constitute "Plan Assets"), (ii) except in the case of a Class M-10 Certificate, it has acquired and is holding such certificate in reliance on the Exemption, and that it understands that there are certain conditions to the availability of the Exemption, including that the certificate must be rated, at the time of purchase, not lower than "BBB-" (or its equivalent) by S&P, Moody's, Fitch Ratings, Dominion Bond Rating Service Limited (known as DBRS Limited) or Dominion Bond Rating Service, Inc. (known as DBRS, Inc.) and the certificate is so rated or (iii) (1) it is an insurance company, (2) the source of funds used to acquire or hold the certificate or interest therein is an "insurance company general account," as such term is defined in PTCE 95-60, and (3) the conditions in Sections I and III of PTCE 95-60 have been satisfied.

If any Certificate or any interest therein is acquired or held in violation of the provisions of the preceding paragraphs, the next preceding permitted beneficial owner shall be treated as the beneficial owner of that Certificate retroactive to the date of transfer to the purported beneficial owner. Any purported beneficial owner whose acquisition or holding of any such Certificate or interest therein was effected in violation of the provisions of the preceding paragraphs shall indemnify and hold harmless the Depositor, the Servicer, the Trustee, the NIMS Insurer, and the Trust Fund from and against any and all liabilities, claims, costs or expenses incurred by those parties as a result of that acquisition or holding.

No transfer of any Class C Certificate shall be made unless the proposed transferee of such Class C Certificate (1) provides to the Trustee and the Swap Provider, the appropriate tax certification forms that would eliminate any withholding or deduction for taxes from amounts payable by the Swap Provider, pursuant to the Interest Rate Swap Agreement, to the Supplemental Interest Trust Trustee (i.e., IRS Form W-9 or IRS Form W-8BEN, W-8IMY, W-8EXP or W-8ECI, as applicable (or any successor form thereto), together with any applicable attachments) and (2) agrees to update such form (a) upon expiration of any such form, (b) as required under then applicable U.S. Treasury regulations and (c) promptly upon learning that such form has become obsolete or incorrect, each as a condition to such transfer. In addition, no transfer of any Class C Certificate shall be made if such transfer would cause the Supplemental Interest Trust to be beneficially owned by two or more persons for federal income tax purposes, or continue to be so treated, unless (i) each proposed transferee of such Class C Certificate complies with the foregoing conditions, (ii) the proposed majority holder of the Class C Certificates (or each holder, if there is or would be no majority holder) (A) provides, or causes to be provided, on behalf of the Supplemental Interest Trust, if applicable, the appropriate tax certification form that would be required from the Supplemental Interest Trust, as applicable, to eliminate any withholding or deduction for taxes from amounts payable by the Swap Provider, pursuant to the Interest Rate Swap Agreement, to the Supplemental Interest Trust Trustee (i.e., IRS Form W-9 or IRS Form W-8BEN, W-8IMY, W-8EXP or W-8ECI, as applicable (or any successor form thereto), together with any applicable attachments) and (B) agrees to update such form (x) upon expiration of any such form, (y) as required under then applicable U.S. Treasury regulations and (z) promptly upon learning that such form has become obsolete or incorrect. If, under applicable U.S. Treasury regulations, such tax certification form may only be signed by a trustee acting on behalf of the Supplemental Interest Trust, then the Supplemental Interest Trust Trustee shall sign such certification form if so requested by a holder of the Class C Certificates.

Upon receipt of any tax certification form pursuant to the preceding conditions from a proposed transferee of any Class C Certificate, the Trustee shall forward each tax certification form attributable to the Interest Rate Swap Agreement to the Swap Provider, upon request of the Swap Provider, solely to the extent the Swap Provider has not received such IRS Form directly from the Holder of the Class C Certificates. Each Holder of a Class C Certificate by its purchase of such Certificate is deemed to consent to any such IRS Form being so forwarded. Upon the request of the Swap Provider, the Trustee shall be required to forward any tax certification received by it to the Swap Provider at the last known address provided to it, and, subject to Section 8.01, shall not be liable for the receipt of such tax certification by the Swap Provider, nor any action taken or not taken by the Swap Provider with respect to such tax certification. Any purported sales or transfers of any Class C Certificate to a transferee which does not comply with the requirements of the preceding paragraph shall be deemed null and void under this Agreement. The Trustee shall have no duty to take any action to correct any misstatement or omission in any tax certification provided to it by the Holder of the Class C Certificates and forwarded to the Swap Provider.

Each Person who has or who acquires any Ownership Interest in a Residual Certificate shall be deemed by the acceptance or acquisition of such Ownership Interest to have agreed to be bound by the following provisions and to have irrevocably appointed the Depositor or its designee as its attorney-in-fact to negotiate the terms of any mandatory sale under clause (v) below and to execute all instruments of transfer and to do all other things necessary in connection with any such sale, and the rights of each Person acquiring any Ownership Interest in a Residual Certificate are expressly subject to the following provisions:

- (i) Each Person holding or acquiring any Ownership Interest in a Residual Certificate shall be a Permitted Transferee and shall promptly notify the Trustee of any change or impending change in its status as a Permitted Transferee.

(ii) No Person shall acquire an Ownership Interest in a Residual Certificate unless such Ownership Interest is a pro rata undivided interest.

(iii) In connection with any proposed transfer of any Ownership Interest in a Residual Certificate, the Trustee shall as a condition to registration of the transfer, require delivery to it, in form and substance satisfactory to it, of each of the following:

(A) an affidavit in the form of Exhibit K hereto from the proposed transferee to the effect that such transferee is a Permitted Transferee and that it is not acquiring its Ownership Interest in the Residual Certificate that is the subject of the proposed transfer as a nominee, trustee or agent for any Person who is not a Permitted Transferee; and

(B) a covenant of the proposed transferee to the effect that the proposed transferee agrees to be bound by and to abide by the transfer restrictions applicable to the Residual Certificates.

(iv) Any attempted or purported transfer of any Ownership Interest in a Residual Certificate in violation of the provisions of this Section shall be absolutely null and void and shall vest no rights in the purported transferee. If any purported transferee shall, in violation of the provisions of this Section, become a Holder of a Residual Certificate, then the prior Holder of such Residual Certificate that is a Permitted Transferee shall, upon discovery that the registration of transfer of such Residual Certificate was not in fact permitted by this Section, be restored to all rights as Holder thereof retroactive to the date of registration of transfer of such Residual Certificate. The Trustee shall be under no liability to any Person for any registration of transfer of a Residual Certificate that is in fact not permitted by this Section or for making any distributions due on such Residual Certificate to the Holder thereof or taking any other action with respect to such Holder under the provisions of this Agreement so long as the Trustee received the documents specified in clause (iii). The Trustee shall be entitled to recover from any Holder of a Residual Certificate that was in fact not a Permitted Transferee at the time such distributions were made all distributions made on such Residual Certificate. Any such distributions so recovered by the Trustee shall be distributed and delivered by the Trustee to the prior Holder of such Residual Certificate that is a Permitted Transferee.

(v) If any Person other than a Permitted Transferee acquires any Ownership Interest in a Residual Certificate in violation of the restrictions in this Section, then the Trustee shall have the right but not the obligation, without notice to the Holder of such Residual Certificate or any other Person having an Ownership Interest therein, to notify the Depositor to arrange for the sale of such Residual Certificate. The proceeds of such sale, net of commissions (which may include commissions payable to the Depositor or its affiliates in connection with such sale), expenses and taxes due, if any, will be remitted by the Trustee to the previous Holder of such Residual Certificate that is a Permitted Transferee, except that in the event that the Trustee determines that the Holder of such Residual Certificate may be liable for any amount due under this Section or any other provisions of this Agreement, the Trustee may withhold a corresponding amount from such remittance as security for such claim. The terms and conditions of any sale under this clause (v) shall be determined in the sole discretion of the Trustee and it shall not be liable to any Person having an Ownership Interest in a Residual Certificate as a result of its exercise of such discretion.

(vi) If any Person other than a Permitted Transferee acquires any Ownership Interest in a Residual Certificate in violation of the restrictions in this Section, then the Trustee upon receipt of reasonable compensation will provide to the Internal Revenue Service, and to the persons specified in Sections 860E(e)(3) and (6) of the Code, information needed to compute the tax imposed under Section 860E(e)(5) of the Code on transfers of residual interests to disqualified organizations.

The foregoing provisions of this Section shall cease to apply to transfers occurring on or after the date on which there shall have been delivered to the Trustee and the NIMS Insurer, in form and substance satisfactory to the Trustee and the NIMS Insurer, (i) written notification from each Rating Agency that the removal of the restrictions on transfer set forth in this Section will not cause such Rating Agency to downgrade its rating of the Certificates and (ii) an Opinion of Counsel to the effect that such removal will not cause any REMIC created hereunder to fail to qualify as a REMIC.

(e) No service charge shall be made for any registration of transfer or exchange of Certificates of any Class, but the Certificate Registrar may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

All Certificates surrendered for registration of transfer or exchange shall be canceled by the Certificate Registrar and disposed of pursuant to its standard procedures.

SECTION 5.03. Mutilated, Destroyed, Lost or Stolen Certificates.

If (i) any mutilated Certificate is surrendered to the Certificate Registrar or the Certificate Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Certificate and (ii) there is delivered to the Trustee, the Depositor, the NIMS Insurer and the Certificate Registrar such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Trustee or the Certificate Registrar that such Certificate has been acquired by a bona fide purchaser, the Trustee shall execute on behalf of the Trust, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate of like tenor and Percentage Interest. Upon the issuance of any new Certificate under this Section, the Trustee or the Certificate Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee and the Certificate Registrar) in connection therewith. Any duplicate Certificate issued pursuant to this Section, shall constitute complete and indefeasible evidence of ownership in the Trust, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

SECTION 5.04. Persons Deemed Owners.

The Servicer, the Depositor, the Trustee, the NIMS Insurer, the Certificate Registrar, any Paying Agent and any agent of the Servicer, the Depositor, the Trustee, the NIMS Insurer, the Certificate Registrar, any Paying Agent or the Trustee may treat the Person, including a Depository, in whose name any Certificate is registered as the owner of such Certificate for the purpose of receiving distributions pursuant to Section 4.01 and for all other purposes whatsoever, and none of the Servicer, the Trust, the Trustee nor any agent of any of them shall be affected by notice to the contrary.

SECTION 5.05. Appointment of Paying Agent.

(a) The Paying Agent shall make distributions to Certificateholders from the Distribution Account pursuant to Section 4.01 and shall report the amounts of such distributions to the Trustee. The duties of the Paying Agent may include the obligation (i) to withdraw funds from the Collection Account pursuant to Section 3.11(a) and for the purpose of making the distributions referred to above and (ii) to distribute statements and provide information to Certificateholders as required hereunder. The Paying Agent hereunder shall at all times be an entity duly incorporated and validly existing under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authorities. The Paying Agent shall initially be the Trustee. The Trustee may appoint a successor to act as Paying Agent, which appointment shall be reasonably satisfactory to the Depositor and the NIMS Insurer.

(b) The Trustee shall cause the Paying Agent (if other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee that such Paying Agent shall hold all sums, if any, held by it for payment to the Certificateholders in trust for the benefit of the Certificateholders entitled thereto until such sums shall be paid to such Certificateholders and shall agree that it shall comply with all requirements of the Code regarding the withholding of payments in respect of Federal income taxes due from Certificate Owners and otherwise comply with the provisions of this Agreement applicable to it.

ARTICLE VI

THE SERVICER AND THE DEPOSITOR

SECTION 6.01. Liability of the Servicer and the Depositor.

The Servicer shall be liable in accordance herewith only to the extent of the obligations specifically imposed upon and undertaken by Servicer herein. The Depositor shall be liable in accordance herewith only to the extent of the obligations specifically imposed upon and undertaken by the Depositor.

SECTION 6.02. Merger or Consolidation of, or Assumption of the Obligations of, the Servicer or the Depositor.

Any entity into which the Servicer or Depositor may be merged or consolidated, or any entity resulting from any merger, conversion or consolidation to which the Servicer or the Depositor shall be a party, or any corporation succeeding to the business of the Servicer or the Depositor, shall be the successor of the Servicer or the Depositor, as the case may be, hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that the successor Servicer shall satisfy all the requirements of Section 7.02 with respect to the qualifications of a successor Servicer.

SECTION 6.03. Limitation on Liability of the Servicer and Others.

Neither the Servicer or the Depositor nor any of the directors or officers or employees or agents of the Servicer or the Depositor shall be under any liability to the Trust or the Certificateholders for any action taken or for refraining from the taking of any action by the Servicer or the Depositor in good faith pursuant to this Agreement, or for errors in judgment; provided, however, that this provision shall not protect the Servicer, the Depositor or any such Person against any liability which would otherwise be imposed by reason of its willful misfeasance, bad faith or gross negligence in the performance of duties of the Servicer or the Depositor, as the case may be, or by reason of its reckless disregard of its obligations and duties of the Servicer or the Depositor, as the case may be, hereunder; provided, further, that this provision shall not be construed to entitle the Servicer to indemnity in the event that amounts advanced by the Servicer to retire any senior lien exceed Liquidation Proceeds (in excess of related liquidation expenses) realized with respect to the related Mortgage Loan. The preceding sentence shall not limit the obligations of the Servicer pursuant to Section 8.05. The Servicer and any director or officer or employee or agent of the Servicer may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Servicer and the Depositor, and any director or officer or employee or agent of the Servicer or the Depositor, shall be indemnified by the Trust and held harmless against any loss, liability or expense incurred in connection with any legal action relating to this Agreement or the Certificates, other than any loss, liability or expense related to any specific Mortgage Loan or Mortgage Loans (except as any such loss, liability or expense shall be otherwise reimbursable pursuant to this Agreement) and any loss, liability or expense incurred by reason of its willful misfeasance, bad faith or gross negligence in the performance of duties hereunder or by reason of its reckless disregard of obligations and duties hereunder. The Servicer or the Depositor may undertake any such action which it may deem necessary or desirable in respect of this Agreement, and the rights and duties of the parties hereto and the interests of the Certificateholders hereunder. In such event, unless the Depositor or the Servicer acts without the consent of Holders of Certificates entitled to at least 51% of the Voting Rights, the reasonable legal expenses and costs of such action and any liability resulting therefrom shall be expenses, costs and liabilities of the Trust and the Servicer shall be entitled to be reimbursed therefor from the Collection Account as and to the extent provided in Section 3.11, any such right of reimbursement being prior to the rights of the Certificateholders to receive any amount in the Collection Account. The Servicer's right to indemnity or reimbursement pursuant to this Section shall survive any resignation or termination of the Servicer pursuant to Section 6.04 or 7.01 with respect to any losses, expenses, costs or liabilities arising prior to such resignation or termination (or arising from events that occurred prior to such resignation or termination). This paragraph shall apply to the Servicer solely in its capacity as Servicer hereunder and in no other capacities. Without limiting the foregoing, the Servicer shall undertake to defend any claims against the Trust Fund, the Trustee and/or itself initiated by a Borrower or otherwise related to the servicing of any Mortgage Loan.

The Servicer (except the Trustee if it is required to succeed the Servicer hereunder) indemnifies and holds the Trustee, the Depositor, the NIMS Insurer and each Certificateholder harmless against any and all claims, losses, penalties, fines, forfeitures, reasonable legal fees and related costs, judgments, and any other costs, fees and expenses that the Trustee, the Depositor, the NIMS Insurer and any Certificateholder may sustain in any way related to the failure of the Servicer to perform its duties and service the Mortgage Loans in compliance with the terms of this Agreement. The Servicer shall immediately notify the Trustee, the Depositor, the NIMS Insurer and each Certificateholder if a claim is made that may result in such claims, losses, penalties, fines, forfeitures, legal fees or related costs, judgments, or any other costs, fees and expenses, and the Servicer shall assume (with the consent of the Trustee) the defense of any such claim and pay all expenses in connection therewith, including reasonable counsel fees, and promptly pay, discharge and satisfy any judgment or decree which may be entered against the Servicer, the Trustee, the Depositor, the NIMS Insurer and/or Certificateholder in respect of such claim. The provisions of this paragraph shall survive the termination of this Agreement and the payment of the outstanding Certificates.

SECTION 6.04. Servicer Not to Resign.

Subject to the provisions of Section 7.01 and Section 6.02, the Servicer shall not resign from the obligations and duties hereby imposed on it except (i) upon determination that the performance of its obligations or duties hereunder are no longer permissible under applicable law or are in material conflict by reason of applicable law with any other activities carried on by it or its subsidiaries or Affiliates, the other activities of the Servicer so causing such a conflict being of a type and nature carried on by the Servicer or its subsidiaries or Affiliates at the date of this Agreement or (ii) upon satisfaction of the following conditions: (a) the Servicer has proposed a successor servicer to the Trustee and the NIMS Insurer in writing and such proposed successor servicer is reasonably acceptable to the Trustee and the NIMS Insurer and (b) each Rating Agency shall have delivered a letter to the Trustee and the NIMS Insurer prior to the appointment of the successor servicer stating that the proposed appointment of such successor servicer as Servicer hereunder will not result in the reduction or withdrawal of the then current rating of the Certificates; provided, however, that no such resignation by the Servicer shall become effective until such successor servicer or, in the case of (i) above, the Trustee shall have assumed the Servicer's responsibilities and obligations hereunder or the Trustee shall have designated, with the consent of the NIMS Insurer, a successor servicer in accordance with Section 7.02. Any such resignation shall not relieve the Servicer of responsibility for any of the obligations specified in Sections 7.01 and 7.02 as obligations that survive the resignation or termination of the Servicer. Any such determination permitting the resignation of the Servicer pursuant to clause (i) above shall be evidenced by an Opinion of Counsel to such effect delivered to the Trustee and the NIMS Insurer. Any such determination permitting the resignation of the Servicer shall be evidenced by an Opinion of Counsel to such effect delivered to the Trustee and the NIMS Insurer.

Notwithstanding anything to the contrary which may be set forth above, the Trustee and the Depositor hereby specifically (i) consent to the pledge and assignment by the Servicer of all the Servicer's right, title and interest in, to and under this Agreement to the Servicing Rights Pledgee, for the benefit of certain lenders, and (ii) provided that no Servicer Event of Termination exists, agree that upon delivery to the Trustee by the Servicing Rights Pledgee of a letter signed by the Servicer whereunder the Servicer shall resign as Servicer under this Agreement, the Trustee shall appoint the Servicing Rights Pledgee or its designee as successor Servicer, provided that at the time of such appointment, the Servicing Rights Pledgee or such designee meets the requirements of a successor Servicer pursuant to Section 7.02(a) and agrees to be subject to the terms of this Agreement. If, pursuant to any provision hereof, the duties of the Servicer are transferred to a successor, the entire amount of the Servicing Fee and other compensation payable to the Servicer pursuant hereto shall thereafter be payable to such successor.

SECTION 6.05. Delegation of Duties.

In the ordinary course of business, the Servicer at any time may delegate any of its duties hereunder to any Person, including any of its Affiliates, who agrees to conduct such duties in accordance with standards comparable to those set forth in Section 3.01. Such delegation shall not relieve the Servicer of its liabilities and responsibilities with respect to such duties and shall not constitute a resignation within the meaning of Section 6.04. Except as provided in Section 3.02, no such delegation is permitted that results in the delegee subservicing any Mortgage Loans. The Servicer shall provide the Trustee and the NIMS Insurer with 60 days prior written notice prior to the delegation of any of its duties to any Person other than any of the Servicer's Affiliates or their respective successors and assigns.

SECTION 6.06. [Reserved].

SECTION 6.07. Inspection.

The Servicer, in its capacity as Originator and Servicer, shall afford the Trustee and the NIMS Insurer, upon reasonable advance notice, during normal business hours, access to all records maintained by the Servicer in respect of its rights and obligations hereunder and access to officers of the Servicer responsible for such obligations. Upon request, the Servicer shall furnish to the Trustee and the NIMS Insurer its most recent publicly available financial statements and such other information relating to its capacity to perform its obligations under this Agreement.

ARTICLE VII

DEFAULT

SECTION 7.01. Servicer Events of Termination.

(a) If any one of the following events (“Servicer Events of Termination”) shall occur and be continuing:

(i) (A) The failure by the Servicer to make any Advance; or (B) any other failure by the Servicer to deposit in the Collection Account or Distribution Account any deposit required to be made under the terms of this Agreement which continues unremedied for a period of one Business Day after the date upon which written notice of such failure shall have been given to the Servicer by the Trustee or to the Trustee by the NIMS Insurer or any Holders of a Regular Certificate evidencing at least 25% of the Voting Rights; or

(ii) The failure by the Servicer to make any required Servicing Advance which failure continues unremedied for a period of 30 days, or the failure by the Servicer duly to observe or perform, in any material respect, any other covenants, obligations or agreements of the Servicer as set forth in this Agreement, which failure continues unremedied for a period of 30 days, after the date (A) on which written notice of such failure, requiring the same to be remedied, shall have been given to the Servicer by the Trustee or to the Trustee by the NIMS Insurer or any Holders of a Regular Certificate evidencing at least 25% of the Voting Rights or (B) of actual knowledge of such failure by a Servicing Officer of the Servicer; or

(iii) The entry against the Servicer of a decree or order by a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a trustee, conservator, receiver or liquidator in any insolvency, conservatorship, receivership, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 days; or

(iv) The Servicer shall voluntarily go into liquidation, consent to the appointment of a conservator or receiver or liquidator or similar person in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings of or relating to the Servicer or of or relating to all or substantially all of its property; or a decree or order of a court or agency or supervisory authority having jurisdiction in the premises for the appointment of a conservator, receiver, liquidator or similar person in any insolvency, readjustment of debt, marshalling of assets and liabilities or similar proceedings, or for the winding-up or liquidation of its affairs, shall have been entered against the Servicer and such decree or order shall have remained in force undischarged, unbonded or unstayed for a period of 60 days; or the Servicer shall admit in writing its inability to pay its debts generally as they become due, file a petition to take advantage of any applicable insolvency or reorganization statute, make an assignment for the benefit of its creditors or voluntarily suspend payment of its obligations; or

(v) A Delinquency Servicer Termination Trigger has occurred and is continuing;

then, and in each and every such case, so long as a Servicer Event of Termination shall not have been remedied within the applicable grace period, (x) with respect solely to clause (i)(A) above, if such Advance is not made by 12:00 P.M., New York time, on the Business Day immediately following the Servicer Remittance Date (provided the Trustee shall give the Servicer notice of such failure to advance by 5:00 P.M. New York time on the Servicer Remittance Date), the Trustee shall, at the direction of the NIMS Insurer, terminate all of the rights and obligations of the Servicer under this Agreement and the Trustee, or a successor servicer appointed in accordance with Section 7.02, shall immediately make such Advance and assume, pursuant to Section 7.02, the duties of a successor Servicer, (y) in the case of (i)(B), (ii), (iii) and (iv) above, the Trustee shall, at the written direction of the NIMS Insurer or the Holders of each Class of Regular Certificates evidencing Percentage Interests aggregating not less than 51%, by notice then given in writing to the Servicer and to the Trustee and (z) in the case of (v) above, the Trustee shall, at the direction of the NIMS Insurer, by notice then given in writing to the Servicer and to the Trustee, terminate all of the rights and obligations of the Servicer as servicer under this Agreement. Any such notice to the Servicer shall also be given to each Rating Agency, the Depositor and the Originator. On or after the receipt by the Servicer (and by the Trustee if such notice is given by the Holders) of such written notice, all authority and power of the Servicer under this Agreement, whether with respect to the Certificates or the Mortgage Loans or otherwise, shall pass to and be vested in the Trustee pursuant to and under this Section; and, without limitation, and the Trustee is hereby authorized and empowered to execute and deliver, on behalf of the Servicer, as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement of each Mortgage Loan and related documents or otherwise. The Servicer agrees to cooperate with the Trustee (or the applicable successor Servicer) in effecting the termination of the responsibilities and rights of the Servicer hereunder, including, without limitation, the delivery to the Trustee of all documents and records requested by it to enable it to assume the Servicer’s functions under this Agreement within ten Business Days subsequent to such notice, the transfer within one Business Day subsequent to such notice to the Trustee (or the applicable successor Servicer) for the administration by it of all cash amounts that shall at the time be held by the Servicer and to be deposited by it in the Collection Account, the Distribution Account, any REO Account or any Servicing Account or that have been deposited by the Servicer in such accounts or thereafter received by the Servicer with respect to the Mortgage Loans or any REO Property received by the Servicer. All reasonable costs and expenses (including attorneys’ fees) incurred in connection with transferring the Mortgage Files to the successor Servicer and amending this Agreement to reflect such succession as Servicer pursuant to this Section shall be paid by the predecessor Servicer (or if the predecessor Servicer is the Trustee, the initial Servicer) upon presentation of reasonable documentation of such costs and expenses and to the extent not paid by the Servicer, by the Trust.

(b) In connection with any failure by the Servicer to make any remittance required to be made by the Servicer to the Distribution Account pursuant to this Section 7.01 on the day and by the time such remittance is required to be made under the terms of this Section 7.01 (without giving effect to any grace or cure period), the Servicer shall pay to the Trustee for the account of the Trustee interest at the Prime Rate on any amount not timely remitted from and including the day such remittance was required to be made to, but not including, the day on which such remittance was actually made.

SECTION 7.02. Trustee to Act; Appointment of Successor.

(a) From the time the Servicer (and the Trustee, if notice is sent by the Holders) receives a notice of termination pursuant to Section 7.01 or 6.04, the Trustee (or such other successor Servicer as is approved in accordance with this Agreement) shall be the successor in all respects to the Servicer in its capacity as servicer under this Agreement and the transactions set forth or provided for herein and shall be subject to all the responsibilities, duties and liabilities relating thereto placed on the Servicer by the terms and provisions hereof arising on and after its succession. Notwithstanding the foregoing, the parties hereto agree that the Trustee, in its capacity as successor Servicer, immediately will assume all of the obligations of the Servicer to make advances. Notwithstanding the foregoing, the Trustee, in its capacity as successor Servicer, shall not be responsible for the lack of information and/or documents that it cannot obtain through reasonable efforts. It is understood and acknowledged by the parties hereto that there will be a period of transition (not to exceed 100 days) before the transition of servicing obligations is fully effective. As compensation therefor, the Trustee (or such other successor Servicer) shall be entitled to such compensation as the Servicer would have been entitled to hereunder if no

such notice of termination had been given. Notwithstanding the above, (i) if the Trustee is unwilling to act as successor Servicer or (ii) if the Trustee is legally unable so to act, the Trustee shall appoint or petition a court of competent jurisdiction to appoint, any established housing and home finance institution, bank or other mortgage loan or home equity loan servicer having a net worth of not less than \$50,000,000 as the successor to the Servicer hereunder in the assumption of all or any part of the responsibilities, duties or liabilities of the Servicer hereunder; provided, that the appointment of any such successor Servicer shall be approved by the NIMS Insurer (such approval not to be unreasonably withheld), as evidenced by the prior written consent of the NIMS Insurer, and will not result in the qualification, reduction or withdrawal of the ratings assigned to the Certificates by the Rating Agencies as evidenced by a letter to such effect from the Rating Agencies. Pending appointment of a successor to the Servicer hereunder, unless the Trustee is prohibited by law from so acting, the Trustee shall act in such capacity as hereinabove provided. In connection with such appointment and assumption, the successor shall be entitled to receive compensation out of payments on Mortgage Loans in an amount equal to the compensation which the Servicer would otherwise have received pursuant to Section 3.18 (or such other compensation as the Trustee and such successor shall agree, not to exceed the Servicing Fee). The appointment of a successor Servicer shall not affect any liability of the predecessor Servicer which may have arisen under this Agreement prior to its termination as Servicer to pay any deductible under an insurance policy pursuant to Section 3.14 or to indemnify the Trustee or the NIMS Insurer pursuant to Section 6.03), nor shall any successor Servicer be liable for any acts or omissions of the predecessor Servicer or for any breach by such Servicer of any of its representations or warranties contained herein or in any related document or agreement. The Trustee and such successor shall take such action, consistent with this Agreement, as shall be necessary to effectuate any such succession. All Servicing Transfer Costs shall be paid by the predecessor Servicer upon presentation of reasonable documentation of such costs, and if such predecessor Servicer defaults in its obligation to pay such costs, such costs shall be paid by the successor Servicer or the Trustee (in which case the successor Servicer or the Trustee, as applicable, shall be entitled to reimbursement therefor from the assets of the Trust).

Notwithstanding any provision in this Agreement to the contrary, for a period of 10 days following the date on which the Servicer shall have received a notice of termination pursuant to Section 7.01 of this Agreement, the Servicer may appoint the Servicing Rights Pledgee or its designee as successor Servicer; provided, that the Servicing Rights Pledgee or such designee satisfies the eligibility criteria of a successor Servicer set forth below, which appointment shall be subject to the consent of the Depositor and the Trustee (such consent not to be unreasonably withheld or delayed); provided that such successor Servicer agrees to fully effect the servicing transfer within 100 days following the termination of the Servicer and to make all Advances that would be otherwise made by the Trustee under Section 7.01 as of the date of such appointment, and to immediately upon appointment reimburse the Trustee for any unreimbursed Advances the Trustee has made and any reimbursable expenses that the Trustee may have incurred in connection with this Section 7.02. Any proceeds received in connection with the appointment of such successor Servicer shall be the property of the Servicer or its designee.

(b) Any successor to the Servicer, including the Trustee, shall during the term of its service as servicer continue to service and administer the Mortgage Loans for the benefit of Certificateholders, and maintain in force a policy or policies of insurance covering errors and omissions in the performance of its obligations as Servicer hereunder and a Fidelity Bond in respect of its officers, employees and agents to the same extent as the Servicer is so required pursuant to Section 3.14.

SECTION 7.03. Waiver of Defaults.

The Majority Certificateholders may, on behalf of all Certificateholders and with the consent of the NIMS Insurer, waive any events permitting removal of the Servicer as servicer pursuant to this Article VII, provided, however, that the Majority Certificateholders may not waive a default in making a required distribution on a Certificate without the consent of the Holder of such Certificate and the consent of the NIMS Insurer. Upon any waiver of a past default, such default shall cease to exist and any Servicer Event of Termination arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto except to the extent expressly so waived. Notice of any such waiver shall be given by the Trustee to the Rating Agencies and the NIMS Insurer.

SECTION 7.04. Notification to Certificateholders.

(a) Upon any termination or appointment of a successor to the Servicer pursuant to this Article VII or Section 6.04, the Trustee shall give prompt written notice thereof to the Certificateholders at their respective addresses appearing in the Certificate Register, the NIMS Insurer, the Swap Provider and each Rating Agency.

(b) No later than 60 days after the occurrence of any event which constitutes or which, with notice or a lapse of time or both, would constitute a Servicer Event of Termination for five Business Days after a Responsible Officer of the Trustee becomes aware of the occurrence of such an event, the Trustee shall transmit by mail to all Certificateholders and to the NIMS Insurer notice of such occurrence unless such default or Servicer Event of Termination shall have been waived or cured.

SECTION 7.05. Survivability of Servicer Liabilities.

Notwithstanding anything herein to the contrary, upon termination of the Servicer hereunder, any liabilities of the Servicer which accrued prior to such termination shall survive such termination.

ARTICLE VIII

THE TRUSTEE

SECTION 8.01. Duties of Trustee.

The Trustee, prior to the occurrence of a Servicer Event of Termination and after the curing of all Servicer Events of Termination which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Agreement. If a Servicer Event of Termination has occurred (which has not been cured) of which a Responsible Officer has knowledge, the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

The Trustee, upon receipt of all resolutions, certificates, statements, opinions, reports, documents, orders or other instruments furnished to the Trustee which are specifically required to be furnished pursuant to any provision of this Agreement, shall examine them to determine whether they conform to the requirements of this Agreement; provided, however, that the Trustee will not be responsible for the accuracy or content of any such resolutions, certificates, statements, opinions, reports, documents or other instruments. If any such instrument is found not to conform to the requirements of this Agreement in a material manner the Trustee shall take such action as it deems appropriate to have the instrument corrected, and if the instrument is not corrected to the Trustee's satisfaction, the Trustee will provide notice thereof to the Certificateholders and the NIMS Insurer.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own misconduct; provided, however, that:

(i) prior to the occurrence of a Servicer Event of Termination, and after the curing of all such Servicer Events of Termination which may have occurred, the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, no implied covenants or obligations shall be read into this Agreement against the Trustee and, in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this

Agreement;

(ii) the Trustee shall not be personally liable for an error of judgment made in good faith by a Responsible Officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining or investigating the facts related thereto;

(iii) the Trustee shall not be personally liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the NIMS Insurer or the Majority Certificateholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising or omitting to exercise any trust or power conferred upon the Trustee, under this Agreement; and

(iv) the Trustee shall not be charged with knowledge of any failure by the Servicer to comply with the obligations of the Servicer referred to in clauses (i) and (ii) of Section 7.01(a) unless a Responsible Officer of the Trustee at the Corporate Trust Office obtains actual knowledge of such failure or the Trustee receives written notice of such failure from the Servicer, the NIMS Insurer or the Majority Certificateholders.

The Trustee shall not be required to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, and none of the provisions contained in this Agreement shall in any event require the Trustee to perform, or be responsible for the manner of performance of, any of the obligations of the Servicer under this Agreement, except during such time, if any, as the Trustee shall be the successor to, and be vested with the rights, duties, powers and privileges of, the Servicer in accordance with the terms of this Agreement.

SECTION 8.02. Certain Matters Affecting the Trustee.

Except as otherwise provided in Section 8.01:

(a) (i) the Trustee may request and rely upon, and shall be protected in acting or refraining from acting upon, any resolution, Officers' Certificate, certificate of auditors or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, appraisal, bond or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties, and the manner of obtaining consents and of evidencing the authorization of the execution thereof by Certificateholders shall be subject to such reasonable regulations as the Trustee may prescribe;

(ii) the Trustee may consult with counsel and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance with such Opinion of Counsel;

(iii) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement, or to institute, conduct or defend any litigation hereunder or in relation hereto, at the request, order or direction of any of the Certificateholders or the NIMS Insurer, pursuant to the provisions of this Agreement, unless such Certificateholders or the NIMS Insurer, as applicable, shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby; the right of the Trustee to perform any discretionary act enumerated in this Agreement shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct in the performance of any such act;

(iv) the Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement;

(v) prior to the occurrence of a Servicer Event of Termination and after the curing of all Servicer Events of Termination which may have occurred, the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or documents, unless requested in writing to do so by the NIMS Insurer or the Majority Certificateholder; provided, however, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Agreement, the Trustee may require reasonable indemnity against such cost, expense or liability as a condition to such proceeding. The reasonable expense of every such examination shall be paid by the Servicer or the NIMS Insurer (if requested by the NIMS Insurer) or, if paid by the Trustee, shall be reimbursed by the Servicer or the NIMS Insurer (if requested by the NIMS Insurer) upon demand and, if not reimbursed by the Servicer or the NIMS Insurer (if requested by the NIMS Insurer), shall be reimbursed by the Trust. Nothing in this clause (v) shall derogate from the obligation of the Servicer to observe any applicable law prohibiting disclosure of information regarding the Mortgages;

(vi) the Trustee shall not be accountable, shall have no liability and makes no representation as to any acts or omissions hereunder of the Servicer until such time as the Trustee may be required to act as Servicer pursuant to Section 7.02 and thereupon only for the acts or omissions of the Trustee as successor Servicer;

(vii) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian; and

(viii) the right of the Trustee to perform any discretionary act enumerated in this Agreement shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct in the performance of such act.

(b) The Depositor hereby directs the Trustee to execute, deliver and perform its obligations under the Interest Rate Swap Agreement (in its capacity as Supplemental Interest Trust Trustee) and to appoint to the Swap Administrator, pursuant to the Swap Administration Agreement, any rights to receive payments from the Swap Provider and the Depositor further directs the Trustee to execute, deliver and perform its obligation under the Swap Administration Agreement. The Seller, the Depositor, the Servicer and the Holders of the Class A Certificates and the Mezzanine Certificates by their acceptance of such Certificates acknowledge and agree that the Supplemental Interest Trust Trustee shall execute, deliver and perform its obligations under the Interest Rate Swap Agreement and the Swap Administration Agreement and shall do so solely in its capacity as trustee of the Supplemental Interest Trust or as Swap Administrator, as the case may be, and not in its individual capacity. Every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall apply to the Supplemental Interest Trust Trustee's execution of the Interest Rate Swap Agreement and the Swap Administration Agreement, and the performance of its duties and satisfaction of its obligations thereunder.

(c) [Reserved].

SECTION 8.03. Trustee Not Liable for Certificates or Mortgage Loans.

The recitals contained herein and in the Certificates (other than the authentication of the Trustee on the Certificates) shall be taken as the statements of the Depositor, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Agreement or of the Certificates (other than the signature and authentication of the Trustee on the Certificates) or of any Mortgage Loan or related document. The Trustee shall not be accountable for the use or application by the Servicer, or for the use or application of any funds paid to the Servicer in respect of the Mortgage Loans or deposited in or withdrawn from the Collection Account by the Servicer. The Trustee shall at no time have any responsibility or liability for or with respect to the legality, validity and enforceability of any Mortgage or any Mortgage Loan, or the perfection and priority of any Mortgage or the maintenance of any such perfection and priority, or for or with respect to the sufficiency of the Trust or its ability to generate the payments to be distributed to Certificateholders under this Agreement, including,

without limitation: the existence, condition and ownership of any Mortgaged Property; the existence and enforceability of any hazard insurance thereon (other than if the Trustee shall assume the duties of the Servicer pursuant to Section 7.02); the validity of the assignment of any Mortgage Loan to the Trustee or of any intervening assignment; the completeness of any Mortgage Loan; the performance or enforcement of any Mortgage Loan (other than if the Trustee shall assume the duties of the Servicer pursuant to Section 7.02); the compliance by the Depositor, the Originator, the Seller or the Servicer with any warranty or representation made under this Agreement or in any related document or the accuracy of any such warranty or representation prior to the Trustee's receipt of notice or other discovery of any non-compliance therewith or any breach thereof; any investment of monies by or at the direction of the Servicer or any loss resulting therefrom, it being understood that the Trustee shall remain responsible for any Trust property that it may hold in its individual capacity; the acts or omissions of any of the Servicer (other than if the Trustee shall assume the duties of the Servicer pursuant to Section 7.02), any Sub-Servicer or any Mortgagor; any action of the Servicer (other than if the Trustee shall assume the duties of the Servicer pursuant to Section 7.02), or any Sub-Servicer taken in the name of the Trustee; the failure of the Servicer or any Sub-Servicer to act or perform any duties required of it as agent of the Trustee hereunder; or any action by the Trustee taken at the instruction of the Servicer (other than if the Trustee shall assume the duties of the Servicer pursuant to Section 7.02); provided, however, that the foregoing shall not relieve the Trustee of its obligation to perform its duties under this Agreement, including, without limitation, the Trustee's duty to review the Mortgage Files pursuant to Section 2.01. The Trustee shall have no responsibility for filing any financing or continuation statement in any public office at any time or to otherwise perfect or maintain the perfection of any security interest or lien granted to it hereunder (unless the Trustee shall have become the successor Servicer).

SECTION 8.04. Trustee May Own Certificates.

The Trustee in its individual or any other capacity may become the owner or pledgee of Certificates with the same rights as it would have if it were not Trustee and may transact any banking and trust business with the Originator, the Servicer, the Depositor or their Affiliates.

SECTION 8.05. Trustee Fee and Expenses.

(a) The Trustee shall withdraw from the Distribution Account on each Distribution Date and pay to itself the Trustee Fee. The Trustee shall be reimbursed from the Trust Fund for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Agreement (not including expenses, disbursements and advances incurred or made by the Trustee including the compensation and the expenses and disbursements of its agents and counsel, in the ordinary course of the Trustee's performance in accordance with the provisions of this Agreement) up to a limit of \$25,000 per calendar year except any such expense, disbursement or advance as may arise from its negligence or bad faith or which is the responsibility of Certificateholders or the Trustee hereunder. In addition, the Trustee and its officers, directors, employees and agents shall be entitled to be indemnified for, and held harmless by the Trust Fund against, any and all losses, liabilities, damages, claims or expenses incurred in connection with any legal action relating to this Agreement or the Certificates up to a limit of \$600,000 per calendar year, other than (i) any loss, liability or expense incurred by reason of willful misfeasance, bad faith or negligence of the Trustee in the performance of its duties hereunder or by reason of the Trustee's reckless disregard of obligations and duties hereunder or (ii) resulting from a breach of the Servicer's obligations and duties under this Agreement and the Mortgage Loans (for which the Servicer shall indemnify pursuant to Section 8.05(b)). Notwithstanding anything herein to the contrary, the Trustee shall be reimbursed from the Trust Fund for all Servicing Transfer Costs not paid by the Servicer pursuant to Section 7.02(a) and any expenses related to "high cost home loans" without regard to any annual limitations. This section shall survive termination of this Agreement or the resignation or removal of any Trustee hereunder.

(b) The Servicer agrees to indemnify the Trustee from, and hold it harmless against, any loss, liability or expense resulting from a breach of the Servicer's obligations and duties under this Agreement. Such indemnity shall survive the termination or discharge of this Agreement and the resignation or removal of the Trustee. Any payment hereunder made by the Servicer to the Trustee shall be from the Servicer's own funds, without reimbursement from the Trust Fund therefor.

(c) Any amounts payable to the Trustee, or any director, officer, employee or agent of the Trustee in respect of the indemnification provided by this Section 8.05, or pursuant to any other right of reimbursement from the Trust Fund that the Trustee, or any director, officer, employee or agent of the Trustee, may have hereunder in its capacity as such, may be withdrawn by the Trustee from the Distribution Account at any time.

(d) The limitations on the indemnification provided to the Trustee set forth in Section 8.05(a) above shall remain in effect for so long as any series of notes issued pursuant to one or more Indentures, as set forth in Section 1.04 remain outstanding.

SECTION 8.06. Eligibility Requirements for Trustee.

The Trustee hereunder shall at all times be an entity duly organized and validly existing under the laws of the United States of America or any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000 and a long-term debt rating of at least "A-" and a short-term debt rating of at least "A-1" by S&P, if rated by S&P, and subject to supervision or examination by federal or state authority. If such entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 8.06, the combined capital and surplus of such entity shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The principal office of the Trustee (other than the initial Trustee) shall be in a state with respect to which an Opinion of Counsel has been delivered to such Trustee and the NIMS Insurer at the time such Trustee is appointed Trustee to the effect that the Trust will not be a taxable entity under the laws of such state. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 8.06, the Trustee shall resign immediately in the manner and with the effect specified in Section 8.07.

SECTION 8.07. Resignation or Removal of Trustee.

The Trustee may at any time resign and be discharged from the trusts hereby created by giving written notice thereof to the NIMS Insurer, the Depositor, the Servicer, the Swap Provider and each Rating Agency. Upon receiving such notice of resignation, the Depositor shall promptly appoint a successor Trustee acceptable to the NIMS Insurer by written instrument, in duplicate, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor Trustee. If no successor Trustee shall have been so appointed and having accepted appointment within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If at any time the Trustee shall cease to be eligible in accordance with the provisions of Section 8.06 and shall fail to resign after written request therefor by the Depositor or the NIMS Insurer or if at any time the Trustee shall be legally unable to act, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Depositor, the Servicer or the NIMS Insurer may remove the Trustee. If the Depositor, the Servicer or the NIMS Insurer removes the Trustee under the authority of the immediately preceding sentence, the Depositor, with the consent of the NIMS Insurer, shall promptly appoint a successor Trustee by written instrument, in duplicate, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee.

The Majority Certificateholders (or the NIMS Insurer upon the failure of the Trustee to perform its obligations hereunder) may at any time remove the Trustee by written instrument or instruments delivered to the Servicer, the Depositor and the Trustee; the Depositor shall thereupon use its best efforts to appoint a successor trustee acceptable to the NIMS Insurer in accordance with this Section.

Any resignation or removal of the Trustee and appointment of a successor Trustee pursuant to any of the provisions of this Section 8.07 shall not become effective until acceptance of appointment by the successor Trustee as provided in Section 8.08.

Any Person appointed as successor trustee pursuant to this Agreement shall also be required to serve as successor supplemental interest trust trustee under the Interest Rate Swap Agreement.

SECTION 8.08. Successor Trustee.

Any successor Trustee appointed as provided in Section 8.07 shall execute, acknowledge and deliver to the NIMS Insurer, the Depositor, the Servicer and to its predecessor Trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Trustee shall become effective, and such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee. The Depositor, the Servicer and the predecessor Trustee shall execute and deliver such instruments and do such other things as may reasonably be required for fully and certainly vesting and confirming in the successor Trustee all such rights, powers, duties and obligations.

No successor Trustee shall accept appointment as provided in this Section 8.08 unless at the time of such acceptance such successor Trustee shall be eligible under the provisions of Section 8.06 and the appointment of such successor Trustee shall not result in a downgrading of the Regular Certificates by either Rating Agency, as evidenced by a letter from each Rating Agency.

Upon acceptance of appointment by a successor Trustee as provided in this Section 8.08, the successor Trustee shall mail notice of the appointment of a successor Trustee hereunder to all Holders of Certificates at their addresses as shown in the Certificate Register and to each Rating Agency and the Swap Provider.

SECTION 8.09. Merger or Consolidation of Trustee.

Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any entity succeeding to the business of the Trustee, shall be the successor of the Trustee hereunder, provided such entity shall be eligible under the provisions of Section 8.06 and 8.08, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 8.10. Appointment of Co-Trustee or Separate Trustee.

Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust or any Mortgaged Property may at the time be located, the Depositor and the Trustee acting jointly shall have the power and shall execute and deliver all instruments to appoint one or more Persons approved by the Trustee and the NIMS Insurer to act as co-trustee or co-trustees, jointly with the Trustee, or separate trustee or separate trustees, of all or any part of the Trust, and to vest in such Person or Persons, in such capacity and for the benefit of the Certificateholders, such title to the Trust, or any part thereof, and, subject to the other provisions of this Section 8.10, such powers, duties, obligations, rights and trusts as the Servicer and the Trustee may consider necessary or desirable. Any such co-trustee or separate trustee shall be subject to the written approval of the Servicer and the NIMS Insurer. If the Servicer and the NIMS Insurer shall not have joined in such appointment within 15 days after the receipt by it of a request so to do, or in the case a Servicer Event of Termination shall have occurred and be continuing, the Trustee alone shall have the power to make such appointment. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 8.06, and no notice to Certificateholders of the appointment of any co-trustee or separate trustee shall be required under Section 8.08. The Servicer shall be responsible for the fees of any co-trustee or separate trustee appointed hereunder.

Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

- (i) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed (whether as Trustee hereunder or as successor to the Servicer hereunder), the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee;
- (ii) no trustee hereunder shall be held personally liable by reason of any act or omission of any other trustee hereunder; and
- (iii) the Servicer and the Trustee, acting jointly and with the consent of the NIMS Insurer, may at any time accept the resignation of or remove any separate trustee or co-trustee except that following the occurrence of a Servicer Event of Termination, the Trustee acting alone may accept the resignation or remove any separate trustee or co-trustee.

Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Agreement and the conditions of this Article VIII. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection to, the Trustee. Every such instrument shall be filed with the Trustee and a copy thereof given to the Depositor, the Servicer and the NIMS Insurer.

Any separate trustee or co-trustee may, at any time, constitute the Trustee, its agent or attorney-in-fact, with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successor Trustee.

SECTION 8.11. Limitation of Liability.

The Certificates are executed by the Trustee, not in its individual capacity but solely as Trustee of the Trust, in the exercise of the powers and authority conferred and vested in it by this Agreement. Each of the undertakings and agreements made on the part of the Trustee in the Certificates is made and intended not as a personal undertaking or agreement by the Trustee but is made and intended for the purpose of binding only the Trust.

SECTION 8.12. Trustee May Enforce Claims Without Possession of Certificates.

(a) All rights of action and claims under this Agreement or the Certificates may be prosecuted and enforced by the Trustee without the possession of any of the Certificates or the production thereof in any proceeding relating thereto, and such proceeding instituted by the Trustee shall be brought in its own name or in its capacity as Trustee for the benefit of all Holders of such Certificates, subject to the provisions of this Agreement. Any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursement and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Certificateholders in respect of which such judgment has been recovered.

(b) The Trustee shall afford the Seller, the Originator, the Depositor, the Servicer, the NIMS Insurer and each Certificate Owner upon reasonable notice during normal business hours, access to all records maintained by the Trustee in respect of its duties hereunder and access to officers of the Trustee responsible for performing such duties. Upon request, the Trustee shall furnish the Depositor, the Servicer, the NIMS Insurer and any requesting Certificate Owner with its most recent financial statements. The Trustee shall cooperate fully with the Seller, the Originator the Servicer, the Depositor and such Certificate Owner and shall make available to the Seller, the Originator, the Servicer, the Depositor, the NIMS Insurer and such Certificate Owner for review and copying such books, documents or records as may be

requested with respect to the Trustee's duties hereunder. The Seller, the Originator, the Depositor, the Servicer and the Certificate Owners shall not have any responsibility or liability for any action or failure to act by the Trustee and are not obligated to supervise the performance of the Trustee under this Agreement or otherwise.

SECTION 8.13. Suits for Enforcement.

In case a Servicer Event of Termination or other default by the Servicer or the Depositor hereunder shall occur and be continuing, the Trustee, shall, at the direction of the Majority Certificateholders or the NIMS Insurer, or may, proceed to protect and enforce its rights and the rights of the Certificateholders or the NIMS Insurer under this Agreement by a suit, action or proceeding in equity or at law or otherwise, whether for the specific performance of any covenant or agreement contained in this Agreement or in aid of the execution of any power granted in this Agreement or for the enforcement of any other legal, equitable or other remedy, as the Trustee, being advised by counsel, and subject to the foregoing, shall deem most effectual to protect and enforce any of the rights of the Trustee, the NIMS Insurer and the Certificateholders.

SECTION 8.14. Waiver of Bond Requirement.

The Trustee shall be relieved of, and each Certificateholder hereby waives, any requirement of any jurisdiction in which the Trust, or any part thereof, may be located that the Trustee post a bond or other surety with any court, agency or body whatsoever.

SECTION 8.15. Waiver of Inventory, Accounting and Appraisal Requirement.

The Trustee shall be relieved of, and each Certificateholder hereby waives, any requirement of any jurisdiction in which the Trust, or any part thereof, may be located that the Trustee file any inventory, accounting or appraisal of the Trust with any court, agency or body at any time or in any manner whatsoever.

ARTICLE IX

REMIC ADMINISTRATION

SECTION 9.01. REMIC Administration.

(a) REMIC elections as set forth in the Preliminary Statement shall be made by the Trustee on Form 1066 or other appropriate federal tax or information return for the taxable year ending on the last day of the calendar year in which the Certificates are issued. The regular interests and residual interest in each REMIC shall be as designated in the Preliminary Statement.

(b) The Closing Date is hereby designated as the "Startup Day" of each REMIC within the meaning of section 860G(a)(9) of the Code.

(c) The Servicer shall pay any and all tax related expenses (not including taxes) of each REMIC, including but not limited to any professional fees or expenses related to audits or any administrative or judicial proceedings with respect to each REMIC that involve the Internal Revenue Service or state tax authorities, but only to the extent that (i) such expenses are ordinary or routine expenses, including expenses of a routine audit but not expenses of litigation (except as described in (ii)); or (ii) such expenses or liabilities (including taxes and penalties) are attributable to the gross negligence or willful misconduct of the Servicer in fulfilling its duties hereunder. The Servicer shall be entitled to reimbursement of expenses to the extent provided in clause (i) above from the Collection Account.

(d) The Trustee shall prepare, sign and file, all of the REMICs' federal and state tax and information returns as the direct representative each REMIC created hereunder. The expenses of preparing and filing such returns shall be borne by the Trustee. The Trustee shall use the Tax Prepayment Assumption for purposes of computing any tax reporting, including, but not limited to, the calculation of the original issue discount.

(e) The Holder of the Residual Certificate at any time holding the largest Percentage Interest thereof shall be the "tax matters person" as defined in the REMIC Provisions (the "Tax Matters Person") with respect to the related REMIC and shall act as Tax Matters Person for each REMIC. The Trustee, as agent for the Tax Matters Person, shall perform on behalf of each REMIC all reporting and other tax compliance duties that are the responsibility of such REMIC under the Code, the REMIC Provisions, or other compliance guidance issued by the Internal Revenue Service or any state or local taxing authority. Among its other duties, if required by the Code, the REMIC Provisions, or other such guidance, the Trustee, as agent for the Tax Matters Person, shall provide (i) to the Treasury or other governmental authority such information as is necessary for the application of any tax relating to the transfer of a Residual Certificate to any disqualified person or organization and (ii) to the Certificateholders such information or reports as are required by the Code or REMIC Provisions. The Trustee, as agent for the Tax Matters Person, shall represent each REMIC in any administrative or judicial proceedings relating to an examination or audit by any governmental taxing authority, request an administrative adjustment as to any taxable year of any REMIC, enter into settlement agreements with any government taxing agency, extend any statute of limitations relating to any item of any REMIC and otherwise act on behalf of any REMIC in relation to any tax matter involving the Trust.

(f) The Trustee, the Servicer and the Holders of Certificates shall take any action or cause the REMIC to take any action necessary to create or maintain the status of each REMIC as a REMIC under the REMIC Provisions and shall assist each other as necessary to create or maintain such status. Neither the Trustee, the Servicer nor the Holder of any Residual Certificate shall take any action, cause any REMIC created hereunder to take any action or fail to take (or fail to cause to be taken) any action that, under the REMIC Provisions, if taken or not taken, as the case may be, could (i) endanger the status of such REMIC as a REMIC or (ii) result in the imposition of a tax upon such REMIC (including but not limited to the tax on prohibited transactions as defined in Code Section 860F(a)(2) and the tax on prohibited contributions set forth on Section 860G(d) of the Code) (either such event, an "Adverse REMIC Event") unless the Trustee, the NIMS Insurer and the Servicer have received an Opinion of Counsel (at the expense of the party seeking to take such action) to the effect that the contemplated action will not endanger such status or result in the imposition of such a tax. In addition, prior to taking any action with respect to any REMIC created hereunder or the assets therein, or causing such REMIC to take any action, which is not expressly permitted under the terms of this Agreement, any Holder of a Residual Certificate will consult with the Trustee, the NIMS Insurer and the Servicer, or their respective designees, in writing, with respect to whether such action could cause an Adverse REMIC Event to occur with respect to any REMIC, and no such Person shall take any such action or cause any REMIC to take any such action as to which the Trustee, the NIMS Insurer or the Servicer has advised it in writing that an Adverse REMIC Event could occur.

(g) Each Holder of a Residual Certificate shall pay when due any and all taxes imposed on each REMIC created hereunder by federal or state governmental authorities. To the extent that such Trust taxes are not paid by a Residual Certificateholder, the Trustee shall pay any remaining REMIC taxes out of current or future amounts otherwise distributable to the Holder of the Residual Certificate in the REMICs or, if no such amounts are available, out of other amounts held in the Distribution Account, and shall reduce amounts otherwise payable to Holders of regular interests in the related REMIC. Subject to the foregoing, in the event that a REMIC incurs a state or local tax, including franchise taxes, as a result of a determination that such REMIC is domiciled in the State of California or any other state for state tax purposes by virtue of the location of the Servicer or any subservicer, the Servicer agrees to pay on behalf of such REMIC when due, any and all state and local taxes imposed as a result of such a determination, in the event that the Holder of the related Residual Certificate fails to pay such taxes, if any, when imposed.

(h) The Trustee, as agent for the Tax Matters Person, shall, for federal income tax purposes, maintain books and records with respect to each REMIC created hereunder on a calendar year and on an accrual basis.

(i) No additional contributions of assets shall be made to any REMIC created hereunder, except as expressly provided in this Agreement with respect to eligible substitute mortgage loans.

(j) Neither the Trustee nor the Servicer shall enter into any arrangement by which any REMIC created hereunder will receive a fee or other compensation for services.

(k) On or before April 15 of each calendar year beginning in 2008, the Servicer shall deliver to the NIMS Insurer, the Trustee and each Rating Agency an Officers' Certificate stating the Servicer's compliance with the provisions of this Section 9.01.

(l) The Trustee will apply for an Employee Identification Number from the Internal Revenue Service via a Form SS-4 or other acceptable method for all tax entities and shall complete the Form 8811.

SECTION 9.02. Prohibited Transactions and Activities.

Neither the Depositor, the Servicer nor the Trustee shall sell, dispose of, or substitute for any of the Mortgage Loans, except in a disposition pursuant to (i) the foreclosure of a Mortgage Loan, (ii) the bankruptcy of the Trust Fund, (iii) the termination of any REMIC created hereunder pursuant to Article X of this Agreement, (iv) a substitution pursuant to Article II of this Agreement or (v) a repurchase of Mortgage Loans pursuant to Article II of this Agreement, nor acquire any assets for any REMIC, nor sell or dispose of any investments in the Distribution Account for gain, nor accept any contributions to either REMIC after the Closing Date, unless it and the NIMS Insurer have received an Opinion of Counsel (at the expense of the party causing such sale, disposition, or substitution) that such disposition, acquisition, substitution, or acceptance will not (a) affect adversely the status of any REMIC created hereunder as a REMIC or of the interests therein other than the Residual Certificates as the regular interests therein, (b) affect the distribution of interest or principal on the Certificates, (c) result in the encumbrance of the assets transferred or assigned to the Trust Fund (except pursuant to the provisions of this Agreement) or (d) cause any REMIC created hereunder to be subject to a tax on prohibited transactions or prohibited contributions pursuant to the REMIC Provisions.

SECTION 9.03. Indemnification with Respect to Certain Taxes and Loss of REMIC Status.

(a) In the event that any REMIC fails to qualify as a REMIC, loses its status as a REMIC, or incurs federal, state or local taxes as a result of a prohibited transaction or prohibited contribution under the REMIC Provisions due to the grossly negligent performance by the Servicer of its duties and obligations set forth herein, the Servicer shall indemnify the NIMS Insurer, the Trustee and the Trust Fund against any and all losses, claims, damages, liabilities or expenses ("Losses") resulting from such negligence; provided, however, that the Servicer shall not be liable for any such Losses attributable to the action or inaction of the Trustee, the Depositor or the Holder of such Residual Certificate, as applicable, nor for any such Losses resulting from misinformation provided by the Holder of such Residual Certificate on which the Servicer has relied. The foregoing shall not be deemed to limit or restrict the rights and remedies of the Holder of such Residual Certificate now or hereafter existing at law or in equity. Notwithstanding the foregoing, however, in no event shall the Servicer have any liability (1) for any action or omission that is taken in accordance with and in compliance with the express terms of, or which is expressly permitted by the terms of, this Agreement, (2) for any Losses other than arising out of a negligent performance by the Servicer of its duties and obligations set forth herein, and (3) for any special or consequential damages to Certificateholders (in addition to payment of principal and interest on the Certificates).

(b) In the event that any REMIC fails to qualify as a REMIC, loses its status as a REMIC, or incurs federal, state or local taxes as a result of a prohibited transaction or prohibited contribution under the REMIC Provisions due to the negligent performance by the Trustee of its duties and obligations set forth herein, the Trustee shall indemnify the NIMS Insurer and the Trust Fund against any and all Losses resulting from such negligence; provided, however, that the Trustee shall not be liable for any such Losses attributable to the action or inaction of the Servicer, the Depositor or the Holder of such Residual Certificate, as applicable, nor for any such Losses resulting from misinformation provided by the Holder of such Residual Certificate on which the Trustee has relied. The foregoing shall not be deemed to limit or restrict the rights and remedies of the Holder of such Residual Certificate now or hereafter existing at law or in equity. Notwithstanding the foregoing, however, in no event shall the Trustee have any liability (1) for any action or omission that is taken in accordance with and in compliance with the express terms of, or which is expressly permitted by the terms of, this Agreement, (2) for any Losses other than arising out of a negligent performance by the Trustee of its duties and obligations set forth herein, and (3) for any special or consequential damages to Certificateholders (in addition to payment of principal and interest on the Certificates).

ARTICLE X

TERMINATION

SECTION 10.01. Termination.

(a) The respective obligations and responsibilities of the Servicer, the Depositor and the Trustee created hereby (other than the obligation of the Trustee to make certain payments to Certificateholders after the final Distribution Date and the obligation of the Servicer to send certain notices as hereinafter set forth) shall terminate upon notice to the Trustee upon the earliest of (i) the Distribution Date on which the Certificate Principal Balances of the Regular Certificates have been reduced to zero, (ii) the final payment or other liquidation of the last Mortgage Loan in the Trust and (iii) the optional purchase by the Servicer or the NIMS Insurer of the Mortgage Loans as described below. Notwithstanding the foregoing, in no event shall the trust created hereby continue beyond the earlier of (a) July 2037 or (b) the expiration of 21 years from the death of the last survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States to the Court of St. James's, living on the date hereof.

The Servicer (or if the Servicer elects not to exercise such option, the NIMS Insurer) may, at its option (the party exercising such right the "Terminator"), terminate this Agreement on any date on which the aggregate Stated Principal Balance of the Mortgage Loans (after giving effect to scheduled payments of principal due during the related Due Period, to the extent received or advanced, and unscheduled collections of principal received during the related Prepayment Period) on such date is equal to or less than 10% of the aggregate Cut-off Date Principal Balance, by purchasing, on the next succeeding Distribution Date, all of the outstanding Mortgage Loans and REO Properties at a price equal to the fair market value of the Mortgage Loans and REO Properties (as determined by the Servicer, if it is the Terminator, the NIMS Insurer, if it is the Terminator and, to the extent that the Class A Certificates or a Class of Mezzanine Certificates will not receive all amounts owed to it as a result of the termination, the Trustee, as of the close of business on the third Business Day next preceding the date upon which notice of any such termination is furnished to the related Certificateholders pursuant to Section 10.01(c)), plus accrued and unpaid interest thereon at the weighted average of the Mortgage Rates through the end of the Due Period preceding the final Distribution Date plus unreimbursed Servicing Advances, Advances, any unpaid Servicing Fees allocable to such Mortgage Loans and REO Properties, any accrued unpaid Net WAC Rate Carryover Amount, any previously unpaid Allocated Realized Loss Amounts and any Swap Termination Payment due to the Swap Provider then remaining unpaid or which is due to the exercise of such option (the "Termination Price"); provided, however, such option may only be exercised if (i) the Termination Price is sufficient to pay all interest accrued on, as well as amounts necessary to retire the principal balance of, each class of notes secured by the Class C Certificates and the Class P Certificates and issued pursuant to the Indenture and any amounts owed to the NIMS Insurer at the time the option is exercised, and (ii) the fair market value of the Mortgage Loans and REO Properties determined as provided above is at least equal to the Stated Principal Balance of the Mortgage Loans (after giving effect to scheduled payments of principal due during the related Due Period, to the extent received or advanced, and unscheduled collections of principal received during the related Prepayment Period) and the appraised value of the REO Properties. Notwithstanding the foregoing, if the condition set forth in clause (i) above is satisfied but the condition set forth in clause (ii) above is not satisfied, then if the Terminator is the Servicer or the NIMS Insurer, such Terminator may nevertheless exercise such option by paying a higher Termination Price equal to the Stated Principal Balance of the Mortgage Loans (after giving effect to scheduled payments of principal due during the related Due Period, to the extent received or advanced, and unscheduled collections of principal received during the related Prepayment Period) and the appraised value of the REO Properties plus accrued and unpaid interest thereon at the weighted average of the Mortgage Rates through the end of the Due Period preceding the final Distribution Date plus unreimbursed Servicing Advances, Advances, any unpaid Servicing Fees allocable to such Mortgage Loans and REO Properties, any accrued and unpaid Net WAC Rate Carryover Amount, any previously unpaid Allocated Realized Loss Amounts, provided that the payment of such higher Termination Price is not prohibited by any regulatory institution under whose supervision such Terminator may be conducting its business at such time.

In connection with any such purchase pursuant to the preceding paragraph, the Servicer or the NIMS Insurer, as applicable, shall deposit in the Distribution Account all amounts then on deposit in the Collection Account, which deposit shall be deemed to have occurred immediately preceding such purchase.

Any such purchase shall be accomplished by deposit into the Distribution Account on the Determination Date before such Distribution Date of the Termination Price.

(b) In connection with any termination pursuant to this Section 10.01(b):

(i) At least twenty (20) days prior to the latest date on which notice of such optional termination is required to be mailed to the Certificateholders pursuant to Section 10.01(c), the Terminator shall notify in writing (in accordance with the applicable provision of the Interest Rate Swap Agreement and which may be done in electronic format) the Swap Provider and the Trustee of the final Distribution Date on which the Terminator intends to terminate the Trust Fund;

(ii) No later than 4:00 pm (New York City time) four (4) Business Days prior to the final Distribution Date specified in the notices required pursuant to Section 10.01(c), the Trustee shall request from the Swap Provider the amount of the Estimated Swap Termination Payment. The Swap Provider shall, no later than 2:00 pm (New York City time) on the following Business Day, notify in writing (which may be done in electronic format) both the Terminator and the Trustee of the amount of the Estimated Swap Termination Payment and the Trustee shall promptly on the same day notify the Terminator of the amount of the Estimated Swap Termination Payment; and

(iii) Two (2) Business Days prior to the final Distribution Date specified in the notices required pursuant to Section 10.01(c), (x) the Terminator shall, no later than 1:00 pm (New York City time) on such day, deliver to the Trustee and the Trustee shall deposit funds in the Distribution Account in an amount equal to the sum of the Termination Price (which shall be based on the Estimated Swap Termination Payment), and (y) if the Trustee shall have determined that all of the requirements for optional termination have been met, including without limitation the deposit required pursuant to the immediately preceding clause (x) as well as the requirements specified in Section 10.01(c), then the Trustee shall, on the same Business Day, provide written notice (which may be done in electronic format) to the Terminator and the Swap Provider (in accordance with the applicable provision of the Interest Rate Swap Agreement) confirming (a) its receipt of the Termination Price (which shall be based on the Estimated Swap Termination Payment), and (b) that all other requirements of the optional termination have been met (the "Optional Termination Notice"). Upon the delivery of the Optional Termination Notice by the Trustee pursuant to the preceding sentence, (i) the optional termination shall become irrevocable, (ii) the notice to Certificateholders of such optional termination provided pursuant to Section 10.01(c) shall become unrescindable, (iii) the Swap Provider shall determine the Swap Termination Payment in accordance with the Interest Rate Swap Agreement (which shall not exceed the Estimated Swap Termination Payment), and (iv) the Swap Provider shall provide to the Trustee written notice of the amount of the Swap Termination Payment not later than two (2) Business Days prior to the final Distribution Date specified in the notices required pursuant to Section 10.01(c).

In connection with any optional termination, only an amount equal to the Mortgage Loan purchase price less any Swap Termination Payment shall be made available for distribution to the Regular Certificates. Any Estimated Swap Termination Payment deposited into the Distribution Account by the Terminator shall be withdrawn by the Trustee from the Distribution Account on the final Distribution Date and distributed as follows: (i) to the Supplemental Interest Trust for payment to the Swap Provider in accordance with Section 4.08, an amount equal to the Swap Termination Payment calculated pursuant to the Swap Agreement, provided that in no event shall the amount distributed to the Swap Provider in respect of the Swap Termination Payment exceed the Estimated Swap Termination Payment, and (ii) to the Terminator, an amount equal to the excess, if any, of the Estimated Swap Termination Payment over the Swap Termination Payment. The Swap Termination Payment shall not be part of any REMIC and shall not be paid into any account which is part of any REMIC.

(c) Notice of any termination, specifying the Distribution Date (which shall be a date that would otherwise be a Distribution Date) upon which the Certificateholders may surrender their Certificates to the Trustee for payment of the final distribution and cancellation, shall be given promptly by the Trustee upon the Trustee receiving notice of such date from the Servicer or the NIMS Insurer, by letter to the Certificateholders, the Swap Provider and the NIMS Insurer mailed not earlier than the 15th day and not later than the 25th day of the month next preceding the month of such final distribution specifying (1) the Distribution Date upon which final distribution of the Certificates will be made upon presentation and surrender of such Certificates at the office or agency of the Trustee therein designated, (2) the amount of any such final distribution and (3) that the Record Date otherwise applicable to such Distribution Date is not applicable, distributions being made only upon presentation and surrender of the Certificates at the office or agency of the Trustee therein specified.

(d) Upon presentation and surrender of the Certificates, the Trustee shall cause to be distributed to the Holders of the Certificates on the Distribution Date for such final distribution, in proportion to the Percentage Interests of their respective Class and to the extent that funds are available for such purpose, an amount equal to the amount required to be distributed to such Holders in accordance with the provisions of Section 4.01 for such Distribution Date. By acceptance of the Residual Certificates, the Holders of the Residual Certificates agree, in connection with any termination hereunder, to assign and transfer any amounts in excess of the par value of the Mortgage Loans, and to the extent received in respect of such termination, to pay any such amounts to the Holders of the Class C Certificates.

(e) In the event that all Certificateholders shall not surrender their Certificates for final payment and cancellation on or before such final Distribution Date, the Trustee shall promptly following such date cause all funds in the Distribution Account not distributed in final distribution to Certificateholders to be withdrawn therefrom and credited to the remaining Certificateholders by depositing such funds in a separate Servicing Account for the benefit of such Certificateholders, and the Servicer (if the Servicer has exercised its right to purchase the Mortgage Loans), the NIMS Insurer (if the NIMS Insurer has exercised its right to purchase the Mortgage Loans) or the Trustee (in any other case) shall give a second written notice to the remaining Certificateholders, to surrender their Certificates for cancellation and receive the final distribution with respect thereto. If within nine months after the second notice all the Certificates shall not have been surrendered for cancellation, the Class R Certificateholder shall be entitled to all unclaimed funds and other assets which remain subject hereto, and the Trustee upon transfer of such funds shall be discharged of any responsibility for such funds, and the Certificateholders shall look to the Class R Certificateholder for payment.

SECTION 10.02. Additional Termination Requirements.

(a) In the event that the Servicer or the NIMS Insurer exercises its purchase option as provided in Section 10.01, each REMIC shall be terminated in accordance with the following additional requirements, unless the Trustee shall have been furnished with an Opinion of Counsel to the effect that the failure of the Trust to comply with the requirements of this Section will not (i) result in the imposition of taxes on "prohibited transactions" of the Trust as defined in Section 860F of the Code or (ii) cause any REMIC constituting part of the Trust Fund to fail to qualify as a REMIC at any time that any Certificates are outstanding:

(i) Within 90 days prior to the final Distribution Date, the Servicer or the NIMS Insurer shall adopt and the Trustee shall sign a plan of complete liquidation of each REMIC created hereunder meeting the requirements of a "Qualified Liquidation" under Section 860F of the Code and any regulations thereunder; and

(ii) At or after the time of adoption of such a plan of complete liquidation and at or prior to the final Distribution Date, the Trustee shall sell all of the assets of the Trust Fund to the Servicer or the NIMS Insurer, as applicable, for cash pursuant to the terms of the plan of complete liquidation.

(b) By their acceptance of Certificates, the Holders thereof hereby agree to appoint the Trustee as their attorney in fact to: (i) adopt such a plan of complete liquidation (and the Certificateholders hereby appoint the Trustee as their attorney in fact to sign such plan) as appropriate and (ii) to take such other action in connection therewith as may be reasonably required to carry out such plan of complete liquidation all in accordance with the terms hereof.

MISCELLANEOUS PROVISIONS

SECTION 11.01. Amendment.

This Agreement may be amended from time to time by the Depositor, the Servicer and the Trustee with the consent of the NIMS Insurer and without the consent of the Certificateholders (i) to cure any ambiguity, (ii) to correct or supplement any provisions herein which may be defective or inconsistent with any other provisions herein, (iii) to amend the provisions of Section 3.22(b) or (iv) to make any other provisions with respect to matters or questions arising under this Agreement which shall not be inconsistent with the provisions of this Agreement; provided that such action shall not, as evidenced by either (a) an Opinion of Counsel delivered to the Trustee or (b) written notice to the Depositor, the Servicer and the Trustee from the Rating Agencies that such action will not result in the reduction or withdrawal of the rating of any outstanding Class of Certificates with respect to which it is a Rating Agency, adversely affect in any material respect the interests of any Certificateholder. Neither an Opinion of Counsel nor confirmation from the Rating Agencies will be required in connection with an amendment to the provisions of Section 3.22(b). No amendment shall be deemed to adversely affect in any material respect the interests of any Certificateholder who shall have consented thereto, and no Opinion of Counsel or written notice from the Rating Agencies shall be required to address the effect of any such amendment on any such consenting Certificateholder.

This Agreement may also be amended from time to time by the Depositor, the Servicer and the Trustee with the consent of the NIMS Insurer and the Holders of Certificates entitled to at least 66% of the Voting Rights for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Swap Provider or Holders of Certificates; provided, however, that no such amendment shall (i) reduce in any manner the amount of, or delay the timing of, payments received on Mortgage Loans which are required to be distributed on any Certificate without the consent of the Holder of such Certificate, (ii) adversely affect in any material respect the interests of the Swap Provider or Holders of any Class of Certificates (as evidenced by either (a) an Opinion of Counsel delivered to the Trustee or (b) written notice to the Depositor, the Servicer and the Trustee from the Rating Agencies that such action will not result in the reduction or withdrawal of the rating of any outstanding Class of Certificates with respect to which it is a Rating Agency) in a manner, other than as described in (i), or (iii) modify the consents required by the immediately preceding clauses (i) and (ii) without the consent of the Holders of all Certificates then outstanding. Notwithstanding any other provision of this Agreement, for purposes of the giving or withholding of consents pursuant to this Section 11.01, Certificates registered in the name of the Depositor or the Servicer or any Affiliate thereof shall be entitled to Voting Rights with respect to matters affecting such Certificates.

Notwithstanding any provision of this Agreement to the contrary, the Trustee shall not consent to any amendment to this Agreement unless it shall have first received an Opinion of Counsel, delivered by (and at the expense of) the Person seeking such Amendment and satisfactory to the NIMS Insurer, to the effect that such amendment will not result in the imposition of a tax on any REMIC created hereunder constituting part of the Trust Fund pursuant to the REMIC Provisions or cause any REMIC created hereunder constituting part of the Trust to fail to qualify as a REMIC at any time that any Certificates are outstanding and that the amendment is being made in accordance with the terms hereof.

Notwithstanding any of the other provisions of this Section 11.01, none of the parties to this Agreement shall enter into any amendment to this Agreement that could reasonably be expected to have a material adverse effect on the interests of the Swap Provider hereunder (excluding, for the avoidance of doubt, any amendment to this Agreement that is entered into solely for the purpose of appointing a successor servicer, trustee or other service provider) without the prior written consent of the Swap Provider, which consent shall not be unreasonably withheld, conditioned or delayed.

Promptly after the execution of any such amendment the Trustee shall furnish, at the expense of the Person that requested the amendment if such Person is the Servicer (but in no event at the expense of the Trustee), otherwise at the expense of the Trust, a copy of such amendment and the Opinion of Counsel referred to in the immediately preceding paragraph to the Servicer, the NIMS Insurer and each Rating Agency.

It shall not be necessary for the consent of Certificateholders under this Section 11.01 to approve the particular form of any proposed amendment; instead it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Certificateholders shall be subject to such reasonable regulations as the Trustee may prescribe.

The Trustee may, but shall not be obligated to, enter into any amendment pursuant to this Section 11.01 that affects its rights, duties and immunities under this Agreement or otherwise.

SECTION 11.02. Recordation of Agreement; Counterparts.

To the extent permitted by applicable law, this Agreement is subject to recordation in all appropriate public offices for real property records in all the counties or other comparable jurisdictions in which any or all of the properties subject to the Mortgages are situated, and in any other appropriate public recording office or elsewhere, such recordation to be effected by the Servicer at the expense of the Trust, but only upon direction of Certificateholders accompanied by an Opinion of Counsel to the effect that such recordation materially and beneficially affects the interests of the Certificateholders.

For the purpose of facilitating the recordation of this Agreement as herein provided and for other purposes, this Agreement may be executed simultaneously in any number of counterparts, each of which counterparts shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument.

SECTION 11.03. Limitation on Rights of Certificateholders.

The death or incapacity of any Certificateholder shall not (i) operate to terminate this Agreement or the Trust, (ii) entitle such Certificateholder's legal representatives or heirs to claim an accounting or to take any action or proceeding in any court for a partition or winding up of the Trust, or (iii) otherwise affect the rights, obligations and liabilities of the parties hereto or any of them.

Except as expressly provided for herein, no Certificateholder shall have any right to vote or in any manner otherwise control the operation and management of the Trust, or the obligations of the parties hereto, nor shall anything herein set forth or contained in the terms of the Certificates be construed so as to constitute the Certificateholders from time to time as partners or members of an association; nor shall any Certificateholder be under any liability to any third person by reason of any action taken by the parties to this Agreement pursuant to any provision hereof.

No Certificateholder shall have any right by virtue of any provision of this Agreement to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Agreement, unless such Holder previously shall have given to the Trustee a written notice of default and of the continuance thereof, as hereinbefore provided, and unless also the Holders of Certificates entitled to at least 25% of the Voting Rights shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 15 days after its receipt of such notice, request and offer of indemnity, shall have neglected or refused to institute any such action, suit or proceeding. It is understood and intended, and expressly covenanted by each Certificateholder with every other Certificateholder and the Trustee, that no one or more Holders of Certificates shall have any right in any manner whatever by virtue of any provision of this Agreement to affect, disturb or prejudice the rights of the Holders of any other of such Certificates, or to obtain or seek to obtain priority over or preference to any other such Holder, which priority or preference is not otherwise provided for herein, or to enforce any right under this Agreement, except in the manner herein provided and for the equal, ratable and common benefit of all Certificateholders. For the protection and enforcement of the provisions of this Section 11.03 each and every Certificateholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

SECTION 11.04. Governing Law; Jurisdiction.

This Agreement shall be construed in accordance with the laws of the State of New York, without regard to the conflicts of law provisions thereof, and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws. With respect to any claim arising out of this Agreement, each party irrevocably submits to the exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in The City of New York, and each party irrevocably waives any objection which it may have at any time to the laying of venue of any suit, action or proceeding arising out of or relating hereto brought in any such courts, irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in any inconvenient forum and further irrevocably waives the right to object, with respect to such claim, suit, action or proceeding brought in any such court, that such court does not have jurisdiction over such party, provided that service of process has been made by any lawful means.

OPTION ONE MORTGAGE LOAN TRUST 2007-6
Asset-Backed Certificates,
Series 2007-6

This Certificate is one of a duly authorized issue of Certificates designated as Option One Mortgage Loan Trust 2007-6, Asset-Backed Certificates, Series 2007-6 (herein collectively called the "Certificates"), and representing a beneficial ownership interest in the Trust created by the Agreement.

The Certificateholder, by its acceptance of this Certificate, agrees that it will look solely to the funds on deposit in the Distribution Account for payment hereunder and that the Trustee is not liable to the Certificateholders for any amount payable under this Certificate or the Agreement or, except as expressly provided in the Agreement, subject to any liability under the Agreement.

This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for the interests, rights and limitations of rights, benefits, obligations and duties evidenced thereby, and the rights, duties and immunities of the Trustee.

Pursuant to the terms of the Agreement, a distribution will be made on the 25th day of each month or, if such 25th day is not a Business Day then the first Business Day following such Distribution Date (the "Distribution Date"), commencing on the first Distribution Date specified on the face hereof, to the Person in whose name this Certificate is registered at the close of business on the applicable Record Date in an amount equal to the product of the Percentage Interest evidenced by this Certificate and the amount required to be distributed to Holders of Certificates of the Class to which this Certificate belongs on such Distribution Date pursuant to the Agreement.

Distributions on this Certificate shall be made by check or money order mailed to the address of the person entitled thereto as it appears on the Certificate Register or by wire transfer or otherwise, as set forth in the Agreement. The final distribution on each Certificate will be made in like manner, but only upon presentment and surrender of such Certificate at the office or agency of the Trustee specified in the notice to Certificateholders of such final distribution.

The Agreement permits, with certain exceptions therein provided, the amendment thereof and the modification of the rights and obligations of the Trustee and the rights of the Certificateholders under the Agreement at any time by the Depositor, the Servicer and the Trustee with the consent of the NIMs Insurer, if any and of Holders of the requisite percentage of the Percentage Interests of each Class of Certificates affected by such amendment, as specified in the Agreement. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future Holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange therefor or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Holders of any of the Certificates, but with the consent of the NIMs Insurer, if any.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register of the Trustee upon surrender of this Certificate for registration of transfer at the office or agency maintained by the Trustee accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the holder hereof or such holder's attorney duly authorized in writing, and thereupon one or more new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Servicer, the Depositor, the Trustee, the NIMs Insurer, if any, the Certificate Registrar, any Paying Agent and any agent of the Servicer, the Depositor, the Trustee, the NIMs Insurer, if any, the Certificate Registrar, any Paying Agent or the Trustee may treat the Person, including a Depository, in whose name any Certificate is registered as the owner hereof for all purposes, and none of the Servicer, the Trust, the Trustee nor any agent of any of them shall be affected by notice to the contrary.

On any Distribution Date following the Distribution Date on which the remaining aggregate Principal Balance of the Mortgage Loans is less than 10% of the aggregate Principal Balance of the Mortgage Loans as of the Cut-off Date, the Servicer may purchase, in whole, from the Trust the Mortgage Loans at a purchase price determined as provided in the Agreement. In the event that no such optional termination occurs, the obligations and responsibilities created by the Agreement will terminate upon notice to the Trustee upon the earliest of (i) the Distribution Date on which the Certificate Principal Balances of the Regular Certificates have been reduced to zero, (ii) the final payment or other liquidation of the last Mortgage Loan in the Trust, (iii) the Distribution Date in July 2037.

Capitalized terms used herein that are defined in the Agreement shall have the meanings ascribed to them in the Agreement, and nothing herein shall be deemed inconsistent with that meaning.

Asset-Backed Certificates,
Series 2007-6

This Certificate is one of a duly authorized issue of Certificates designated as Option One Mortgage Loan Trust 2007-6, Asset-Backed Certificates, Series 2007-6 (herein collectively called the "Certificates"), and representing a beneficial ownership interest in the Trust created by the Agreement.

The Certificateholder, by its acceptance of this Certificate, agrees that it will look solely to the funds on deposit in the Distribution Account for payment hereunder and that the Trustee is not liable to the Certificateholders for any amount payable under this Certificate or the Agreement or, except as expressly provided in the Agreement, subject to any liability under the Agreement.

This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for the interests, rights and limitations of rights, benefits, obligations and duties evidenced thereby, and the rights, duties and immunities of the Trustee.

Pursuant to the terms of the Agreement, a distribution will be made on the 25th day of each month or, if such 25th day is not a Business Day then the first Business Day following such Distribution Date (the "Distribution Date"), commencing on the first Distribution Date specified on the face hereof, to the Person in whose name this Certificate is registered at the close of business on the applicable Record Date in an amount equal to the product of the Percentage Interest evidenced by this Certificate and the amount required to be distributed to Holders of Certificates of the Class to which this Certificate belongs on such Distribution Date pursuant to the Agreement.

Distributions on this Certificate shall be made by check or money order mailed to the address of the person entitled thereto as it appears on the Certificate Register or by wire transfer or otherwise, as set forth in the Agreement. The final distribution on each Certificate will be made in like manner, but only upon presentment and surrender of such Certificate at the office or agency of the Trustee specified in the notice to Certificateholders of such final distribution.

The Agreement permits, with certain exceptions therein provided, the amendment thereof and the modification of the rights and obligations of the Trustee and the rights of the Certificateholders under the Agreement at any time by the Depositor, the Servicer and the Trustee with the consent of the NIMs Insurer, if any and of Holders of the requisite percentage of the Percentage Interests of each Class of Certificates affected by such amendment, as specified in the Agreement. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future Holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange therefor or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Holders of any of the Certificates, but with the consent of the NIMs Insurer, if any.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register of the Trustee upon surrender of this Certificate for registration of transfer at the office or agency maintained by the Trustee accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the holder hereof or such holder's attorney duly authorized in writing, and thereupon one or more new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Servicer, the Depositor, the Trustee, the NIMs Insurer, if any, the Certificate Registrar, any Paying Agent and any agent of the Servicer, the Depositor, the Trustee, the NIMs Insurer, if any, the Certificate Registrar, any Paying Agent or the Trustee may treat the Person, including a Depository, in whose name any Certificate is registered as the owner hereof for all purposes, and none of the Servicer, the Trust, the Trustee nor any agent of any of them shall be affected by notice to the contrary.

On any Distribution Date following the Distribution Date on which the remaining aggregate Principal Balance of the Mortgage Loans is less than 10% of the aggregate Principal Balance of the Mortgage Loans as of the Cut-off Date, the Servicer may purchase, in whole, from the Trust the Mortgage Loans at a purchase price determined as provided in the Agreement. In the event that no such optional termination occurs, the obligations and responsibilities created by the Agreement will terminate upon notice to the Trustee upon the earliest of (i) the Distribution Date on which the Certificate Principal Balances of the Regular Certificates have been reduced to zero, (ii) the final payment or other liquidation of the last Mortgage Loan in the Trust, (iii) the Distribution Date in July 2037.

Capitalized terms used herein that are defined in the Agreement shall have the meanings ascribed to them in the Agreement, and nothing herein shall be deemed inconsistent with that meaning.

Distributions on this Certificate shall be made by check or money order mailed to the address of the person entitled thereto as it appears on the Certificate Register or by wire transfer or otherwise, as set forth in the Agreement. The final distribution on each Certificate will be made in like manner, but only upon presentment and surrender of such Certificate at the office or agency of the Trustee specified in the notice to Certificateholders of such final distribution.

The Agreement permits, with certain exceptions therein provided, the amendment thereof and the modification of the rights and obligations of the Trustee and the rights of the Certificateholders under the Agreement at any time by the Depositor, the Servicer and the Trustee with the consent of the NIMS Insurer, if any, and of Holders of the requisite percentage of the Percentage Interests of each Class of Certificates affected by such amendment, as specified in the Agreement. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future Holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange therefor or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Holders of any of the Certificates, but with the consent of the NIMS Insurer, if any.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register of the Trustee upon surrender of this Certificate for registration of transfer at the office or agency maintained by the Trustee accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the holder hereof or such holder's attorney duly authorized in writing, and thereupon one or more new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Servicer, the Depositor, the Trustee, the NIMS Insurer, if any, the Certificate Registrar, any Paying Agent and any agent of the Servicer, the Depositor, the Trustee, the NIMS Insurer, if any, the Certificate Registrar, any Paying Agent or the Trustee may treat the Person, including a Depository, in whose name any Certificate is registered as the owner hereof for all purposes, and none of the Servicer, the Trust, the Trustee nor any agent of any of them shall be affected by notice to the contrary.

On any Distribution Date following the Distribution Date on which the remaining aggregate Principal Balance of the Mortgage Loans is less than 10% of the aggregate Principal Balance of the Mortgage Loans as of the Cut-off Date, the Servicer may purchase, in whole, from the Trust the Mortgage Loans at a purchase price determined as provided in the Agreement. In the event that no such optional termination occurs, the obligations and responsibilities created by the Agreement will terminate upon notice to the Trustee upon the earliest of (i) the Distribution Date on which the Certificate Principal Balances of the Regular Certificates have been reduced to zero, (ii) the final payment or other liquidation of the last Mortgage Loan in the Trust, (iii) the Distribution Date in July 2037.

Capitalized terms used herein that are defined in the Agreement shall have the meanings ascribed to them in the Agreement, and nothing herein shall be deemed inconsistent with that meaning.

This Certificate is one of a duly authorized issue of Certificates designated as Option One Mortgage Loan Trust 2007-6, Asset-Backed Certificates, Series 2007-6 (herein collectively called the "Certificates"), and representing a beneficial ownership interest in the Trust created by the Agreement.

The Certificateholder, by its acceptance of this Certificate, agrees that it will look solely to the funds on deposit in the Distribution Account for payment hereunder and that the Trustee is not liable to the Certificateholders for any amount payable under this Certificate or the Agreement or, except as expressly provided in the Agreement, subject to any liability under the Agreement.

This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for the interests, rights and limitations of rights, benefits, obligations and duties evidenced thereby, and the rights, duties and immunities of the Trustee.

Pursuant to the terms of the Agreement, a distribution will be made on the 25th day of each month or, if such 25th day is not a Business Day then the first Business Day following such Distribution Date (the "Distribution Date"), commencing on the first Distribution Date specified on the face hereof, to the Person in whose name this Certificate is registered at the close of business on the applicable Record Date in an amount equal to the product of the Percentage Interest evidenced by this Certificate and the amount required to be distributed to Holders of Certificates of the Class to which this Certificate belongs on such Distribution Date pursuant to the Agreement.

Distributions on this Certificate shall be made by check or money order mailed to the address of the person entitled thereto as it appears on the Certificate Register or by wire transfer or otherwise, as set forth in the Agreement. The final distribution on each Certificate will be made in like manner, but only upon presentment and surrender of such Certificate at the office or agency of the Trustee specified in the notice to Certificateholders of such final distribution.

The Agreement permits, with certain exceptions therein provided, the amendment thereof and the modification of the rights and obligations of the Trustee and the rights of the Certificateholders under the Agreement at any time by the Depositor, the Servicer and the Trustee with the consent of the NIMs Insurer, if any and of Holders of the requisite percentage of the Percentage Interests of each Class of Certificates affected by such amendment, as specified in the Agreement. Any such consent by the Holder of this Certificate shall be conclusive and binding on such Holder and upon all future Holders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange therefor or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Holders of any of the Certificates, but with the consent of the NIMs Insurer, if any.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register of the Trustee upon surrender of this Certificate for registration of transfer at the office or agency maintained by the Trustee accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the holder hereof or such holder's attorney duly authorized in writing, and thereupon one or more new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for the interests, rights and limitations of rights, benefits, obligations and duties evidenced thereby, and the rights, duties and immunities of the Trustee.

The Certificates are issuable only as registered Certificates without coupons in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest, as requested by the Holder surrendering the same.

Distributions on this Certificate shall be made by check or money order mailed to the address of the person entitled thereto as it appears on the Certificate Register or by wire transfer or otherwise, as set forth in the Agreement. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Holders of any of the Certificates, but with the consent of the NIMs Insurer, if any.

As provided in the Agreement and subject to certain limitations therein set forth, the transfer of this Certificate is registrable in the Certificate Register of the Trustee upon surrender of this Certificate for registration of transfer at the office or agency maintained by the Trustee accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Certificate Registrar duly executed by the holder hereof or such holder's attorney duly authorized in writing, and thereupon one or more new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in denominations specified in the Agreement. As provided in the Agreement and subject to certain limitations therein set forth, Certificates are exchangeable for new Certificates of the same Class in authorized denominations and evidencing the same aggregate Percentage Interest, as requested by the Holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Section 2.01 Sale of Mortgage Loans. The applicable Seller, concurrently with the execution and delivery of this Agreement, does hereby sell, and in connection therewith hereby assigns to the Purchaser, effective as of the Closing Date, without recourse, (i) all of its right, title and interest in and to each Mortgage Loan identified on the related Schedule, including the related Cut-off Date Principal Balance, all interest accruing thereon on and after the Cut-off Date and all collections in respect of interest and principal due after the Cut-off Date; (ii) property which secured such Mortgage Loan and which has been acquired by foreclosure or deed in lieu of foreclosure; (iii) its interest in any insurance policies in respect of the Mortgage Loans and (iv) all proceeds of any of the foregoing. In addition to the sale of the Mortgage Loans, the Originator will direct the Trustee to enter into the Interest Rate Swap Agreement and Swap Administration Agreement on behalf of the Trust.

Section 2.02 Obligations of the Originator Upon Sale. In connection with any transfer pursuant to Section 2.01 hereof, the Originator further agrees, at its own expense on or prior to the Closing Date, (a) to cause its books and records and the books and records of each Seller Trust, to indicate that the Mortgage Loans have been sold to the Purchaser pursuant to this Agreement and (b) to deliver to the Purchaser and the Trustee a computer file containing a true and complete list of all such Mortgage Loans specifying for each such Mortgage Loan, as of the Cut-off Date (i) its account number and (ii) the Cut-off Date Principal Balance. Such files, which form a part of Exhibit D to the Pooling and Servicing Agreement, shall also be marked as [Schedules I-XIII] to this Agreement and are hereby incorporated into and made a part of this Agreement.

In connection with any conveyance by the Sellers, the Originator shall on behalf of the Purchaser deliver to, and deposit with the Trustee, as assignee of the Purchaser, on or before the Closing Date, the following documents or instruments with respect to each Mortgage Loan:

(i) the original Mortgage Note, endorsed either (A) in blank, in which case the Trustee shall cause the endorsement to be completed or (B) in the following form: "Pay to the order of Wells Fargo Bank, N.A., as Trustee, without recourse", or with respect to any lost Mortgage Note, an original Lost Note Affidavit stating that the original mortgage note was lost, misplaced or destroyed, together with a copy of the related mortgage note; provided, however, that such substitutions of Lost Note Affidavits for original Mortgage Notes may occur only with respect to Mortgage Loans, the aggregate Cut-off Date Principal Balance of which is less than or equal to 1.00% of the Pool Balance as of the Cut-off Date;

(ii) the original Mortgage with evidence of recording thereon, and the original recorded power of attorney, if the Mortgage was executed pursuant to a power of attorney, with evidence of recording thereon;

(iii) an original Assignment of Mortgage, in form and substance acceptable for recording. The Mortgage shall be assigned either (A) in blank or (B) to "Wells Fargo Bank, N.A., as Trustee, without recourse";

- (iv) an original of any intervening assignment of Mortgage showing a complete chain of assignments;
- (v) the original or a certified copy of lender's title insurance policy; and
- (vi) the original or copies of each assumption, modification, written assurance or substitution agreement, if any.

The Originator hereby confirms to the Purchaser and the Trustee that it has caused the appropriate entries to be made in its general accounting records to indicate that such Mortgage Loans have been transferred to the Trustee and constitute part of the Trust in accordance with the terms of the Pooling and Servicing Agreement.

If any of the documents referred to in Section 2.02(ii), (iii) or (iv) above has as of the Closing Date been submitted for recording but either (x) has not been returned from the applicable public recording office or (y) has been lost or such public recording office has retained the original of such document, the obligations of the Originator to deliver such documents shall be deemed to be satisfied upon (1) delivery to the Trustee or the Custodian no later than the Closing Date, of a copy of each such document certified by the Originator in the case of (x) above or the applicable public recording office in the case of (y) above to be a true and complete copy of the original that was submitted for recording and (2) if such copy is certified by the Originator, delivery to the Trustee or the Custodian, promptly upon receipt thereof of either the original or a copy of such document certified by the applicable public recording office to be a true and complete copy of the original. If the original lender's title insurance policy, or a certified copy thereof, was not delivered pursuant to Section 2.02(v) above, the Originator shall deliver or cause to be delivered to the Trustee or the Custodian, the original or a copy of a written commitment or interim binder or preliminary report of title issued by the title insurance or escrow company, with the original or a certified copy thereof to be delivered to the Trustee or the Custodian, promptly upon receipt thereof. The Originator shall deliver or cause to be delivered to the Trustee or the Custodian promptly upon receipt thereof any other documents constituting a part of a Mortgage File received with respect to any Mortgage Loan, including, but not limited to, any original documents evidencing an assumption or modification of any Mortgage Loan.

If the Originator does not cure such defect or deliver such missing document within such time period, the Obligor shall either repurchase or substitute for such Mortgage Loan pursuant to Section 2.03 of the Pooling and Servicing Agreement.

The Purchaser hereby acknowledges its acceptance of all right, title and interest to the Mortgage Loans and other property, now existing and hereafter created, conveyed to it pursuant to Section 2.01.

The parties hereto intend that the transaction set forth herein be a sale by the Sellers to the Purchaser of all the applicable Seller's right, title and interest in and to the related Mortgage Loans and other property described above. In the event the transaction set forth herein is deemed not to be a sale, each Seller hereby grants to the Purchaser a security interest in all of such Seller's right, title and interest in, to and under the related Mortgage Loans and other property described above, whether now existing or hereafter created, to secure all of such Seller's obligations hereunder; and this Agreement shall constitute a security agreement under applicable law.

The Originator shall cause the Assignments which were delivered in blank to be completed and shall cause all Assignments referred to in Section 2.02(iii) hereof and, to the extent necessary, in Section 2.02(iv) hereof to be recorded. The Originator shall be required to deliver such Assignments for recording within 90 days of the Closing Date. Notwithstanding the foregoing, however, for administrative convenience and facilitation of servicing and to reduce closing costs, the Assignments of Mortgage shall not be required to be submitted for recording with respect to any Mortgage Loan in any jurisdiction where the Rating Agencies do not require recordation in order to receive the ratings on the Certificates at the time of their initial issuance; provided, however, each Assignment shall be submitted for recording by the Originator in the manner described above, at no expense to the Trust Fund or Trustee, upon the earliest to occur of: (i) reasonable direction by Holders of Certificates entitled to at least 25% of the Voting Rights, or the NIMS Insurer, (ii) the occurrence of a Servicer Event of Termination, (iii) the occurrence of a bankruptcy, insolvency or foreclosure relating to the Servicer, (iv) the occurrence of a servicing transfer as described in Section 7.02 of the Pooling and Servicing Agreement, (v) if the Originator is not the Servicer and with respect to any one Assignment the occurrence of a bankruptcy, insolvency or foreclosure relating to the Mortgagor under the related Mortgage and (vi) any Mortgage Loan that is 90 days or more Delinquent and such recordation would be necessary to facilitate conversion of the Mortgaged Property as provided herein. Upon (a) receipt of written notice from the Trustee that recording of the Assignments is required pursuant to one or more of the conditions (excluding (v) and (vi) above) set forth in the preceding sentence or (b) upon the occurrence of condition (v) or (vi) in the preceding sentence, the Originator shall be required to deliver such Assignments for recording as provided above, promptly and in any event within 30 days following receipt of such notice. Notwithstanding the foregoing, if the Originator fails to pay the cost of recording the Assignments, such expense will be paid by the Trustee and the Trustee shall be reimbursed for such expenses by the Trust. The Originator shall furnish the Trustee, or its designated agent, with a copy of each Assignment submitted for recording. In the event that any such Assignment is lost or returned unrecorded because of a defect therein, the Originator shall promptly have a substitute Assignment prepared or have such defect cured, as the case may be, and thereafter cause each such Assignment to be duly recorded.

The Originator shall forward to the Purchaser original documents evidencing an assumption, modification, consolidation or extension of any Mortgage Loan entered into in accordance with the Pooling and Servicing Agreement within two weeks of their execution; provided, however, that the Originator shall provide the Purchaser with a certified true copy of any such document submitted for recordation within two weeks of its execution, and shall provide the original of any document submitted for recordation or a copy of such document certified by the appropriate public recording office to be a true and complete copy of the original within 365 days of its submission for recordation. In the event that the Originator cannot provide a copy of such document certified by the public recording office within such 365 day period, the Originator shall deliver to the Purchaser, within such 365 day period, an Officer's Certificate of the Servicer which shall (A) identify the recorded document, (B) state that the recorded document has not been delivered to the Purchaser due solely to a delay caused by the public recording office, (C) state the amount of time generally required by the applicable recording office to record and return a document submitted for recordation, if known, and (D) specify the date the applicable recorded document is expected to be delivered to the Purchaser, and, upon receipt of a copy of such document certified by the public recording office, the Originator shall immediately deliver such document to the Purchaser. In the event the appropriate public recording office will not certify as to the accuracy of such document, the Originator shall deliver a copy of such document certified by an officer of the Originator to be a true and complete copy of the original to the Purchaser.

ARTICLE III.

REPRESENTATIONS AND WARRANTIES; REMEDIES FOR BREACH

Section 3.01 Representations and Warranties Relating to the Mortgage Loans.

(a) The Originator and the Obligor jointly and severally hereby represent and warrant to the Purchaser with respect to the Mortgage Loans that as of the Closing Date or as of such date specifically provided herein:

(1) The applicable Seller has good title to and is the sole owner and holder of the related Mortgage Loans;

(2) Immediately prior to the transfer and assignment to the Purchaser, the Mortgage Notes and the Mortgage Loans were not subject to an assignment or pledge, and the applicable Seller has full right and authority to sell and assign the related Mortgage Loans;

(3) The applicable Seller is transferring the related Mortgage Loan to the Purchaser free and clear of any and all liens, pledges, charges or security interests of any nature encumbering the Mortgage Loans;

(4) The information set forth on each Schedule is true and correct in all material respects as of the Cut-off Date or such other date as may be indicated in such schedule;

(5) The Mortgage Loan has been acquired, serviced, collected and otherwise dealt with by the Originator and any affiliate of the Originator in compliance with all applicable federal, state and local laws and regulations and the terms of the related Mortgage Note and Mortgage;

(6) The related Mortgage Note and Mortgage are genuine and each is the legal, valid and binding obligation of the maker thereof, enforceable in accordance with its terms except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors' rights generally and by general equity principles (regardless of whether such enforcement is considered in a proceeding in equity or at law);

(7) The related Mortgage is a valid and enforceable first or second lien on the related Mortgaged Property, which Mortgaged Property is free and clear of all encumbrances and liens (including mechanics liens) having priority over the first or second lien of the Mortgage except for: (i) liens for real estate taxes and assessments not yet due and payable; (ii) covenants, conditions and restrictions, rights of way, easements and other matters of public record as of the date of recording of such Mortgage, such exceptions appearing of record being acceptable to mortgage lending institutions generally or specifically reflected or considered in the lender's title insurance policy delivered to the originator of the Mortgage Loan and referred to in the appraisal made in connection with the origination of the related Mortgage Loan, (iii) other matters to which like properties are commonly subject which do not materially interfere with the benefits of the security intended to be provided by such Mortgage and (iv) the first lien on the Mortgaged Property, in the case of the Mortgages that are second liens;

(8) Any security agreement, chattel mortgage or equivalent document related to such Mortgage Loan establishes and creates a valid and enforceable first or second lien on the Mortgaged Property;

(9) As of the last calendar day of April 2007, none of the Mortgage Loans are Delinquent.

(10) None of the Originator, the Obligor or any Seller Trust has advanced funds, or induced, solicited or knowingly received any advance of funds by a party other than the Mortgagor, directly or indirectly, for the payment of any amount required under the Mortgage Loan;

(11) None of the Originator, the Obligor or any Seller Trust has impaired, waived, altered or modified the related Mortgage or Mortgage Note in any material respect, or satisfied, canceled, rescinded or subordinated such Mortgage or Mortgage Note in whole or in part or released all or any material portion of the Mortgaged Property from the lien of the Mortgage, or executed any instrument of release, cancellation, rescission or satisfaction of the Mortgage Note or Mortgage;

(12) As of the Cut-off Date, the Mortgage has not been satisfied, canceled or subordinated, in whole or in part, or rescinded, and the Mortgaged Property has not been released from the lien of the Mortgage, in whole or in part (except for a release that does not materially impair the security of the Mortgage Loan or a release the effect of which is reflected in the Loan-to-Value Ratio or combined Loan-to-Value Ratio for the Mortgage Loan as set forth in the Schedule of Mortgage Loans), nor has any instrument been executed that would effect any such release, cancellation, subordination or rescission;

(13) No Mortgage Loan is subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury, nor will the operation of any of the terms of any Mortgage Note or Mortgage, or the exercise of any right thereunder, render either the Mortgage Note or Mortgage unenforceable in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury, and no such right of rescission, set-off, counterclaim or defense has been asserted with respect thereto;

(14) To the Originator's knowledge, there is no proceeding pending for the total or partial condemnation and no eminent domain proceedings pending affecting any Mortgaged Property;

(15) Each Mortgage Loan is covered by either (i) a mortgage title insurance policy or other generally acceptable form of insurance policy customary in the jurisdiction where the Mortgaged Property is located together with an adjustable rate rider if applicable or (ii) if generally acceptable in the jurisdiction where the Mortgaged Property is located, an attorney's opinion of title given by an attorney licensed to practice law in the jurisdiction where the Mortgaged Property is located. All of the Originator's rights under such policies, opinions or other instruments shall be transferred and assigned to Purchaser upon sale and assignment of the Mortgage Loans hereunder. The title insurance policy has been issued by a title insurer licensed to do business in the jurisdiction where the Mortgaged Property is located, insuring the original lender, its successor and assigns, as to the first or second priority lien of the Mortgage in the original principal amount of the Mortgage Loan, subject to the exceptions contained in such policy. The Originator is the sole insured of such mortgagee title insurance policy, and such mortgagee title insurance policy is in full force and effect and will be in force and effect upon the consummation of the transactions contemplated by this Agreement. Neither the Originator nor any affiliate of the Originator has made, and the Originator has no knowledge of, any claims under such mortgagee title insurance policy. The Originator is not aware of any action by a prior holder and neither the Originator nor any affiliate of the Originator has done, by act or omission, anything which could impair the coverage or enforceability of such mortgagee title insurance policy or the accuracy of such attorney's opinion of title;

(16) There is no material default, breach, violation or event of acceleration existing under the related Mortgage or the related Mortgage Note and no event which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, other than a payment delinquency that is for a payment due after the date specified in (9) above. None of the Originator, the Obligor, any Seller Trust or any affiliate of the Originator or any Seller Trust has waived any default, breach, violation or event of acceleration;

(17) With respect to any Mortgage Loan which provides for an adjustable interest rate, all rate adjustments have been performed in accordance with the terms of the related Mortgage Note or subsequent modifications, if any;

(18) To the Originator's knowledge, there are no delinquent taxes, ground rents, water charges, sewer rents, assessments, insurance premiums, leasehold payments, including assessments payable in future installments or other outstanding charges, affecting the related Mortgaged Property;

(19) As of the Cut-off Date, no foreclosure proceedings are pending against the Mortgaged Property and the Mortgage Loan is not subject to any pending bankruptcy or insolvency proceeding, and to the Originator's best knowledge, no material litigation or lawsuit relating to the Mortgage Loan is pending;

(20) The Mortgaged Property for each Mortgage Loan is insured under a hazard insurance policy ("Hazard Insurance") in an amount at least equal to the lesser of (i) the maximum insurable value of such improvements or (ii) the principal balance of the Mortgage Loan with a standard mortgagee clause, in either case in an amount sufficient to avoid the application of any "co-insurance provisions," and, if it was in place at origination of the Mortgage Loan, flood insurance, at the mortgagor's cost and expense. If the Mortgaged Property is in an area identified in the Federal Register by the Federal Emergency Management Agency ("FEMA") as having special flood hazards, a flood insurance policy is in effect which met the requirements of FEMA at the time such policy was issued. The Mortgage obligates the Mortgagor to maintain the Hazard Insurance, and, if applicable, flood insurance policy at the Mortgagor's cost and expense, and on the Mortgagor's failure to do so, authorizes the holder of the Mortgage to obtain and maintain such insurance at the Mortgagor's cost and expense, and to seek reimbursement therefor from the Mortgagor;

(21) The Mortgage Note is not and has not been secured by any collateral except the lien of the corresponding Mortgage and the security interest of any applicable security agreement or chattel mortgage;

(22) The Mortgage contains an enforceable provision for the acceleration of the payment of the unpaid principal balance of the Mortgage Loan in the event that the Mortgaged Property is sold or transferred without the prior written consent of the Mortgagee thereunder. The Mortgage contains customary and enforceable provisions such as to render the rights and remedies of the holder thereof adequate for the realization against the Mortgaged Property of the benefits of the security provided thereby, including (i) in the case of a Mortgage designated as a deed of trust, by trustee's sale and (ii) otherwise by judicial foreclosure. Since the date of origination of the Mortgage Loan, the Mortgaged Property has not been subject to any bankruptcy proceeding or foreclosure proceeding and the Mortgagor has not filed for protection under applicable bankruptcy laws. There is no homestead or other exemption available to the Mortgagor that would interfere with the right to sell the Mortgaged Property at a trustee's sale or the right to foreclose the Mortgage. In the event the Mortgage constitutes a deed of trust, a trustee, duly qualified under applicable law to serve as such, as been properly designated and currently so serves and is named in the Mortgage, and no fees or expenses are or will become payable by Purchaser to the trustee under the deed of trust, except in connection with a trustee's sale after default by the related Mortgagor. The Mortgagor has not notified the Originator or any affiliate of the Originator and the Originator has no knowledge of any relief requested or allowed to the Mortgagor under the Servicemembers Civil Relief Act;

(23) Except as set forth in the appraisal which forms part of the related Mortgage File, the Mortgaged Property, normal wear and tear excepted, is undamaged by waste, fire, earthquake or earth movement, windstorm, flood, tornado or other casualty so as to affect materially and adversely the value of the Mortgaged Property as security for the Mortgage Loan or the use for which the premises were intended;

(24) To the Originator's knowledge, there was no fraud involved in the origination of the Mortgage Loan by the mortgagee or by the Mortgagor, any appraiser or any other party involved in the origination of the Mortgage Loan;

(25) Each Mortgage File contains an appraisal of the Mortgaged Property indicating the appraised value at the time of origination for such Mortgaged Property. Each appraisal has been performed in accordance with the provisions of the Financial Institutions Reform, Recovery and Enforcement Act of 1989;

(26) To the best of the Originator's knowledge, all parties which have had any interest in the Mortgage Loan, whether as mortgagee, assignee, pledgee or otherwise, are (or, during the period in which they held and disposed of such interest, were) in compliance with any and all applicable "doing business" and licensing requirements of the laws of the state wherein the Mortgaged Property is located;

(27) No improvements on the related Mortgaged Property (upon which value was given) encroach on adjoining properties (and in the case of a condominium unit, such improvements are within the project with respect to that unit), and no improvements on adjoining properties encroach upon the Mortgaged Property unless there exists in the Mortgage File a title Policy with endorsements which insure against losses sustained by the insured as a result of such encroachments;

(28) Each Mortgage Loan was originated or acquired by a savings and loan association, a savings bank, a commercial bank or similar banking institution which is supervised and examined by a federal or state authority, or by a mortgagee approved by the Secretary of HUD. Each Mortgage Loan was originated substantially in accordance with the Originator's underwriting criteria, which are at least as stringent as the underwriting criteria set forth in the Prospectus Supplement. Each Mortgage Loan is currently being serviced by the Originator and has been serviced by the Originator since the date of origination of such Mortgage Loan;

(29) (i) Except with respect to the interest only mortgage loans, principal payments on the Mortgage Loan commenced no more than two months after the proceeds of the Mortgage Loan were disbursed and (ii) each Mortgage Note is payable on the first day of each month;

(30) The Mortgage Loan bears interest at the Mortgage Rate and the Mortgage Note does not permit negative amortization. No Mortgage Loan bearing interest at an adjustable rate permits the Mortgagor to convert the Mortgage Loan to a fixed rate Mortgage Loan;

(31) With respect to escrow deposits, if any, all such payments are in the possession of, or under the control of, the Servicer and there exist no deficiencies in connection therewith for which customary arrangements for repayment thereof have not been made. No escrow deposits or escrow advances or other charges or payments due the Servicer have been capitalized under any Mortgage or the related Mortgage Note;

(32) No Mortgage Loan contains provisions pursuant to which scheduled payments are: (i) paid or partially paid with funds deposited in any separate account established by the Originator, the related Seller Trust, the Mortgagor, or anyone on behalf of the Mortgagor; or (ii) paid by any source other than the Mortgagor or contains any other similar provisions which may constitute a "buydown" provision. The Mortgage Loan is not a graduated payment mortgage loan and the Mortgage Loan does not have a shared appreciation or other contingent interest feature;

(33) As of the origination date of each Mortgage Loan, the related Mortgaged Property is lawfully permitted to be occupied under applicable law;

(34) Except as disclosed in the Prospectus Supplement, there are no proceedings or investigations pending, with respect to servicing, collection or notification practices and with respect to origination practices, violating any law in connection with any Mortgage Loan transferred to the Purchaser pursuant to this Agreement, including, without limitation, usury, truth in lending, real estate settlement procedures, consumer credit protection, equal credit opportunity or disclosure laws. The Mortgage Loan has been serviced in accordance with the terms of the Mortgage Note.

(35) No Mortgage Loan was made in connection with (a) the construction or rehabilitation of a Mortgaged Property or (b) facilitating the trade-in or exchange of a Mortgaged Property;

(36) The proceeds of the Mortgage Loan have been fully disbursed to or for the account of the Mortgagor and there is no obligation for the Mortgagee to advance additional funds thereunder, and any and all requirements as to completion of any on-site or off-site improvement and as to disbursements of any escrow funds therefor have been complied with. All costs, fees and expenses incurred in making or closing the Mortgage Loan and the recording of the Mortgage have been paid, and the Mortgagor is not entitled to any refund of any amounts paid or due to the Mortgagee pursuant to the Mortgage Note or Mortgage;

(37) There are no mechanics' or similar liens or claims that have been filed for work, labor or material (and no rights are outstanding that under law could give rise to such lien) affecting the related Mortgaged Property that are or may be liens prior to, or equal or coordinate with, the lien of the related Mortgage;

(38) As to each Mortgage Loan, interest is calculated on the Mortgage Note on the basis of twelve 30-day months and a 360 day year;

(39) The Mortgaged Property consists of one of the following: detached or semi-detached one- to four-family dwelling units, townhouses, individual condominium units and individual units in planned unit developments, or manufactured homes treated as real property under local law;

(40) The Mortgage Loans were not intentionally selected by the related Seller in a manner intended to adversely affect the Purchaser or the Trust;

(41) [Reserved];

(42) The Mortgage Loans have original terms to maturity ranging from 10 to 30 years;

(43) As of the Cut-off Date, each Mortgage Loan, including any Mortgage Loan seasoned more than 12 months as of the Cut-off Date, had a loan-to-value-ratio that was less than or equal to 100%;

(44) With respect to each Mortgage Loan, the Mortgage Note related thereto bears a fixed Mortgage Rate or an adjustable Mortgage Rate which will be adjusted on each Adjustment Date to equal the Index plus the Gross Margin, rounded to the nearest or next highest 0.125%, subject to the Periodic Rate Cap, the Maximum Mortgage Rate and the Minimum Mortgage Rate;

(45) No Mortgage Loan underlying the security is covered by the Home Ownership and Equity Protection Act of 1994 ("HOEPA") and no mortgage loan is in violation of any comparable state law;

(46) Each Mortgage Loan conforms, and all Mortgage Loans in the aggregate conform, in all material respects, to the description thereof set forth in the Prospectus Supplement;

(47) With respect to second lien Mortgage Loans, either (a) no consent for the Mortgage Loan is required by the holder of the related first lien or (b) such consent has been obtained and is contained in the Mortgage File;

(48) Each Mortgage Note is comprised of one original promissory note and each such promissory note constitutes an "instrument" for purposes of section 9-102(a)(65) of the UCC;

(49) No Mortgage Loan originated on or after October 1, 2002 through March 6, 2003 is governed by the Georgia Fair Lending Act;

(50) Each Mortgage Loan was originated in compliance with all applicable local, state and federal laws, including, but not limited to, all applicable anti-predatory and anti-abusive lending laws;

(51) None of the Mortgage Loans are High Cost as defined by the applicable predatory and abusive lending laws;

(52) No Mortgage Loan is a high cost loan or a covered loan, as applicable (as such terms are defined in the then current Standard & Poor's LEVELS Glossary which is now Version 5.7, Appendix E);

(53) Each Mortgage Loan is a "qualified mortgage" under Section 860G(a)(3); and

(54) No mortgage loan in the trust is a "high cost home," "covered" (excluding home loans defined as "covered home loans" in the New Jersey Home Ownership Security Act of 2002 that were originated between November 26, 2003 and July 7, 2004), "high risk home" or "predatory" loan under any other applicable state, federal or local law (or a similarly classified loan using different terminology under a law imposing heightened regulatory scrutiny or additional legal liability for residential mortgage loans having high interest rates, points and/or fees).

(55) The Mortgaged Property is either a fee simple estate or a long-term residential lease. If the Mortgage Loan is secured by a long-term residential lease, unless otherwise specifically disclosed in the Mortgage Loan Schedule, (A) the terms of such lease expressly permit the mortgaging of the leasehold estate, the assignment of the lease without the lessor's consent (or the lessor's consent has been obtained and such consent is the Mortgage File) and the acquisition by the holder of the Mortgage of the rights of the lessee upon foreclosure or assignment in lieu of foreclosure or provide the holder of the Mortgage with substantially similar protection; (B) the terms of such lease do not (x) allow the termination thereof upon the lessee's default without the holder of the Mortgage being entitled to receive written notice of, and opportunity to cure, such default or (y) prohibit the holder of the Mortgage from being insured under the hazard insurance policy relating to the Mortgaged Property; (C) the original term of such lease is not less than 15 years; (D) the term of such lease does not terminate earlier than ten years after the maturity date of the Mortgage Note; and (E) the Mortgaged Property is located in a jurisdiction in which the use of leasehold estates for residential properties is an accepted practice;

(56) [Reserved].

(57) Each mortgage loan and the prepayment penalty associated with the mortgage loan at the time it was made complied in all material respects with applicable local, state and federal laws, including, but not limited to, all applicable predatory and abusive lending laws.

(b) The Originator and Obligor hereby represents and warrants to the Purchaser, with respect to the Group I Mortgage Loans as of the Closing Date or as of such date specifically provided herein:

- (1) Each Group I Mortgage Loan had a Principal Balance at origination which conformed with Freddie Mac guidelines;
- (2) Each Group I Mortgage Loan in the trust at the time it was made complied in all material respects with applicable local, state, and federal laws, including, but not limited to, all applicable predatory, abusive and fair lending laws;
- (3) No refinance or purchase money mortgage loan in the trust that is secured by the borrower's principal residence has an APR or total points and fees that exceed the thresholds set by the Home Ownership and Equity Protection Act of 1994 ("HOEPA") and its implementing regulations, including 12 CFR § 226.32(a)(1)(i) and (ii). This requirement does not apply to home equity lines of credit (HELOCs) but does apply to other second mortgage loans;
- (4) There is no Group I Mortgage Loan in the trust that was originated on or after October 1, 2002 and before March 7, 2003, which is governed by the Georgia Fair Lending Act;
- (5) No Group I Mortgage Loan in the trust is a "high cost home," "covered" (excluding home loans defined as "covered home loans" in the New Jersey Home Ownership Security Act of 2002 that were originated between November 26, 2003 and July 7, 2004), "high risk home" or "predatory" loan under any other applicable state, federal or local law (or a similarly classified loan using different terminology under a law imposing heightened regulatory scrutiny or additional legal liability for residential mortgage loans having high interest rates, points and/or fees);
- (6) With respect to each Group I Mortgage Loan underlying the security, no borrower obtained a prepaid single-premium credit-life, credit disability, credit unemployment or credit property insurance policy in connection with the origination of the mortgage loan;
- (7) With respect to any Group I Mortgage Loan underlying the security that contains a provision permitting imposition of a penalty upon a prepayment prior to maturity: (a) the mortgage loan provides some benefit to the borrower (e.g., a rate or fee reduction) in exchange for accepting such prepayment penalty; (b) the mortgage loan's originator had a written policy of offering the borrower, or requiring third-party brokers to offer the borrower, the option of obtaining a mortgage loan that did not require payment of such a penalty; (c) the prepayment penalty was adequately disclosed to the borrower pursuant to applicable state and federal law; (d) no subprime loan originated on or after October 1, 2002 underlying the security will provide for prepayment penalties for a term in excess of three years and any loans originated prior to such date, and any non-subprime loans, will not provide for prepayment penalties for a term in excess of five years; unless the loan was modified to reduce the prepayment period to no more than three years (in the case of subprime loans) or five years (in the case of non-subprime loans) from the date of the note and the borrower was notified in writing of such reduction in prepayment period; and (e) such prepayment penalty shall not be imposed in any instance where the mortgage loan is accelerated or paid off in connection with the workout of a delinquent mortgage or due to the borrower's default, notwithstanding that the terms of the mortgage loan or state or federal law might permit the imposition of such penalty;
- (8) The servicer for each Group I Mortgage Loan underlying the security has fully furnished accurate and complete information (i.e., favorable and unfavorable) on its borrower credit files to Equifax, Experian, and Trans Union Credit Information Company (three of the credit repositories), on a monthly basis and in accordance with the Fair Credit Reporting Act and its implementing regulations;
- (9) The servicer for each Group I Mortgage Loan underlying the security will fully furnish accurate and complete information (i.e., favorable and unfavorable) on its borrower credit files to Equifax, Experian, and Trans Union Credit Information Company (three of the credit repositories), on a monthly basis and in accordance with the Fair Credit Reporting Act and its implementing regulations;
- (10) With respect to each Group I Mortgage Loan underlying the security, the borrower was not encouraged or required to select a mortgage loan product offered by the mortgage loan's originator which is a higher cost product designed for less creditworthy borrowers, taking into account such facts as, without limitation, the mortgage loan's requirements and the borrower's credit history, income, assets and liabilities. For a borrower who seeks financing through a mortgage loan originator's higher-priced subprime lending channel, the borrower should be directed towards or offered the mortgage loan originator's standard mortgage line if the borrower is able to qualify for one of the standard products;
- (11) The methodology used in underwriting the extension of credit for each Group I Mortgage Loan in the trust did not rely solely on the extent of the borrower's equity in the collateral as the principal determining factor in approving such extension of credit. The methodology employed objective criteria such as the borrower's income, assets and liabilities to the proposed mortgage payment and, based on such methodology, the mortgage loan's originator made a reasonable determination that at the time of origination the borrower had the ability to make timely payments on the mortgage loan;
- (12) No borrower under a Group I Mortgage Loan in the trust that is secured by the borrower's principal residence was charged points and fees in an amount greater than (a) \$1,000 or (b) 5% of the principal amount of such mortgage loan, whichever is greater. For purposes of this representation, "points and fees" (x) include origination, underwriting, broker and finder's fees and charges that the lender imposed as a condition of making the mortgage loan, whether they are paid to the lender or a third party; and (y) exclude bona fide discount points, fees paid for actual services rendered in connection with the origination of the mortgage (such as attorneys' fees, notaries fees and fees paid for property appraisals, credit reports, surveys, title examinations and extracts, flood and tax certifications, and home inspections); the cost of mortgage insurance or credit-risk price adjustments; the costs of title, hazard, and flood insurance policies; state and local transfer taxes or fees; escrow deposits for the future payment of taxes and insurance premiums; and other miscellaneous fees and charges, which miscellaneous fee and charges, in total, do not exceed 0.25 percent of the loan amount;
- (13) With respect to any Group I Mortgage Loan originated on or after August 1, 2004 and underlying the security, neither the related mortgage nor the related mortgage note requires the borrower to submit to arbitration to resolve any dispute arising out of or relating in any way to the mortgage loan transaction;
- (14) The Group I Mortgage Loans underlying the security are exclusively secured by single-family (1-4 unit) residential housing. None of the Group I Mortgage Loans are on multifamily, commercial, industrial, agricultural or undeveloped property, or on any property located anywhere except the continental United States, Alaska, Hawaii, Puerto Rico, the Virgin Islands or Guam.
- (15) No manufactured housing units underlie the security;
- (16) None of the Group I Mortgage Loans are a condominium unit that is part of a condominium development that operates as, or holds itself out to be, a condominium hotel ("condotel"). No such unit can back our security, regardless of whether the unit itself is being used as a condotel unit.
- (17) The original principal balance of each Group I Mortgage Loan underlying the security must be within Freddie Mac's dollar amount limits for conforming one-to-four-family mortgage loans;
- (18) No first lien Group I Mortgage Loan underlying the security has an original principal balance that exceeds the applicable Freddie Mac loan limit;
- (19) With respect to any subordinate lien Group I Mortgage Loan underlying the security, such lien is on a one- to four-family residence that is the principal residence of the borrower;
- (20) No subordinate lien Group I Mortgage Loan underlying the security has an original principal balance that exceeds one-half of the one-unit limitation for first lien mortgage loans, i.e., \$208,500 (in Alaska, Guam, Hawaii or Virgin Islands: \$312,750), without regard to the number of units;

(21) The original principal balance of the first lien Group I Mortgage Loan plus the original principal balance of any subordinate lien mortgage loans relating to the same mortgaged property does not exceed the applicable Freddie Mac loan limit for first lien mortgage loans for that property type; and

(22) No Group I Mortgage Loan underlying the security is "seasoned".

Section 3.02 Originator Representations and Warranties Relating to the Originator. The Originator represents, warrants and covenants to the Purchaser as of the Closing Date or as of such other date specifically provided herein or in the applicable Assignment and Conveyance:

(i) The Originator is duly organized, validly existing and in good standing as a corporation under the laws of the State of California and is and will remain in compliance with the laws of each state in which any Mortgaged Property is located to the extent necessary to ensure the enforceability of each Mortgage Loan in accordance with the terms of this Agreement;

(ii) The Originator has the full power and authority to execute, deliver and perform, and to enter into and consummate, all transactions contemplated by this Agreement. The Originator has duly authorized the execution, delivery and performance of this Agreement, has duly executed and delivered this Agreement and this Agreement, assuming due authorization, execution and delivery by the Purchaser and the related Seller, constitutes a legal, valid and binding obligation of the Originator, enforceable against it in accordance with its terms except as the enforceability thereof may be limited by bankruptcy, insolvency or reorganization. At the time of the sale of each Mortgage Loan by the Originator, the Originator had the full power and authority to hold each Mortgage Loan and to sell each Mortgage Loan;

(iii) The execution and delivery of this Agreement by the Originator and the performance of and compliance with the terms of this Agreement will not violate the Originator's articles of incorporation or by-laws or constitute a default under or result in a breach or acceleration of, any material contract, agreement or other instrument to which the Originator is a party or which may be applicable to the Originator or its assets;

(iv) The Originator is not in violation of, and the execution and delivery of this Agreement by the Originator and its performance and compliance with the terms of this Agreement will not constitute a violation with respect to, any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over the Originator or its assets, which violation might have consequences that would materially and adversely affect the condition (financial or otherwise) or the operation of the Originator or its assets or might have consequences that would materially and adversely affect the performance of its obligations and duties hereunder;

(v) The Originator is a HUD approved mortgagee pursuant to Section 203 and Section 211 of the National Housing Act. No event has occurred, including but not limited to a change in insurance coverage, which would make the Originator unable to comply with HUD eligibility requirements or which would require notification to HUD;

(vi) The Originator does not believe, nor does it have any reason or cause to believe, that it cannot perform each and every covenant contained in this Agreement;

(vii) There are no actions or proceedings against, or investigations known to it of, the Originator before any court, administrative or other tribunal (A) that might prohibit its entering into this Agreement, (B) seeking to prevent the sale of the Mortgage Loans or the consummation of the transactions contemplated by this Agreement or (C) that might prohibit or materially and adversely affect the performance by the Originator of its obligations under, or validity of enforceability of, this Agreement;

(viii) No consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Originator of, or compliance by the Originator with, this Agreement or the consummation of the transactions contemplated by this Agreement, except for such consents, approvals, authorizations or orders, if any, that have been obtained;

(ix) The consummation of the transactions contemplated by this Agreement are in the ordinary course of business of the Originator. The sale of the Mortgage Loans was in the ordinary course of business of the Originator and the assignment and conveyance of the Mortgage Notes and the Mortgages by the Originator are not subject to the bulk transfer or any similar statutory provisions;

(x) The information delivered by the Originator to the Purchaser with respect to the Originator's loan loss, foreclosure and delinquency experience on mortgage loans underwritten to similar standards as the Mortgage Loans and covering mortgaged properties similar to the Mortgaged Properties, is true and correct in all material respects as of the date of such report;

(xi) Except with respect to any statement regarding the intentions of the Purchaser, or any other statement contained herein the truth or falsity of which is dependant solely upon the actions of the Purchaser, this Agreement does not contain any untrue statement of material fact or omit to state a material fact necessary to make the statements contained herein not misleading. The written statements, reports and other documents prepared and furnished or to be prepared and furnished by the Originator pursuant to this Agreement or in connection with the transactions contemplated hereby taken in the aggregate do not contain any untrue statement of material fact or omit to state a material fact necessary to make the statements contained therein not misleading; and

(xii) The Originator has not transferred the Mortgage Loans with any intent to hinder, delay or defraud any of its creditors.

(i) The Obligor is duly organized, validly existing and in good standing as a corporation under the laws of the State of Delaware and is and will remain in compliance with the laws of each state in which any Mortgaged Property is located to the extent necessary to ensure the enforceability of each Mortgage Loan in accordance with the terms of this Agreement;

At the time of the sale of each Mortgage Loan by the Obligor, the Obligor had the full power and authority to hold each Mortgage Loan and to sell each Mortgage Loan;

(iii) The execution and delivery of this Agreement by the Obligor and the performance of and compliance with the terms of this Agreement will not violate the Obligor's articles of incorporation or by-laws or constitute a default under or result in a breach or acceleration of, any material contract, agreement or other instrument to which the Obligor is a party or which may be applicable to the Obligor or its assets;

(iv) The Obligor is not in violation of, and the execution and delivery of this Agreement by the Obligor and its performance and compliance with the terms of this Agreement will not constitute a violation with respect to, any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over the Obligor or its assets, which violation might have consequences that would materially and adversely affect the condition (financial or otherwise) or the operation of the Obligor or its assets or might have consequences that would materially and adversely affect the performance of

its obligations and duties hereunder;

(v) The Obligor does not believe, nor does it have any reason or cause to believe, that it cannot perform each and every covenant contained in this Agreement;

(vi) There are no actions or proceedings against, or investigations known to it of, the Obligor before any court, administrative or other tribunal (A) that might prohibit its entering into this Agreement, (B) seeking to prevent the sale of the Mortgage Loans or the consummation of the transactions contemplated by this Agreement or (C) that might prohibit or materially and adversely affect the performance by the Obligor of its obligations under, or validity of enforceability of, this Agreement;

(vii) No consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Obligor of, or compliance by the Obligor with, this Agreement or the consummation of the transactions contemplated by this Agreement, except for such consents, approvals, authorizations or orders, if any, that have been obtained; and

(viii) The consummation of the transactions contemplated by this Agreement are in the ordinary course of business of the Obligor. The sale of the Mortgage Loans was in the ordinary course of business of the Obligor and the assignment and conveyance of the Mortgage Notes and the Mortgages by the Obligor are not subject to the bulk transfer or any similar statutory provisions.

Section 3.04 Seller Trust Representations and Warranties. Each Seller Trust represents, warrants and covenants to the Purchaser as of the Closing Date or as of such other date specifically provided herein:

(a) The Seller Trust is duly organized, validly existing and in good standing as a business trust under the laws of the State of Delaware and is and will remain in compliance with the laws of each state in which any Mortgaged Property is located to the extent necessary to ensure the enforceability of each Mortgage Loan in accordance with the terms of this Agreement;

(c) The execution and delivery of this Agreement by the Seller Trust and the performance of and compliance with the terms of this Agreement will not violate the Seller Trust's certificate of trust or constitute a default under or result in a breach or acceleration of, any material contract, agreement or other instrument to which the Seller Trust is a party or which may be applicable to the Seller Trust or its assets;

(d) The Seller Trust is not in violation of, and the execution and delivery of this Agreement by the Seller Trust and its performance and compliance with the terms of this Agreement will not constitute a violation with respect to, any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency having jurisdiction over such Seller Trust or its assets, which violation might have consequences that would materially and adversely affect the condition (financial or otherwise) or the operation of the Seller Trust or its assets or might have consequences that would materially and adversely affect the performance of its obligations and duties hereunder;

(e) Immediately prior to the payment of the mortgage loan purchase price for each Mortgage Loan, the Seller Trust was the owner of the related Mortgage and the indebtedness evidenced by the related Mortgage Note and upon the payment of the mortgage loan purchase price by the Purchaser, in the event that the Seller Trust retains record title, the Seller Trust shall retain such record title to each Mortgage, each related Mortgage Note and the related Mortgage Files with respect thereto in trust for the Purchaser as the owner thereof;

(f) The Seller Trust has not transferred the Mortgage Loans to the Purchaser with any intent to hinder, delay or defraud any of its creditors;

(g) There are no actions or proceedings against, or investigations known to it of, the Seller Trust before any court, administrative or other tribunal (A) that might prohibit its entering into this Agreement, (B) seeking to prevent the sale of the Mortgage Loans or the consummation of the transactions contemplated by this Agreement or (C) that might prohibit or materially and adversely affect the performance by the Seller Trust of its obligations under, or validity or enforceability of, this Agreement;

(h) No consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Seller Trust of, or compliance by the Seller Trust with, this Agreement or the consummation of the transactions contemplated by this Agreement, except for such consents, approvals, authorizations or orders, if any, that have been obtained;

Section 3.05 Remedies For Breach of Representations And Warranties. It is understood and agreed that the representations and warranties set forth in Sections 3.01 and 3.02 shall survive the sale of the Mortgage Loans to the Purchaser and shall inure to the benefit of the Purchaser, notwithstanding any restrictive or qualified endorsement on any Mortgage Note or Assignment or the examination or lack of examination of any Mortgage File. With respect to the representations and warranties contained herein that are made to the knowledge or the best knowledge of the Originator or Obligor or as to which the Originator or Obligor has no knowledge, if it is discovered that the substance of any such representation and warranty is inaccurate and the inaccuracy materially and adversely affects the value of the related Mortgage Loan, or the interest therein of the Purchaser or the Purchaser's assignee, designee or transferee, then notwithstanding the Originator's or Obligor's lack of knowledge with respect to the substance of such representation and warranty being inaccurate at the time the representation and warranty was made, such inaccuracy shall be deemed a breach of the applicable representation and warranty and the Obligor shall take such action described in the following paragraphs of this Section 3.05 in respect of such Mortgage Loan. Upon discovery by either the Originator, the Servicer or the Purchaser of a breach of any of the foregoing representations and warranties that materially and adversely affects the value of the Mortgage Loans or the interest of the Purchaser (or which materially and adversely affects the interests of the Purchaser in the related Mortgage Loan in the case of a representation and warranty relating to a particular Mortgage Loan), the party discovering such breach shall give prompt written notice to the others. It is understood by the parties hereto that a breach of the representations and warranties made in Section 3.01(a) (45), (49), (50), (53), (54); Section 3.01(b) (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), (15), (16), (17), (18), (19), (20), (21) and (22) will be deemed to materially and adversely affect the value of the related Mortgage Loan or the interest of the Purchaser.

Within 120 days of the earlier of either discovery by or notice to the Originator of any breach of a representation or warranty made by the Originator or Obligor that materially and adversely affects the value of a Mortgage Loan or the Mortgage Loans or the interest therein of the Purchaser, the Originator and Obligor shall use their best efforts promptly to cure such breach in all material respects and, if such breach cannot be cured, the Obligor shall, at the Purchaser's option, repurchase such Mortgage Loan at the Purchase Price. In the event that a breach shall involve any representation or warranty set forth in Section 3.03 and such breach cannot be cured within 120 days of the earlier of either discovery by or notice to the Originator of such breach, all of the Mortgage Loans shall, at the Purchaser's option, be repurchased by the Obligor at the Purchase Price. The Obligor may, at the request of the Purchaser and assuming the Obligor has a Qualified Substitute Mortgage Loan, rather than repurchase a deficient Mortgage Loan as provided above, remove such Mortgage Loan and substitute in its place a Qualified Substitute Mortgage Loan or Loans. If the Obligor does not provide a Qualified Substitute Mortgage Loan or Loans, it shall repurchase the deficient Mortgage Loan. Any repurchase of a Mortgage Loan(s) pursuant to the foregoing provisions of this Section 3.05 shall occur on a date designated by the Purchaser and shall be accomplished by deposit in accordance with Section 2.03 of the Pooling and Servicing Agreement. Any repurchase or substitution required by this Section shall be made in a manner consistent with Section 2.03 of the Pooling and Servicing Agreement.

At the time of substitution or repurchase of any deficient Mortgage Loan, the Purchaser and the Originator shall arrange for the reassignment of the repurchased or substituted Mortgage Loan to the Originator and the delivery to the Originator of any documents held by the Trustee relating to the deficient or repurchased Mortgage Loan. In the event the Purchase Price is deposited in the Collection Account, the Originator shall, simultaneously with such deposit, give written notice to the Purchaser that such deposit has taken place. Upon such repurchase, the Mortgage Loan Schedule shall be amended to reflect the withdrawal of the repurchased Mortgage Loan from this Agreement.

As to any Deleted Mortgage Loan for which the Obligor substitutes a Qualified Substitute Mortgage Loan or Loans, the Obligor shall effect such substitution by delivering to the Purchaser or its designee for such Qualified Substitute Mortgage Loan or Loans the Mortgage Note, the Mortgage, the Assignment and such other documents and agreements as are required by the Pooling and Servicing Agreement, with the Mortgage Note endorsed as required therein. The Obligor shall deposit in the Collection Account the Monthly Payment due on such Qualified Substitute Mortgage Loan or Loans in the month following the date of such substitution. Monthly Payments due with respect to Qualified Substitute Mortgage Loans in the month of substitution will be retained by the Obligor. For the month of substitution, distributions to the Purchaser will include the Monthly Payment due on such Deleted Mortgage Loan in the month of substitution, and the Obligor shall thereafter be entitled to retain all amounts subsequently received by the Obligor in respect of such Deleted Mortgage Loan. Upon such substitution, the Qualified Substitute Mortgage Loans shall be subject to the terms of this Agreement in all respects, and the Obligor shall be deemed to have made with respect to such Qualified Substitute Mortgage Loan or Loans as of the date of substitution, the covenants, representations and warranties set forth in Sections 3.01, 3.02 and 3.03.

In the event that the Obligor does not meet any of its obligations as and when described under this Agreement, then the Originator shall perform such obligation within one Business Day of such Obligor's breach without any need for any notice or any other action by any other Person.

It is understood and agreed that the representations and warranties set forth in Section 3.01 shall survive delivery of the respective Mortgage Files to the Trustee on behalf of the Purchaser.

It is understood and agreed that the obligations of the Originator and Obligor set forth in Section 3.05 to cure, repurchase and substitute for a defective Mortgage Loan and to indemnify the Purchaser as provided in Section 5.01 constitute the sole remedies of the Purchaser respecting a missing or defective document or a breach of the representations and warranties contained in Section 3.01, 3.02, 3.03 or 3.04.

ARTICLE IV

ORIGINATOR'S COVENANTS

Section 4.01 Covenants of The Originator. The Originator hereby covenants that except for the transfer hereunder, neither the Originator nor any Seller will sell, pledge, assign or transfer to any other Person, or grant, create, incur, assume or suffer to exist any Lien on any Mortgage Loan, or any interest therein; the Originator will notify the Trustee, as assignee of the Purchaser, of the existence of any Lien on any Mortgage Loan immediately upon discovery thereof, and the Originator will defend the right, title and interest of the Trust, as assignee of the Purchaser, in, to and under the Mortgage Loans, against all claims of third parties claiming through or under the Originator or any Seller; provided, however, that nothing in this Section 4.01 shall prevent or be deemed to prohibit the Originator or any Seller from suffering to exist upon any of the Mortgage Loans any Liens for municipal or other local taxes and other governmental charges if such taxes or governmental charges shall not at the time be due and payable or if the Originator or any Seller shall currently be contesting the validity thereof in good faith by appropriate proceedings and shall have set aside on its books adequate reserves with respect thereto.

ARTICLE V.

INDEMNIFICATION WITH RESPECT TO THE MORTGAGE LOANS

Section 5.01 Indemnification.

(a) The Originator agrees to indemnify and hold harmless the Purchaser, each of its directors, each of its officers and each person or entity who controls the Purchaser or any such person, within the meaning of Section 15 of the Securities Act, against any and all losses, claims, damages or liabilities, joint and several, as incurred, to which the Purchaser, or any such person or entity may become subject, under the Securities Act or otherwise, and will reimburse the Purchaser, each such director and officer and each such controlling person for any legal or other expenses incurred by the Purchaser or such controlling person in connection with investigating or defending any such losses, claims, damages or liabilities, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Free Writing Prospectus or Prospectus Supplement or any amendment or supplement to the Free Writing Prospectus or Prospectus Supplement approved in writing by the Originator or the omission or the alleged omission to state therein a material fact necessary in order to make the statements in the Free Writing Prospectus or Prospectus Supplement or any amendment or supplement to the Free Writing Prospectus or Prospectus Supplement approved in writing by the Originator, in the light of the circumstances under which they were made, not misleading, but only to the extent that such untrue statement or alleged untrue statement or omission or alleged omission relates to the Originator Information contained in the Free Writing Prospectus or Prospectus Supplement, (ii) any untrue statement or alleged untrue statement of any material fact contained in the information on any computer tape furnished to the Purchaser or an affiliate thereof by or on behalf of the Originator containing information regarding the assets of the Trust or (iii) any untrue statement or alleged untrue statement of any material fact contained in any information provided by the Originator to the Purchaser or any affiliate thereof, or any material omission from the information purported to be provided hereby, and disseminated to KPMG LLP or prospective investors (directly or indirectly through available information systems) in connection with the issuance, marketing or offering of the Certificates. This indemnity agreement will be in addition to any liability which the Originator may otherwise have.

(b) The Purchaser agrees to indemnify and hold harmless each Seller Trust the Obligor and the Originator, each of their respective officers, directors and each person or entity who controls each Seller Trust, the Originator, the Obligor or any such person, against any and all losses, claims, damages or liabilities, joint and several, to which the related Seller Trust, Obligor, the Originator or any such person or entity may become subject, under the Securities Act or otherwise, and will reimburse the applicable Seller Trust and/or the Originator or Obligor for any legal or other expenses incurred by such Seller Trust, the Originator, the Obligor each officer and director and controlling person in connection with investigating or defending any such losses, claims, damages or liabilities insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Free Writing Prospectus or Prospectus Supplement or any amendment or supplement to the Free Writing Prospectus or Prospectus Supplement or the omission or the alleged omission to state therein a material fact necessary in order to make the statements in the Free Writing Prospectus or Prospectus Supplement or any amendment or

supplement to the Free Writing Prospectus or Prospectus Supplement, in the light of the circumstances under which they were made, not misleading, but only to the extent that such untrue statement or alleged untrue statement or omission is not contained in the Originator Information in the Free Writing Prospectus or Prospectus Supplement. This indemnity agreement will be in addition to any liability which the Purchaser may otherwise have.

(c) Promptly after receipt by any indemnified party under this Article V of notice of any claim or the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against any indemnifying party under this Article V, notify the indemnifying party in writing of the claim or the commencement of that action; provided, however, that the failure to notify an indemnifying party shall not relieve it from any liability which it may have under this Article V except to the extent it has been materially prejudiced by such failure and, provided further, that the failure to notify any indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under this Article V.

If any such claim or action shall be brought against an indemnified party, and it shall notify the indemnifying party thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it wishes, jointly with any other similarly notified indemnifying party, to assume the defense thereof with counsel reasonably satisfactory to the indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defense of such claim or action, the indemnifying party shall not be liable to the indemnified party under this Article V for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof other than reasonable costs of investigation.

Any indemnified party shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless: (i) the employment thereof has been specifically authorized by the indemnifying party in writing; (ii) such indemnified party shall have been advised in writing by such counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the indemnifying party and in the reasonable judgment of such counsel it is advisable for such indemnified party to employ separate counsel; or (iii) the indemnifying party has failed to assume the defense of such action and employ counsel reasonably satisfactory to the indemnified party, in which case, if such indemnified party notifies the indemnifying party in writing that it elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such action on behalf of such indemnified party, it being understood, however, the indemnifying party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to local counsel) at any time for all such indemnified parties, which firm shall be designated in writing by the Purchaser, if the indemnified parties under this Article V consist of the Purchaser, by the Originator, if the indemnified parties in this Article V consist of the Originator or by the related Seller Trust, if the indemnified parties in this Article V consist of such Seller Trust.

Each indemnified party, as a condition of the indemnity agreements contained in Section 5.01 (a) and (b) hereof, shall use its best efforts to cooperate with the indemnifying party in the defense of any such action or claim. No indemnifying party shall be liable for any settlement of any such action effected without its written consent (which consent shall not be unreasonably withheld), but if settled with its written consent or if there be a final judgment for the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to consent to a settlement of any action, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and the indemnifying party has not previously provided the indemnified party with written notice of its objection to such settlement. No indemnifying party shall effect any settlement of any pending or threatened proceeding in respect of which an indemnified party is or could have been a party and indemnity is or could have been sought hereunder, without the written consent of such indemnified party, unless settlement includes an unconditional release of such indemnified party from all liability and claims that are the subject matter of such proceeding.

(d) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in this Article is for any reason held to be unenforceable although applicable in accordance with its terms, each Seller Trust and the Originator, on the one hand, and the Purchaser, on the other, shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the related Seller Trust, the Originator and the Purchaser in such proportions as shall be appropriate to reflect the relative benefits received by each Seller Trust the Obligor and the Originator on the one hand and the Purchaser on the other from the sale of the Mortgage Loans such that the Purchaser is responsible for the lesser of (i) 0.25% thereof and (ii) 0.25% of the aggregate proceeds to the respective Seller Trust from the sale of the related Mortgage Loans and the Originator and/or the Obligor shall be responsible for the balance; provided, however, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each officer and director of the Purchaser and each person, if any, who controls the Purchaser within the meaning of Section 15 of the Securities Act shall have the same rights to contribution as the Purchaser, each director of the Originator, each officer of the Originator, and each person, if any, who controls the Originator within the meaning of Section 15 of the Securities Act shall have the same rights to contribution as the Originator and each director of the related Seller Trust, each officer of such Seller Trust, and each person, if any, who controls such Seller within the meaning of Section 15 of the Securities Act shall have the same rights to contribution as the related Seller.

(e) The Originator agrees to indemnify and to hold each of the Purchaser, the Trustee, each of the officers and directors of each such entity and each person or entity who controls each such entity or person and each Certificateholder harmless against any and all claims, losses, penalties, fines, forfeitures, legal fees and related costs, judgments, and any other costs, fees and expenses that the Purchaser, the Trustee, or any such person or entity and any Certificateholder may sustain in any way (i) related to the failure of the Originator to perform its duties in compliance with the terms of this Agreement, (ii) arising from a breach by the Originator of its representations and warranties in Section 3.01 and 3.02 of this Agreement or (iii) related to the origination or prior servicing of the Mortgage Loans by reason of any acts, omissions, or alleged acts or omissions of the Originator, the related Seller or any servicer. The Originator shall immediately notify the Purchaser, the Trustee and each Certificateholder if a claim is made by a third party with respect to this Agreement. The Originator shall assume the defense of any such claim and pay all expenses in connection therewith, including reasonable counsel fees, and promptly pay, discharge and satisfy any judgment or decree which may be entered against the Purchaser, the Trustee or any such person or entity and/or any Certificateholder in respect of such claim.

ARTICLE VI.

TERMINATION

Section 6.01 Termination. The respective obligations and responsibilities of the Originator, each Seller and the Purchaser created hereby shall terminate, except for the Originator's indemnity obligations as provided herein upon the termination of the Trust as provided in Article X of the Pooling and Servicing Agreement.

ARTICLE VII.

If any one or more of the covenants, agreements, provisions of terms of this Agreement shall be held invalid for any reason whatsoever, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Agreement and shall in no way affect the validity of enforceability of the other provisions of this Agreement.

Section 7.05 Counterparts. This Agreement may be executed in one or more counterparts and by the different parties hereto on separate counterparts, each of which, when so executed, shall be deemed to be an original and such counterparts, together, shall constitute one and the same agreement.

Section 7.06 Further Agreements. The Purchaser, each Seller and the Originator each agree to execute and deliver to the other such additional documents, instruments or agreements as may be necessary or reasonable and appropriate to effectuate the purposes of this Agreement or in connection with the issuance of any series of Certificates representing interests in the Mortgage Loans.

Without limiting the generality of the foregoing, as a further inducement for the Purchaser to purchase the Mortgage Loans from the Sellers, the Originator will cooperate with the Purchaser in connection with the sale of any of the securities representing interests in the Mortgage Loans. In that connection, the Originator will provide to the Purchaser any and all information and appropriate verification of information, whether through letters of its auditors and counsel or otherwise, as the Purchaser shall reasonably request and will provide to the Purchaser such additional representations and warranties, covenants, opinions of counsel, letters from auditors, and certificates of public officials or officers of the Originator as are reasonably required in connection with such transactions and the offering of investment grade securities rated by the Rating Agencies.

Section 7.07 Intention of The Parties. It is the intention of the parties that the Purchaser is purchasing, and each Seller is selling, the Mortgage Loans rather than pledging the Mortgage Loans to secure a loan by the Purchaser to each Seller. Accordingly, the parties hereto each intend to treat the transaction for federal income tax purposes and all other purposes as a sale by the related Seller, and a purchase by the Purchaser, of the Mortgage Loans. The Purchaser will have the right to review the Mortgage Loans and the related Mortgage Files to determine the characteristics of the Mortgage Loans which will affect the federal income tax consequences of owning the Mortgage Loans and the related Seller will cooperate with all reasonable requests made by the Purchaser in the course of such review.

Section 7.08 Successors And Assigns, Assignment of Purchase Agreement. This Agreement shall bind and inure to the benefit of and be enforceable by each Seller, the Originator, the Purchaser, the Trustee and the NIMs Insurer, if any. The NIMs Insurer, if any, shall be a third party beneficiary hereof and may enforce the terms hereof as if a party hereto. The obligations of each Seller and the Originator under this Agreement cannot be assigned or delegated to a third party without the consent of the Purchaser which consent shall be at the Purchaser's sole discretion, except that the Purchaser acknowledges and agrees that each Seller or the Originator may assign its obligations hereunder to any Person into which the related Seller or the Originator is merged or any corporation resulting from any merger, conversion or consolidation to which the related Seller or the Originator is a party or any Person succeeding to the business of the related Seller or the Originator. The parties hereto acknowledge that the Purchaser is acquiring the Mortgage Loans for the purpose of contributing them to a trust that will issue a series of Certificates representing undivided interests in such Mortgage Loans. As an inducement to the Purchaser to purchase the Mortgage Loans, the related Seller and the Originator each acknowledge and consent to the assignment by the Purchaser to the Trustee of all of the Purchaser's rights against each Seller and the Originator pursuant to this Agreement insofar as such rights relate to Mortgage Loans transferred to the Trustee and to the enforcement or exercise of any right or remedy against each Seller or the Originator pursuant to this Agreement by the Trustee. Such enforcement of a right or remedy by the Trustee shall have the same force and effect as if the right or remedy had been enforced or exercised by the Purchaser directly.

Section 7.09 Survival. The representations and warranties set forth in Sections 3.01, 3.02 and 3.03 and the provisions of Article V hereof shall survive the purchase of the Mortgage Loans hereunder.

Section 7.10 Owner Trustee. (c) nothing herein contained shall be construed as creating any liability on Wilmington Trust Company, individually or personally, to perform any covenant either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties to this Agreement and by any person claiming by, through or under the parties to this Agreement and (d) under no circumstances shall Wilmington Trust Company be personally liable for the payment of any indebtedness or expenses of any Seller Trust or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by any Seller Trust under this Agreement or any other document.

LOSS MITIGATION PROCEDURES

FAS 140 P & S Relevant Provisions - Recovery for Default Loans**Collections Department Pre-foreclosure Process:**

As a general rule, at 34 calendar days of delinquency, all borrowers are sent a 30-day pre-foreclosure demand letter. Borrowers in states that require more than a 30-day period are given the amount of time specified by state law. Servicer will follow customary and prudent servicing practices when issuing pre-foreclosure demand letters.

Borrowers who are unable to pay the total amount past due are reviewed for foreclosure based upon the following criteria:

“Early Indicator” default risk score. Those borrowers with risk scores that suggest a strong statistical likelihood of continuing default, are approved for foreclosure as soon as 48 hours after expiration of the demand letter (approximately 64 calendar days delinquent).

- A. Borrowers who demonstrate a willingness and ability to pay are solicited for extended repayment plans. For example, on a six month repayment plan, a portion of all past due payments is divided equally by 6 and a monthly payment schedule is established. The first payment would consist of a good faith payment of some portion of the past due amount, one regular monthly installment and 1/6th of the remaining past due amount, and each of the remaining 5 payments would be comprised of a regular monthly payment and 1/6 of the remaining past due amount referred to hereinabove.
- B. Broken repayment plans. Those borrowers who are placed on extended repayment plans but fail to make their scheduled payments are issued a new Notice of Intent to Foreclose or reviewed for foreclosure referral as soon as 48 hours after the payment plan is broken, as applicable.

All borrowers are given reasonable opportunities to pay the total amount past due (including all contractually permitted fees and charges) prior to the expiration of the 30 day demand letters. Borrowers who fail to contact Option One when past due, who repeatedly break promises to pay, who have a willingness but no financial ability, or apparent financial ability but no willingness, may be referred to foreclosure at any time after the expiration of the 30-day demand letter. As a general rule, a loan is referred to foreclosure no later than the 120th day of delinquency. The guidelines outlined herein presuppose at least some reasonable degree of willingness and ability to pay.

Borrowers who have willingness to pay and contact the Servicer for alternative workout options may avoid foreclosure referral by means of options including modification, extended re-payment plan, mortgage insurance claim advance, short payoff, deed in lieu of foreclosure or other agreed upon Loss Mitigation options that may be meritorious.

Pre-conveyance of Title:

Initial contact is made for discovery of mortgagor’s intent and a minimum requirement of two attempted contacts per month is required. In general, contact made or attempted within the first 48 hours establishes categories as follows: Willing and Able, Unwilling or Willing and Unable. Each category provides a subset of options for loss mitigation efforts and the options are ranked within each category as follows:

1. **Willing and Able**– Typically the mortgagor(s) reason for default is temporary and a foreseeable solution is probable. The standard options negotiated, ranked in priority are:
 - A. Full Reinstatement
 - B. Payoff
 - C. Standard payment plan
 - D. Extension of the payment plan
 - E. Forbearance
 - F. Mortgage Insurance Claim Advance
 - G. Modification
2. **Unwilling**– Typically the mortgagor(s) is unclear of options to mitigate default and avoids all calls or is brief and discloses little when contact is made. In this category efforts are made to continue attempts to contact and/or counsel mortgagor(s). When no contact is made, Skip Tracing, promotional items and/or letters are mailed in attempts to stimulate communication.
3. **Willing and Unable**– Mortgagor(s) want to save home or remedy the default, however do not have resources to do so. In this scenario, the standard options negotiated, ranked in priority are:
 - A. Payoff
 - B. Pre-Sale/Pre-Foreclosure Sale, Short Payoff
 - C. Deed In Lieu of Foreclosure
 - D. Write-Off
 - E. Negotiated Settlement
 - F. Modification

The foreclosure process runs parallel to the Loss Mitigation efforts and in the event no workout is achieved then the Servicer obtains title to the property through foreclosure sale, following which the REO Department will attempt to seek complete recovery from the sale of said property.

List of all Loss Mitigation Options used:

- Full Reinstatement
-

- Payoff
- Re-Payment Plan
- Extension Payment Plan
- Forbearance
- Short Payoff
- Modification
- Deed In Lieu of Foreclosure
- Write-off
- Negotiated Settlement
- Mortgage Insurance Claim Advance

Conveyance of Title:

Once title is acquired as a result of foreclosure sale, Deed In Lieu of Foreclosure or otherwise, the property is assigned to an REO Agent for complete and timely disposition. REO Broker/Agents are selected and retained using the following criteria:

- Experienced and Possess Error and Omissions Insurance
- Licensed to sell Real Property in the related region
- Adhere to Option One Mortgage Corporation's Standards

Review of the current values obtained on the subject property will determine the marketing strategy and the strategy will focus on disposing of the property in a timely and practical manner. An analysis worksheet is completed to establish the marketing strategy on the property.

 - (C) If more than one Firm Offer from an Approved Replacement (which, if accepted, would determine the Market Quotation) is provided at the bid time, Party B shall accept the Firm Offer (among such Firm Offers) which would require either (x) the lowest payment by Party B to the Reference Market-maker, to the extent Party B would be required to make a payment to the Reference Market-maker or (y) the highest payment from the Reference Market-maker to Party B, to the extent the Reference Market-maker would be required to make a payment to Party B. If only one Firm Offer from an Approved Replacement (which, if accepted, would determine the Market Quotation) is provided at the bid time, Party B shall accept such Firm Offer.

(1) In the event that a Moody's Second Trigger Ratings Event occurs and is continuing, Party A shall, as soon as reasonably practicable thereafter, at its own expense and using commercially reasonable efforts, either (i) procure a Permitted Transfer or (ii) obtain an Eligible Guarantee.

(e) **Compliance with Regulation AB.**

(i) Party A agrees and acknowledges that Option One Mortgage Acceptance Corporation ("Depositor") is required under Regulation AB under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended (the "Exchange Act") ("Regulation AB"), to disclose certain financial information regarding Party A or its group of affiliated entities, if applicable, depending on the aggregate "significance percentage" of this Agreement and any other derivative contracts between Party A or its group of affiliated entities, if applicable, and Party B, as calculated from time to time in accordance with Item 1115 of Regulation AB.

(ii) It shall be a swap disclosure event ("Swap Disclosure Event") if, on any Business Day after the date hereof for so long as the Issuing Entity is required to file periodic reports under the Exchange Act, Depositor requests from Party A the applicable financial information described in Item 1115 of Regulation AB (such request to be based on a reasonable determination by Depositor, in good faith, that such information is required under Regulation AB) (the "Swap Financial Disclosure").

(iii) Upon the occurrence of a Swap Disclosure Event, Party A, within ten (10) days and at its own expense, shall (1)(a) either (i) provide to Depositor the current Swap Financial Disclosure in an EDGAR-compatible format (for example, such information may be provided in Microsoft Word® or Microsoft Excel® format but not in .pdf format) or (ii) provide written consent to Depositor to incorporation by reference of such current Swap Financial Disclosure that are filed with the Securities and Exchange Commission in the Exchange Act Reports of Depositor, (b) if applicable, cause its outside accounting firm to provide its consent to filing or incorporation by reference in the Exchange Act Reports of Depositor of such accounting firm's report relating to their audits of such current Swap Financial Disclosure, and (c) provide to Depositor any updated Swap Financial Disclosure with respect to Party A or any entity that consolidates Party A within five days of the release of any such updated Swap Financial Disclosure; (2) secure another entity to replace Party A, by way of Permitted Transfer, as party to this Agreement on terms substantially similar to this Agreement and subject to prior notification to the Swap Rating Agencies, which entity (or a guarantor therefor) satisfies the Rating Agency Condition with respect to S&P and which entity is able to comply with the requirements of Item 1115 of Regulation AB or (3) subject to the Rating Agency Condition with respect to S&P and obtain a guaranty of the Party A's obligations under this Agreement from an affiliate of the Party A that is able to comply with the financial information disclosure requirements of Item 1115 of Regulation AB, such that disclosure provided in respect of the affiliate will satisfy any disclosure requirements applicable to the Swap Provider, and cause such affiliate to provide Swap Financial Disclosure. If permitted by Regulation AB, any required Swap Financial Disclosure may be provided by incorporation by reference from reports filed pursuant to the Exchange Act.

(iv) Party A agrees that, in the event that Party A provides Swap Financial Disclosure to Depositor in accordance with Part 5(e)(iii)(a) or causes its affiliate to provide Swap Financial Disclosure to Depositor in accordance with Part 5(e)(iii)(c), it will indemnify and hold harmless Depositor, its respective directors or officers and any person controlling Depositor, from and against any and all losses, claims, damages and liabilities caused by any untrue statement or alleged untrue statement of a material fact contained in such Swap Financial Disclosure or caused by any omission or alleged omission to state in such Swap Financial Disclosure a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(v) Depositor shall be an express third party beneficiary of this Agreement as if a party hereto to the extent of Depositor's rights explicitly specified in this Part 5(e).

(f) **Transfers.**

(i) Section 7 is hereby amended to read in its entirety as follows:

"Except with respect to a Permitted Transfer pursuant to Section 6(b)(ii), Part 5(d), Part 5(b)(v) or the succeeding sentence, neither Party A nor Party B is permitted to assign, novate or transfer (whether by way of security or otherwise) as a whole or in part any of its rights, obligations or interests under the Agreement or any Transaction unless (a) the prior written consent of the other party is obtained and (b) the Rating Agency Condition has been satisfied with respect to S&P. At any time at which no Relevant Entity has credit ratings at least equal to the Approved Ratings Threshold, Party A may make a Permitted Transfer."

(ii) If an Eligible Replacement has made a Firm Offer (which remains an offer that will become legally binding upon acceptance by Party B) to be the transferee pursuant to a Permitted Transfer, Party B shall, at Party A's written request and at Party A's expense, execute such documentation provided to it as is reasonably deemed necessary by Party A to effect such transfer.

(g) **Non-Recourse.** Party A acknowledges and agree that, notwithstanding any provision in this Agreement to the contrary, the obligations of Party B hereunder are limited recourse obligations of Party B, payable solely from the Supplemental Interest Trust and the proceeds thereof, in accordance with the priority of payments and other terms of the Pooling and Servicing Agreement and that Party A will not have any recourse to any of the directors, officers, agents,

employees, shareholders or affiliates of Party B with respect to any claims, losses, damages, liabilities, indemnities or other obligations in connection with any transactions contemplated hereby. In the event that the Supplemental Interest Trust and the proceeds thereof, should be insufficient to satisfy all claims outstanding and following the realization of the Supplemental Interest Trust and the proceeds thereof, any claims against or obligations of Party B under this Agreement or any other confirmation thereunder still outstanding shall be extinguished and thereafter not revive. The Supplemental Interest Trust Trustee shall not have liability for any failure or delay in making a payment hereunder to Party A due to any failure or delay in receiving amounts in the Supplemental Interest Trust from the Trust created pursuant to the Pooling and Servicing Agreement. This provision will survive the termination of this Agreement.

- (h) **Timing of Payments by Party B upon Early Termination.** Notwithstanding anything to the contrary in Section 6(d)(ii), to the extent that all or a portion (in either case, the "Unfunded Amount") of any amount that is calculated as being due in respect of any Early Termination Date under Section 6(e) from Party B to Party A will be paid by Party B from amounts other than any upfront payment paid to Party B by an Eligible Replacement that has entered a Replacement Transaction with Party B, then such Unfunded Amount shall be due on the next subsequent Distribution Date following the date on which the payment would have been payable as determined in accordance with Section 6(d)(ii), and on any subsequent Distribution Dates until paid in full (or if such Early Termination Date is the final Distribution Date, on such final Distribution Date); provided, however, that if the date on which the payment would have been payable as determined in accordance with Section 6(d)(ii) is a Distribution Date, such payment will be payable on such Distribution Date.
- (i) **Rating Agency Notifications.** Notwithstanding any other provision of this Agreement, no Early Termination Date shall be effectively designated hereunder by Party B and no transfer of any rights or obligations under this Agreement shall be made by either party unless each Swap Rating Agency has been given prior written notice of such designation or transfer.
- (j) **No Set-off.** Except as expressly provided for in Section 2(c), Section 6 or Part 1(f)(ii)(E) hereof, and notwithstanding any other provision of this Agreement or any other existing or future agreement, each party irrevocably waives any and all rights it may have to set off, net, recoup or otherwise withhold or suspend or condition payment or performance of any obligation between it and the other party hereunder against any obligation between it and the other party under any other agreements. Section 6(e) shall be amended by deleting the following sentence: "The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off."
- (k) **Amendment.** Notwithstanding any provision to the contrary in this Agreement, no amendment of either this Agreement or any Transaction under this Agreement shall be permitted by either party unless each of the Swap Rating Agencies has been provided prior written notice of the same and such amendment satisfies the Rating Agency Condition with respect to S&P.
- (l) **Notice of Certain Events or Circumstances.** Each Party agrees, upon learning of the occurrence or existence of any event or condition that constitutes (or that with the giving of notice or passage of time or both would constitute) an Event of Default or Termination Event with respect to such party, promptly to give the other Party and to each Swap Rating Agency notice of such event or condition; provided that failure to provide notice of such event or condition pursuant to this Part 5(l) shall not constitute an Event of Default or a Termination Event.
- (m) **Proceedings.** No Relevant Entity shall institute against, or cause any other person to institute against, or join any other person in instituting against Party B, the Supplemental Interest Trust, or the trust formed pursuant to the Pooling and Servicing Agreement, in any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other proceedings under any federal or state bankruptcy or similar law for a period of one year (or, if longer, the applicable preference period) and one day following payment in full of the Certificates and any Notes. This provision will survive the termination of this Agreement.
- (n) **Supplemental Interest Trust Trustee Liability Limitations.** It is expressly understood and agreed by the parties hereto that (a) this Agreement is executed by Wells Fargo Bank, N.A. ("Wells") not in its individual capacity, but solely as Supplemental Interest Trust Trustee under the Pooling and Servicing Agreement in the exercise of the powers and authority conferred and invested in it thereunder; (b) Wells has been directed pursuant to the Pooling and Servicing Agreement to enter into this Agreement and to perform its obligations hereunder; (c) each of the representations, undertakings and agreements herein made on behalf of the Supplemental Interest Trust is made and intended not as personal representations of Wells but is made and intended for the purpose of binding only the Supplemental Interest Trust; and (d) under no circumstances shall Wells in its individual capacity be personally liable for any payments hereunder or for the breach or failure of any obligation, representation, warranty or covenant made or undertaken under this Agreement.
- (o) **Severability.** If any term, provision, covenant, or condition of this Agreement, or the application thereof to any party or circumstance, shall be held to be invalid or unenforceable (in whole or in part) in any respect, the remaining terms, provisions, covenants, and conditions hereof shall continue in full force and effect as if this Agreement had been executed with the invalid or unenforceable portion eliminated, so long as this Agreement as so modified continues to express, without material change, the original intentions of the parties as to the subject matter of this Agreement and the deletion of such portion of this Agreement will not substantially impair the respective benefits or expectations of the parties; provided, however, that this severability provision shall not be applicable if any provision of Section 2, 5, 6, or 13 (or any definition or provision in Section 14 to the extent it relates to, or is used in or in connection with any such Section) shall be so held to be invalid or unenforceable.
- The parties shall endeavor to engage in good faith negotiations to replace any invalid or unenforceable term, provision, covenant or condition with a valid or enforceable term, provision, covenant or condition, the economic effect of which comes as close as possible to that of the invalid or unenforceable term, provision, covenant or condition.
- (p) **Agent for Party B.** Party A acknowledges that Party B has appointed the Supplemental Interest Trust Trustee and the Swap Administrator as its agents under the Pooling and Servicing Agreement and the Swap Administration Agreement to carry out certain functions on behalf of Party B, and that the Supplemental Interest Trust Trustee and the Swap Administrator shall be entitled to give notices and to perform and satisfy the obligations of Party B hereunder on behalf of Party B.
- (q) [Reserved]
- (r) **Consent to Recording.** Each party hereto consents to the monitoring or recording, at any time and from time to time, by the other party of any and all communications between trading, marketing, and operations personnel of the parties and their Affiliates, waives any further notice of such monitoring or recording, and agrees to notify such personnel of such monitoring or recording.
- (s) **Waiver of Jury Trial.** Each party waives any right it may have to a trial by jury in respect of any suit, action or proceeding relating to this Agreement or any Credit Support Document.
- (t) **Form of ISDA Master Agreement.** Party A and Party B hereby agree that the text of the body of the ISDA Master Agreement is intended to be the printed form of the ISDA Master Agreement (Multicurrency – Crossborder) as published and copyrighted in 1992 by the International Swaps and Derivatives Association, Inc.
- (u) **Payment Instructions.** Party A hereby agrees that, unless notified in writing by Party B of other payment instructions, any and all amounts payable by Party A to Party B under this Agreement shall be paid to the account specified in Item 4 of this Confirmation, below.
- (v) **Capacity.** Party A represents to Party B on the date on which Party A enters into this Agreement that it is entering into the Agreement and the Transaction as principal and not as agent of any person. Supplemental Interest Trust Trustee represents to Party A on the date on which Party B enters into this Agreement that

Supplemental Interest Trust Trustee is executing the Agreement not in its individual capacity, but solely as Supplemental Interest Trust Trustee on behalf of the Supplemental Interest Trust.

- (w) **Substantial financial transactions.** Each party hereto is hereby advised and acknowledges as of the date hereof that the other party has engaged in (or refrained from engaging in) substantial financial transactions and has taken (or refrained from taking) other material actions in reliance upon the entry by the parties into the Transaction being entered into on the terms and conditions set forth herein and in the Pooling and Servicing Agreement relating to such Transaction, as applicable. This paragraph shall be deemed repeated on the trade date of each Transaction.

ASSET-BACKED CERTIFICATES, SERIES 2007-6STATE OF _____)

COUNTY OF _____)

The undersigned, being first duly sworn, deposes and says as follows:

1. The undersigned is an officer of _____, the proposed Transferee of an Ownership Interest in a Residual Certificate (the "Certificate") issued pursuant to the Pooling and Servicing Agreement dated as of May 1, 2007 (the "Agreement"), among Option One Mortgage Acceptance Corporation, as depositor (the "Depositor"), Option One Mortgage Corporation, as servicer (the "Servicer") and Wells Fargo Bank, N.A., as trustee (the "Trustee"). Capitalized terms used, but not defined herein or in Exhibit 1 hereto, shall have the meanings ascribed to such terms in the Agreement. The Transferee has authorized the undersigned to make this affidavit on behalf of the Transferee for the benefit of the Depositor and the Trustee.
2. The Transferee is, as of the date hereof, and will be, as of the date of the Transfer, a Permitted Transferee. The Transferee is acquiring its Ownership Interest in the Certificate for its own account. The Transferee has no knowledge that any such affidavit is false.
3. The Transferee has been advised of, and understands that (i) a tax will be imposed on Transfers of the Certificate to Persons that are not Permitted Transferees; (ii) such tax will be imposed on the transferor, or, if such Transfer is through an agent (which includes a broker, nominee or middleman) for a Person that is not a Permitted Transferee, on the agent; and (iii) the Person otherwise liable for the tax shall be relieved of liability for the tax if the subsequent Transferee furnished to such Person an affidavit that such subsequent Transferee is a Permitted Transferee and, at the time of Transfer, such Person does not have actual knowledge that the affidavit is false.
4. The Transferee has been advised of, and understands that a tax will be imposed on a "pass-through entity" holding the Certificate if at any time during the taxable year of the pass-through entity a Person that is not a Permitted Transferee is the record holder of an interest in such entity. The Transferee understands that such tax will not be imposed for any period with respect to which the record holder furnishes to the pass-through entity an affidavit that such record holder is a Permitted Transferee and the pass-through entity does not have actual knowledge that such affidavit is false. (For this purpose, a "pass-through entity" includes a regulated investment company, a real estate investment trust or common trust fund, a partnership, trust or estate, and certain cooperatives and, except as may be provided in Treasury Regulations, persons holding interests in pass-through entities as a nominee for another Person.)
5. The Transferee has reviewed the provisions of Section 5.02(d) of the Agreement and understands the legal consequences of the acquisition of an Ownership Interest in the Certificate including, without limitation, the restrictions on subsequent Transfers and the provisions regarding voiding the Transfer and mandatory sales. The Transferee expressly agrees to be bound by and to abide by the provisions of Section 5.02(d) of the Agreement and the restrictions noted on the face of the Certificate. The Transferee understands and agrees that any breach of any of the representations included herein shall render the Transfer to the Transferee contemplated hereby null and void.
6. The Transferee agrees to require a Transfer Affidavit from any Person to whom the Transferee attempts to Transfer its Ownership Interest in the Certificate, and in connection with any Transfer by a Person for whom the Transferee is acting as nominee, trustee or agent, and the Transferee will not Transfer its Ownership Interest or cause any Ownership Interest to be Transferred to any Person that the Transferee knows is not a Permitted Transferee. In connection with any such Transfer by the Transferee, the Transferee agrees to deliver to the Trustee a certificate substantially in the form set forth as Exhibit L to the Agreement (a "Transferor Certificate") to the effect that such Transferee has no actual knowledge that the Person to which the Transfer is to be made is not a Permitted Transferee.
7. The Transferee has historically paid its debts as they have come due, intends to pay its debts as they come due in the future, and understands that the taxes payable with respect to the Certificate may exceed the cash flow with respect thereto in some or all periods and intends to pay such taxes as they become due. The Transferee does not have the intention to impede the assessment or collection of any tax legally required to be paid with respect to the Certificate.
8. The Transferee's taxpayer identification number is [_____].
9. The Transferee is a U.S. Person as defined in Code Section 7701(a)(30).
10. The Transferee is aware that the Certificate may be a "noneconomic residual interest" within the meaning of proposed Treasury regulations promulgated pursuant to the Code and that the transferor of a noneconomic residual interest will remain liable for any taxes due with respect to the income on such residual interest, unless no significant purpose of the transfer was to impede the assessment or collection of tax.
11. The Transferee will not cause income from the Certificate to be attributable to a foreign permanent establishment or fixed base, within the meaning of an applicable income tax treaty, of the Transferee or any other U.S. person.
12. Check one of the following:
 - [] The present value of the anticipated tax liabilities associated with holding the Certificate, as applicable, does not exceed the sum of:
 - (i) the present value of any consideration given to the Transferee to acquire such Certificate;
 - (ii) the present value of the expected future distributions on such Certificate; and
 - (iii) the present value of the anticipated tax savings associated with holding such Certificate as the related REMIC generates losses.

For purposes of this calculation, (i) the Transferee is assumed to pay tax at the highest rate currently specified in Section 11(b) of the Code (but the tax rate in Section 55(b)(1)(B) of the Code may be used in lieu of the highest rate specified in Section 11(b) of the Code if the Transferee has been subject to the alternative minimum tax under Section 55 of the Code in the preceding two years and will compute its taxable income in the current taxable year using the alternative minimum tax rate) and (ii) present values are computed using a discount rate equal to the short-term Federal rate prescribed by Section 1274(d) of the Code for the month of the transfer and the compounding period used by the Transferee.

[] The transfer of the Certificate complies with U.S. Treasury Regulations Sections 1.860E-1(c)(5) and (6) and, accordingly,

- (i) the Transferee is an "eligible corporation," as defined in U.S. Treasury Regulations Section 1.860E-1(c)(6)(i), as to which income from the Certificate will only be taxed in the United States;
- (ii) at the time of the transfer, and at the close of the Transferee's two fiscal years preceding the year of the transfer, the Transferee had gross assets for financial reporting purposes (excluding any obligation of a person related to the Transferee within the meaning of U.S. Treasury Regulations Section 1.860E-1(c)(6)(ii)) in excess of \$100 million and net assets in excess of \$10 million;
- (iii) the Transferee will transfer the Certificate only to another "eligible corporation," as defined in U.S. Treasury Regulations Section 1.860E-1(c)(6)(i), in a transaction that satisfies the requirements of Sections 1.860E-1(c)(4)(i), (ii) and (iii) and Section 1.860E-1(c)(5) of the U.S. Treasury Regulations; and
- (iv) the Transferee determined the consideration paid to it to acquire the Certificate based on reasonable market assumptions (including, but not limited to, borrowing and investment rates, prepayment and loss assumptions, expense and reinvestment assumptions, tax rates and other factors specific to the Transferee) that it has determined in good faith.

None of the above.

13. The Transferee is not an employee benefit plan that is subject to Title I of ERISA or a plan that is subject to Section 4975 of the Code or a plan subject to any Federal, state or local law that is substantially similar to Title I of ERISA or Section 4975 of the Code, and the Transferee is not acting on behalf of or investing plan assets of such a plan.

IN WITNESS WHEREOF, the Transferee has caused this instrument to be executed on its behalf, pursuant to authority of its Board of Directors, by its duly authorized officer and its corporate seal to be hereunto affixed, duly attested, this ____ day of _____, 20__.

WHEREAS, it is desirable to irrevocably appoint the Swap Administrator, and the Swap Administrator desires to accept such appointment, to receive and distribute funds payable by the Swap Provider under the Swap Agreement as provided herein; and

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

The Swap Administrator shall not be required to take any action to exercise or enforce any of its rights or powers hereunder which, in the opinion of the Swap Administrator, shall be likely to involve expense or liability to the Swap Administrator, unless the Swap Administrator shall have received an agreement satisfactory to it in its sole discretion to indemnify it against such liability and expense.
 - (ii) The Swap Administrator shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of any party hereto or the NIMS Insurer, if any, or otherwise as provided herein, relating to the time, method and place of conducting any proceeding for any remedy available to the Swap Administrator or exercising any right or power conferred upon the Swap Administrator under this Agreement.
 - (iii) The Swap Administrator may perform any duties hereunder either directly or by or through agents or attorneys of the Swap Administrator. The Swap Administrator shall not be liable for the acts or omissions of its agents or attorneys so long as the Swap Administrator chose such Persons with due care.
3. **Swap Account.** The Swap Administrator, on behalf of the Supplemental Interest Trust Trustee, shall segregate and hold all funds received pursuant to the Swap Agreement (including any Swap Termination Payment) separate and apart from any of its own funds and general assets and shall establish and maintain in the name of the Swap Administrator one or more segregated accounts (such account or accounts, the "Swap Account"), held in trust for the benefit of the Trustee, the Indenture Trustee, if any, and the parties to this Agreement. All amounts on deposit in the Swap Account shall remain uninvested unless the Swap Administrator receives instructions to the contrary from any party hereto, with the consent of the NIMS Insurer, if any. The Swap Administrator hereby agrees that and it holds and shall hold the Swap Account and all amounts deposited therein in trust for the exclusive use and benefit of the Trustee and the Indenture Trustee, if any, as their interests may appear.

SERVICING CRITERIA TO BE ADDRESSED IN ASSESSMENT OF COMPLIANCE

Definitions

Primary Servicer – transaction party having borrower contact

Servicer – aggregator of pool assets

Securities Administrator – waterfall calculator (may be the Trustee, or may be the Servicer)

Paying Agent – distributor of funds to ultimate investor
